EDUCATION

■ NOTICE

The Department of Education's (DOE) Committee on Contracts has been asked for approval to enter into contract negotiations with the following organizations for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so by writing to Jay G. Miller, at 65 Court Street, Room 1201, Brooklyn, NY 11201. Responses should be received no later than 9:00 A.M., Thursday, March 1, 2007.

ITEM(S) FOR CONSIDERATION:

1. South Bronx Head Start Day Care Center – Region One

Service(s): The Bronx Regional Operations Center is requesting a non-competitive award for fiscal 2006-2007, to South Bronx Head Start for universal pre-kindergarten (UPK) services in Region One. This vendor responded to a Request for Proposals released in January 2006. Although the vendor did not receive an award, Region One requests an exception for the current year so as to avoid the negative impact of having to relocate students to another provider. The Region has confirmed that the provider meets all the program requirements as defined by the RFP and its performance has been satisfactory.

The term of the contract will be from July 1, 2006 through June 30, 2007, at a one year cost not to exceed $261,705.60.
TERM: 7/1/06 - 6/30/07 Contract Cost: $261,705.60
Funding Source: Tax Levy: Object Code: 670 Quick Code: 073101 Location Code: XS10 Activity Code: 0623

2. Data-Driven Differentiated Instruction (2 vendors)
TERC/Using Data Project
ETS/Assessment Training Institute

Service(s): The Office of Accountability is requesting an extension of time for performance for two requirements contracts previously approved by the Committee On Contracts, in June 2006, for original terms of August 5, 2006 to August 4, 2007. Delay in the implementation of contract services resulted from ongoing organization changes and a decision that these resources would be more useful in 2007-2008 as accountability tools roll out for the entire Department of Education. To date, no money has been expended. This is a no cost extension through August 4, 2008.

The two vendors, both non-profit organizations, TERC/Using Data Project and ETS/Assessment Training Institute, will provide schools with training opportunities in data-driven differentiated instruction. These contracts are part of the Office of Accountability's initiatives designed to evaluate schools' capabilities in using data to drive educational improvements and the services provided will enable schools to prepare for the implementation of those initiatives. TERC will provide a comprehensive introduction to data-driven performance management and ETS will provide everyday student-involved classroom assessment in order to enable instructors to generate their own assessment data.

These contracts represent a demonstration project that will allow the Office of Accountability to assess the results of this effort and consider whether to conduct a competitive procurement in the future for these services.

ORIGINAL TERM: 8/5/06-8/4/07
Original Contract Cost: $180,000 (TERC)
$121,200 (ETS)

3. Title IV Consortia (3 vendors)
Agudath Israel of America Community Services
Archdiocese of New York
Brooklyn Diocese

Service(s): The Office of Youth Development is requesting non-competitive awards to three vendors that perform the consultation services nonpublic schools receiving Title IV funding in accordance with the No Child Left Behind Act. These vendors have current contracts, approved by the Committee On Contracts in August 2004, that will expire on August 31, 2007.

The term of each agreement will be from September 1, 2007 to August 31, 2010, at a three year cost not to exceed:
Agudath Israel of America Community Services $2,130,000

Funding Source: Reimbursable Grants: Object Code:686
Quick Code:075105 Location Code: B250

4. Student Support Services Program (2 vendors)
Service(s): The Office of Youth Development is requesting a five-month extension for two Student Support Services contracts to allow continued services to students for the remainder of the 2006-2007 school year. One prior extension of the program's original term extended the contract end dates from August 31, 2006 to January 31, 2007.
New contracts for these services are to be awarded via a competitive solicitation, but those awards will not occur until after the current extension term expires.

This request is for an extension of these two contracts from February 1, 2007 to June 30, 2007, at a cost not to exceed:
Great Books Foundation $500,000
Learning Through an Expanded Arts Program $500,000

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

COUNTY OF NEW YORK
NOTICE OF FORECLOSURE
In Rem Tax Foreclosure Action No. 48
Borough of Manhattan
Sections 6, 7, and 8
Tax Classes 1 and 2
INDEX NO. 580001/2007

PLEASE TAKE NOTICE THAT on the 9th day of February, 2007, the Commissioner of Finance of the City of New York, pursuant to law, filed with the Clerk of New York County, a list of parcels affected by unpaid tax liens held and owned by said City of New York, which on the 9th day of February, 2007, had been unpaid for a period of at least one year, or in the case of Tax Class One and Tax Class Two properties that are residential condominium units or residential cooperative buildings and multiple dwellings owned by companies organized under Article XI of the New York State Private Housing Finance Law, with the consent and approval of the Department of Housing Preservation and Development, three years after the date when tax, assessment, or other legal charge became a lien. Said list contains as to each such parcel (a) a brief description of the property affected by such tax liens, (b) the name of the owner of such property as the same appeared on the annual record of assessed valuation at the time of filing or a statement that the owner is unknown if such be the case, (c) a listing of such tax liens upon such parcels, including those which caused the property to be subject to the foreclosure proceeding and those which accrued thereafter, together with the date or dates from which, and the rate or rates at which interest and penalties thereon shall be computed.

The filing of this list of delinquent taxes constitutes the commencement by the City of New York of an action in the Supreme Court, New York County, to foreclose the tax liens therein described by a foreclosure proceeding in rem and this list constitutes a notice of pendency of action and a complaint by the City of New York against each piece or parcel of land therein described to enforce the payment of such tax liens.

Such action is brought against the real property only and is to foreclose the tax liens described in such list. No personal judgment shall be entered herein for such taxes, assessments or other legal charges or any part thereof.

A certified copy of such list of delinquent taxes has been filed in the Manhattan Business Center, 66 John Street, Second Floor, New York, NY 10038, and will remain open for public inspection up to and including the 11th day of May, 2007, which date is hereby fixed as the last date for redemption.

Any party or entity having or claiming to have an interest in any such parcel and the legal right thereto may on or before said date redeem the same by paying the Commissioner of Finance, at 66 John Street, Second Floor, New York, NY 10038, or any Borough Business Center, the amount of all such unpaid tax liens thereon and in addition thereto all interest and penalties which are a lien against such real property computed to and including the date of redemption.

And take further notice that during the same period such party or entity may request the Commissioner of Finance to enter into an agreement for installment payments as provided under Sections 11-405 and 11-409 of the Administrative Code.

Every person or entity having any right, title or interest in or lien upon any parcel described on such list of delinquent taxes may serve a duly verified answer upon the Corporation Counsel setting forth in detail the nature and amount of his interest or lien, any defense or objection to the foreclosure and the full name of the answering party. Such answer must be filed in the office of the Clerk of New York County and served upon the Corporation Counsel at any time after the first date of publication but not later than twenty days after the date above mentioned as the last day for redemption, which shall be May 31st, 2007. In the event of failure to redeem or answer, such person shall be, except as provided in Sections 11-407(c), 11-412.1 and 11-424 of the Administrative Code, forever barred and foreclosed of all his right, title and interest and equity of redemption in and to the parcel described in such list of delinquent taxes and a judgment of foreclosure may be taken in default.

Dated: February 9, 2007

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.
All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) had a Public Hearing on January 31, 2007,on its proposed revisions of its Penalty Schedules. The Board carefully considered the testimony, written comments and material received before and at the January 31, 2007, Public Hearing and has adopted the following revisions to the ECB Penalty Schedules:
1) The Board has revised the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add sixteen new charges for violations of the Building Code and the Rules of the City of New York regulating the registration of utdoor Advertising Companies (OACs) and outdoor signs. These charges are being added to the Buildings Penalty Schedule to address outdoor advertising violations of the New York City Administrative Code and the Rules of the City of New York (RCNY), which are in addition to the charges for outdoor-sign related violations that are already included in the Buildings Penalty Schedule. The new charges for violations of Title 1 of the RCNY, sections 49-02, 49-03, 49-12(e), and 49-15(h) are being added to the Buildings Penalty Schedule in light of the promulgation of Chapter 49 of Title 1 of the RCNY, which became effective on August 25, 2006. The new charges for violations of the Administrative Code charges are added in response to the enactment of Local Law 14/2001, as amended by Local Law 31/2005, which pertains to outdoor signage. The City Council enacted Local Law 14 and Local Law 31 to reduce the proliferation of illegal signage and better regulate existing and new legal signs. These local laws created the foundation for a new regulatory scheme that requires the registration of all OACs doing business within the City of New York, and their sign locations within nine-hundred feet and within view of an arterial highway, and within two-hundred feet and within view of a public park of one-half acre or more. The City Council determined that visual clutter had significantly increased in these areas, causing unsightly, and in some cases, unsafe conditions. Chapter 49 of Title 1 of the RCNY sets forth the procedures by which Local Law 14 and Local Law 31 will be implemented, such as the registration and permitting process, fees, deadlines, penalties and enforcement procedures for non-compliance. The City Council, in enacting these local laws, established a higher penalty scale for violations by OACs, to deter new illegal signage and to combat existing illegal signage, in light of the tremendous revenue generated by advertising signs. The previous enforcement penalties applicable to OACs were considered a mere cost of doing business to many OACs. These new charges and penalties will help deter violations of the outdoor sign-related laws. The new charges include the following: (a) Maintaining sign/structure controlled by unregistered OAC; (b) OAC engages in outdoor advertising business without valid registration; (c) OAC fails to submit information prescribed by Department; (d) OAC fails to post bond or provide other form of security; (e) OAC fails to submit accurate sign inventory information; (f) OAC fails to display required information on sign/sign location; (g) OAC sign violates Zoning Resolution (ZR), Administrative Code (AC) or Department of Buildings (DOB) rule; (h) OAC makes available sign which is in violation of the ZR, AC, or DOB rules; (i) OAC makes available sign or registration to unregistered OAC; (j) OAC fails to cooperate with DOB sign-related investigation; (k) OAC fails to comply with commissioner's sign-related order; (l) OAC fails to notify DOB of material change in registration information; (m) Affiliated OAC does business before notice of material change is received; and (n) OAC fails to amend sign inventory information as prescribed by DOB rule.

(2) The Board has revised the Air Code Penalty Schedule found in Section 31-102 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add six charges pertaining to the use of ultra low sulfur diesel fuel and best available technology in nonroad vehicles. The charges are added in response to the enactment of Local Law 77/2003, which can be found in the Air Pollution Control Code as section 24-163.3. The purpose of this section is to limit emissions from nonroad vehicles, such as backhoes, bulldozers, excavators, and cranes. The statute requires that any diesel-powered nonroad vehicle with an engine fifty or more horsepower must be (a) powered by ultra-low sulfur diesel fuel and (b) utilize best available technology for emission reduction. The law applies to all vehicles owned by, operated by or on behalf of, or leased by a City agency. Some of the new charges have aggravated penalties for excess profit, consistent with the penalty provisions set forth in subdivisions (n) and (o) of Section 24-163.3.

(3) The Board has revised the Air Asbestos Code Penalty Schedule found in Section 31-101 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to amend the description in that Penalty Schedule of the three charges for New York State Industrial Code Rule 56. The New York City Department of Environmental Protection (DEP) has authority to enforce Industrial Code Rule 56 (ICR 56) pursuant to a prior delegation by the New York State Department of Labor (NYSDOL). Effective on September 5, 2006, the NYSDOL has promulgated extensive revisions to ICR 56, including the addition of new sections and the amendment and re-numbering of previously existing sections. Accordingly, the Board has revised the current Penalty Schedule entries for ICR 56 to take into account the new revisions to ICR 56. As was the case with the current description of the charges for ICR 56 violations, the various charges as revised have been assigned to severity level 1, 2 or 3 based on the danger to health and safety of workers and to the public posed by each infraction. As with the other penalties in the Air Asbestos Code Penalty Schedule, the penalties for charges of violations of ICR 56 are designed to act as a deterrent so that contractors in the asbestos-abatement industry, which is a high-profit industry, will not regard violations merely as a cost of doing business. In the revised charges implemented by this rule, a list of the specific section numbers included within ICR 56 that correspond to the different severity levels has been added to each charge description.

(4) The Board has revised the Public Pay Telephones Penalty Schedule found in Section 31-118 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to include a new charge and to remove a charge. The new charge, for a violation of 67 RCNY 6-05(d), is added to reflect the amendment of Title 67 of the Rules of the City of New York relating to the management of public pay telephones. This amendment became effective on March 14, 2006. The amendment establishes a new provision, Section 6-05(d), which mandates that public pay telephone operators fully correct any public pay telephone that is in a broken, cracked, fractured, displaced, or like condition, within a seventy-two hour period. The subsection was promulgated to compel public pay telephone operators to act promptly when a public pay telephone is damaged such that the condition of the public pay telephone may cause, or result in, physical injury to the public. Accordingly, a new charge that correlates with this new provision of Title 67 is added by this rule to the Public Pay Telephones Penalty Schedule. The penalty is commensurate with the serious nature of a violation of Section 6-05(d), which specifically seeks to protect the public from unsafe conditions on public pay telephones. The charge that is being removed from the Penalty Schedule is for 67 RCNY 6-05(d)(3). This charge is being removed from the Penalty Schedule because there is no paragraph (3) of subdivision (d) of section 6-05 in Title 67 of the RCNY, and because the substance of the charge is subsumed by a different entry in the Penalty Schedule, namely the entry for 67 RCNY 6-05(c).

(5) The Board has amended the list of subchapters that precedes the ECB Rules, which are found in Chapter 31 of Title 15 of the Rules of the City of New York. Specifically, the Board is adding to this list a reference to Subchapter G, "Penalties". Subchapter G is already included in the ECB Rules that are found in Chapter 31 of Title 15 of the Rules of the City of New York.

(6) The Board has amended the Department of Parks and Recreation Rules Penalty Schedule found in Section 31-116 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the section of law set forth in the "Section/Rule" column of that Penalty Schedule that currently reads "56 RCNY 1-04(b)(1)(ii)," for "Major damage to/accidental destruction of a tree" to instead read "56 RCNY 1-04(b)(1)(i)." The reason for this change is that subparagraph (i) specifically pertains to damage to trees, whereas subparagraph (ii) is more general, pertaining to damage to "plants, flowers, shrubs or other vegetation." Because the charge in question, "Major damage to/accidental destruction of a tree," specifically relates to trees, it is appropriate that the citation be to subparagraph (i), since that subparagraph specifically pertains to trees.

NOTICE OF PUBLIC HEARING AND OPPORTUNITY TO COMMENT ON PROPOSED AMENDMENTS TO RULES GOVERNING DEPARTMENT COLLECTION OF YARD WASTE MATERIAL FROM RESIDENTIAL BUILDINGS

NOTICE IS HEREBY GIVEN in accordance with the requirements of section 1043 of the New York City Charter and pursuant to the authority vested in the Commissioner of the Department of Sanitation by section 753(a) and (b) of the New York City Charter and by section 16-308 of the Administrative Code of the City of New York that the Department proposes to adopt the following amendments to section 1-08 of Chapter 1 of Title 16 of the Rules of the City of New York governing the collection of yard waste material from residential buildings. Existing provisions to be deleted are shown below in brackets and new provisions are underlined.

Written comments regarding the amendment to these rules and regulations may be sent to the office of the Deputy Commissioner for Legal Affairs, New York City Department of Sanitation, 125 Worth Street, Room 710, New York, New York 10013 on or before April 3, 2007. In addition, a public hearing regarding the proposed amendments will be held on April 3, 2007 at 125 Worth Street, Room 819, New York, New York from 9:30 A.M. to 11:00 A.M. Persons seeking to testify are requested to notify the Deputy Commissioner at the foregoing address. Persons who request that a language interpreter or sign language interpreter or other form of reasonable accommodation for a disability be provided at the hearing are asked to notify Edna Luna by March 26, 2007. Ms. Luna may be contacted by fax at (212) 788-3876 or by mail at 125 Worth Street, Room 710, New York, New York 10013. Written comments and a summary of oral comments received at the hearing will be available for public inspection, within a reasonable time after receipt, between the hours of 9:00 A.M. and 5:00 P.M. at the office of the Deputy Commissioner. Dated: March 2, 2007. John J. Doherty, Commissioner.

Section 1. Subdivision (a) of section 1-08 of chapter 1 of title 16 of the rules of the city of New York is amended to read as follows:

(a) Designated recyclable materials. Pursuant to §§16-304 and 16-305 of the New York City Administrative Code the following materials are designated as recyclable materials for purposes of this section: metal cans, metal items, aluminum foil, aluminum foil products, containers made of glass, and plastic bottles and jugs and beverage cartons (collectively referred to as designated recyclable metal, glass and plastic); [and] newspaper, magazines, catalogs, phone books, mixed paper and corrugated cardboard (collectively referred to as designated recyclable paper); and yard waste. This subdivision notwithstanding, designated recyclable paper and aluminum foil and aluminum foil products that are substantially soiled with food, paint or some other contaminating material shall not be considered a designated recyclable material.

Section 2. Subdivision (h) of section 1-08 of chapter 1 of title 16 of the rules of the city of New York is amended by adding a new paragraph (3) and renumbering existing paragraphs (3) and (4) as paragraphs (4) and (5), as follows:
(3) Yard waste material. For the purposes of this

subparagraph, "yard waste" shall be as defined in subdivision (p) of §16-303 of the Administrative Code. Yard waste material, which the Department collects under its seasonal collection programs through curbside collection service in districts designated by the Commissioner to receive such service, shall be placed out for curbside collection on the day(s) specified for yard waste collection by the Commissioner in either of the following:

(i) biodegradable, two-ply wet strength stock (fifty pounds each ply) leak-proof paper bags. Such bags shall not exceed 16 inches in length by 12 inches in width by 35 inches in height, and shall have a minimum capacity of 30 gallons and a maximum capacity of 55 gallons. Any written statement from the manufacturer of paper bags that it has complied with the biodegradability requirements for such bags shall relieve the user of such bags from liability for deviation from the biodegradability requirements; or

(ii) rigid containers, provided that such containers are unlined, and are a minimum of 20 and a maximum of 32 gallons in capacity.

(4) Non-designated material. Materials that are not required to be source separated for recycling shall be removed from both curbside and mechanized collection recycling containers prior to recycling collection day.
[(4)] (5) Designated recyclable materials. Designated recyclable materials that have been source separated as required by subdivision (g) of this section shall not be placed out for collection in the same container as non-designated material.

Statement of Basis and Purpose.

The Sanitation Commissioner is authorized to adopt rules relating to the collection and removal of solid waste, recyclable and other materials pursuant to §753 of the New York City Charter, and §§16-304 and 16-305 of the New York City Administrative Code. On October 17, 2006, Mayor Bloomberg signed into law Local Law 40 for the Year 2006 that amends 16-308 of the Administrative Code governing composting requirements for residents and businesses that generate yard waste.

Subdivision (a) of §1-08 adds the term 'yard waste' to the list of designated recyclable materials to be collected separately by the Department. Subdivision (h) of §1-08 includes technical revisions to the current container and set-out requirements for seasonal yard waste collected by the Department by requiring residents to use leak-proof, biodegradable paper bags, or unlined, rigid containers when placing yard waste out for curbside collection.

In 1999, the Department completed the multi-phase expansion of leaf and yard waste composting collection service to residents in districts with high leaf generation in the Bronx, Brooklyn, Queens and Staten Island. Nearly ten years later, the Department continues to compost leaves and yard waste at its various compost facilities in Staten Island and the Bronx, and seeks to acquire additional, future composting capacity consistent with the City's Comprehensive Solid Waste Management Plan approved by the State in October, 2006. Municipal recycling and composting continue to represent a major component of the City's solid waste management system and its ambitious recycling program.

The Department has concluded after careful study that placing yard waste out in paper bags or loosely in rigid containers will reduce overall composting costs, eliminate odors caused by the anaerobic digestion of leaf and yard waste material post collection, and create a better and more marketable horticultural end product. In accordance with the findings of the Department's study, the purpose of this rule, which is technical in nature, is to enable the Department to maximize its ability of capturing all of the yard waste material set out by residents at designated times, and to convert that material into a usable end product while reducing the City's waste stream.

NAME, LOCATION AND DESCRIPTION OF PROPOSAL:

Oak Point Detention Facility
Block 2604, Lot 174, and (partial) Lots 252, 195, 140, 74;
Block 2606, (partial) Lots 63, 5, 2 and 1.
Bound by nearest streets Bruckner Boulevard to the north, East 149th Street to the west, the East River to the south, and Barry Street/Oak Point Avenue the east.
Community District #2, Borough of the Bronx

The Proposed Actions include acquisition of a 27-acre parcel and the construction of the Oak Point Detention Facility (or the Proposed Project) on part of the site, as well as the related actions that are necessary to enable site acquisition and the development of the proposed facility. The site is an unpermitted solid waste management facility that received construction and demolition material that will be reconfigured and properly closed as part of the Proposed Actions. Proposed to be constructed on a 12-acre upland portion of the site, the Oak Point Detention Facility would be designed for 960 cells and 1,080 dormitory beds (plus 60 nursery and infirmary beds) to house a total of approximately 2,040 male and female detainees. Each 60-bed housing wing would have its own required recreation area. The proposed facility would contain approximately 900,000 gross square feet (gsf) of space and employ a workforce of approximately 800 persons over three shifts. Detainee housing would occupy the majority of the facility space; the remainder would be for visitor's space, health services, food preparation, administrative space, staff space, storage space, mechanical space, etc. The Proposed Project also includes a kitchen facility that would prepare meals for inmates in the new jail and up to three other jails within the City of New York. In addition, approximately 600 parking spaces would be provided on-site in parking lots and a multi-level parking structure, for correction officers and civilian staff as well as visitors to the facility. Construction of the Proposed Project is expected to be completed in 2013.

As the Proposed Project involves discretionary land use actions, the construction of a public facility and a public street, it requires the preparation of a Uniform Land Use Review Procedure (ULURP) application. The anticipated ULURP actions include: a City map change (street mapping action), site selection for a capital project (including a fair share analysis pursuant to Section 203 of the New York City Charter),[1] and real property acquisition. These related actions would require approval/certification from the New York City Planning Commission (CPC) and the City Council. Also from CPC, the Proposed Project would require a special zoning permit for development over a railroad right-of-way pursuant to Section 76-78 of the Zoning Resolution of the City of New York (ZRCNY). The Proposed Project also would require applicable permits and approvals from additional City and State agencies, such as New York State Department of Environmental Conservation (NYSDEC) approval for modifying the previously accepted Part 360 Closure Plan for the site, New York City Department of Environmental Protection (NYCDEP) approval to extend sewer and water service to the site, approval from New York City Department of Transportation (NYCDOT) for curb cuts, approval from the Metropolitan Transportation Authority (MTA) to extend bus service to the area of the proposed facility, and a Waterfront Revitalization Program consistency review. Additional approvals that may be warranted include a State Pollution Discharge Elimination System (SPDES) permit from NYSDEC for stormwater discharge, a wetland adjacent area coverage variance or tidal wetland permit from NYSDEC due to potential construction activity in or adjacent to a tidal wetland, and/or a permit from the U.S. Army Corps of Engineers (USACE) due to such construction activity in a tidal wetland. The Proposed Project also is expected to utilize existing subsurface and ground easements and real property acquisitions for the purposes of extending utilities to the site and providing site access, respectively.

Currently zoned M3-1 for heavy industrial uses, the site is located in the Hunts Point section of the South Bronx, west of Barry Street, east of East 149th Street, south of Bruckner Boulevard, and north of the East River. The site is an unpermitted solid waste management facility that received

construction and demolition material and is known to contain some level of contamination. The Proposed Actions include acquisition of the entire site due to the need to effectively close and manage the existing facility and modify the existing Part 360 Closure Plan.

The site is an approximate 27-acre parcel that includes approximately six acres south of the shoreline within the East River. The 12-acre area that would be developed with the proposed detention facility and ancillary structures is located at the upland portion of the site. Approximately three acres of the site would be used to develop a new public street, as described below. The remainder of the site (less than six acres) adjacent to the waterfront would be re-graded with appropriate cap and design applied to close and maintain this portion of the solid waste management facility.

The Proposed Actions include the utilization of existing property easements and acquisition of real property, to enable the creation of a public street through the site that would connect Oak Point Avenue at Barry Street (east of the site) with East 149th Street at its southern terminus (west of the site). The roadway would be a westward extension of Oak Point Avenue through the site, and would extend through the neighboring property west of the site where it connects to East 149th Street. Sewer and water service and other subsurface utilities would be brought to the site below the eastern portion of the roadway. Roadway work and related activities (i.e., wetlands permitting, bulkhead stabilization, etc.) would be part of the Proposed Project as necessary.

---

[1] A fair share analysis is a New York City Charter mandate with the goal of ensuring the equitable geographic distribution of public facilities.

STATEMENT OF SIGNIFICANT EFFECT:

In accordance with Executive Order 91 of 1977, as amended, and the Rules of Procedure for the City Environmental Quality Review, found at Title 62, Chapter 5 of the Rules of the City of New York (CEQR), the New York City Department of Correction, lead agency for the referenced project, has reviewed information regarding the proposed actions contained in the Environmental Assessment Statement (EAS), dated January 26, 2007 pursuant to article 8 of the New York State Environmental Conservation Law and 6 NYCRR, Part 617, and has determined that the proposed action may have a significant effect on the quality of the human environment. Accordingly, an Environmental Impact Statement is required to evaluate and disclose the extent to which impacts may occur. Aspects of the project that require evaluation of potential environmental effects include:

1) The potential for substantial impacts to traffic, transit and pedestrian circulation.
2) The potential for substantial impacts related to mobile and stationary source air quality.
3) The potential for substantial impacts on neighborhood character and visual resources.
4) The potential for hazardous material conditions to exist at the project site and potential for the proposed action to affect those conditions.
5) The potential for the project to generate substantial noise impacts.

Statement in Support of Determination:

The above determination is based on a review of the EAS prepared for the action that finds that:

1) The proposed action may generate a substantial number of vehicular and pedestrian trips resulting in significant adverse traffic and pedestrian impacts on the local transportation network;
2) The proposed action may result in significant increases in mobile source emissions from project-generated trips and potential increases in stationary source emissions from building HVAC systems.
3) The proposed action may affect neighborhood character and visual resources since it would result in changes of the use, intensity, and built form of the site, which is located adjacent to the waterfront.
4) The site is an unpermitted solid waste management facility that received construction and demolition material and the area surrounding the site has manufacturing uses indicating the potential for subsurface hazardous (or otherwise regulated) materials to be present. Since such areas may be encountered during construction, the potential for significant adverse impacts exists. The existing Part 360 Closure Plan for the site will need to be modified as the site will be reconfigured.
5) The proposed action may generate a substantial number of vehicular trips which may result in significant increases in noise.

Accordingly, the New York City Department of Correction directs that a Draft Environmental Impact Statement be prepared in accordance with 6 NYCRR 617.9(b) and Sections 6-08 and 6-09 of Executive Order No. 91 of 1997, as amended.

Public Scoping:

Public Scoping is a process whereby the public is invited to comment on the proposed scope of analysis planned for the Draft EIS. A Scoping Document has been prepared outlining the study areas and analysis methodologies proposed for use in the Draft EIS.

The new date of the Public Scoping meeting will be April 16, 2007 at 6:00 P.M. at the New South Bronx Police Athletic League facility at 991 Longwood Avenue, Bronx, New York 10028. A copy of the Scoping Document and the EAS for the project may be obtained by any member of the public from the address listed below:

New York City Department of Correction
60 Hudson Street
New York, New York 10013
(212) 266-1317

Requests for additional information may be directed to:

Mr. Robert Maruca
Deputy Commissioner

Written comments will be accepted through April 26, 2007 and may be submitted at the public scoping meeting or to Mr. Robert Maruca at the above address.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

INVOCATION

The Invocation was delivered by Rabbi Jonathan Glass, Civic Center Synagogue, 49 White Street, New York, New York 10013.

Men and Women of the City Council,

In a few short days we will once again commemorate the great life of a man who was able to effect enormous positive change with an exclusively non violent method. Dr. Martin Luther King's legacy is especially relevant in a time when it seems that only violence can solve the intractable challenges of our time.

We beseech the Almighty for the same guidance, inspiration and courage that helped see him and his generation through their rocky waters. And may the Council of the City of New York be in the vanguard of this valiant effort to bring a new day to our troubled world. Amen.

Council Member Fidler moved to spread the Invocation in full upon the Record.

Report for Int. No. 495

Report of the Committee on Finance in favor of approving and adopting, a Local Law in relation to the date of submission by the mayor of a preliminary management report and the date prior to which the council shall conduct public hearings and the date by which the council shall submit a report or reports pertaining thereto, the date of submission by the director of management and budget and the director of city planning of a draft ten-year capital strategy, the date of submission by the city planning commission of a report on the draft ten-year capital strategy, the date of submission by the mayor of the preliminary certificate regarding debt and reserves and appropriations and expenditures for capital projects, the date of submission by the mayor of the preliminary budget, the date of publication by the director of the independent budget office of a report on revenues and expenditures, the date of submission by the community boards of statements in regard to the preliminary budget, the date of submission by the commissioner of finance of an estimate of the assessed valuation of real property and statement of real property taxes due, expected to be received, and uncollected, the date of submission by the mayor of a tax benefit report, the date of submission by the borough boards of statements on budget priorities, the date of submission by the council of estimates of the financial needs of the council, the date of submission by the borough presidents of proposed modifications of the preliminary budget, the date of publication by the director of the independent budget office of a report analyzing the preliminary budget, the date by which the council shall hold hearings and submit recommendations in regard to the preliminary budget, and the date of submission by the campaign finance board of estimates of the financial needs of the campaign finance board, relating to the fiscal year two thousand eight.

The Committee on Finance to which was referred on December 20, 2006 (Minutes, page 5332) the annexed proposed local law respectfully

REPORTS:

ANALYSIS:

Various provisions in chapter ten of the New York City Charter (the "Charter") prescribe the actions that need to be taken as part of the annual budget submission process for the following fiscal year's budget. Chapter one of the Charter contains a provision providing for the Mayor's submission of, and Council hearings on, the Mayor's Preliminary Management Report ("PMMR"). In addition, the Charter provides for the submission of a draft ten-year capital strategy every two years.

Int. 495 would provide for an extension of the date for the submission by the Mayor of the preliminary budget for fiscal year 2008, as well as providing extensions for subsequent steps in the budget submission process. This legislation would also extend the dates for submission by the Mayor of the PMMR and the date by which the Council must conduct its hearings and submit its recommendations on the report. Finally, Int. 495 would also provide for an extension of the dates on which the director of the Mayor's Office of Management and Budget ("OMB") and the City Planning Commission ("CPC") must submit their draft ten-year capital strategy, and the dates by which the CPC must hold a public hearing and submit comments in relation to that plan.

Pursuant to the proposed legislation, the dates for the Charter-prescribed actions of the draft ten-year capital strategy, budget submission process, and PMMR would be extended as follows:

	Charter Date	Extended Date ForfY 2008
Mayor's submission of preliminary management report	not later than January 30	not later than February 23
Council's public hearings and report on preliminary management report	prior to April 8	prior to April 17
Submission of draft ten-year capital strategy by the director of OMB and the director of CPC	not later than November 1	not later than February 12
CPC's report on the draft ten-year capital strategy	not later than January 16	not later than March 28
Mayor's preliminary certificate on maximum capital debt and obligations	not later than January 16	not later than February 12
Mayor's submission of preliminary budget	not later than January 16	not later than February 12
IBO revenue report	on or before February 1	on or before February 23
Community boards submission of assessment of preliminary budget	not later than February 15	not later than February 26
Finance Commissioner's submission of estimate of assessed valuation and of taxes due and uncollected	not later than February 15	not later than February 26
Mayor's submission of tax benefit report	not later than February 15	not later than February 26
Borough board's statement on borough priorities	not later than February 25	not later than March 6
Council's submission of operating budget	not later than March 10	not later than March 28
Borough President's submission of recommended modifications to preliminary budget	not later than March 10	not later than March 28
IBO preliminary budget report	on or before March 15	on or before March 23
Council's preliminary budget hearings and submission of recommendations	not later than March 25	not later than April 13
Campaign Finance Board's submission of financial needs	not later than March 10	not later than March 28

This legislation would take effect immediately and would be retroactive to and deemed to have been in full force and effect as of November 1, 2006.

By Council Members Weprin, Gerson and Seabrook (by request of the Mayor).

A Local Law in relation to the date of submission by the mayor of a preliminary management report and the date prior to which the council shall conduct public hearings and the date by which the council shall submit a report or reports pertaining thereto, the date of submission by the director of

management and budget and the director of city planning of a draft ten-year capital strategy, the date of submission by the city planning commission of a report on the draft ten-year capital strategy, the date of submission by the mayor of the preliminary certificate regarding debt and reserves and appropriations and expenditures for capital projects, the date of submission by the mayor of the preliminary budget, the date of publication by the director of the independent budget office of a report on revenues and expenditures, the date of submission by the community boards of statements in regard to the preliminary budget, the date of submission by the commissioner of finance of an estimate of the assessed valuation of real property and statement of real property taxes due, expected to be received, and uncollected, the date of submission by the mayor of a tax benefit report, the date of submission by the borough boards of statements on budget priorities, the date of submission by the council of estimates of the financial needs of the council, the date of submission by the borough presidents of proposed modifications of the preliminary budget, the date of publication by the director of the independent budget office of a report analyzing the preliminary budget, the date by which the council shall hold hearings and submit recommendations in regard to the preliminary budget, and the date of submission by the campaign finance board of estimates of the financial needs of the campaign finance board, relating to the fiscal year two thousand eight.

Be it enacted by the Council as follows:

Section 1. During the calendar year 2007 and in relation to the 2008 fiscal year:

1. Notwithstanding any inconsistent provisions of section 12 of the New York city charter, as amended by vote of the electors on November 7, 1989, the mayor shall pursuant to such section submit a preliminary management report as therein described not later than February 23, 2007, and the council shall conduct public hearings on such report prior to April 17, 2007 and submit to the mayor and make public not later than April 17, 2007, a report or reports of findings and recommendations.

2. Notwithstanding any inconsistent provisions of section 228 of the New York city charter, as added by vote of the electors on November 7, 1989, the director of management and budget and the director of city planning shall pursuant to such section jointly submit a draft ten-year capital strategy as therein described not later than February 12, 2007.

3. Notwithstanding any inconsistent provisions of section 234 of the New York city charter, as added by vote of the electors on November 7, 1989, the city planning commission shall pursuant to such section submit a report on the draft ten-year capital strategy as therein described not later than March 28, 2007.

4. Notwithstanding any inconsistent provisions of section 235 of the New York city charter, as added by vote of the electors on November 7, 1989, the mayor shall pursuant to such section submit and publish a preliminary certificate regarding debt and reserves and appropriations and expenditures for capital projects as therein described not later than February 12, 2007.

5. Notwithstanding any inconsistent provisions of section 236 of the New York city charter, as amended by local law number 25 for the year 1998, the mayor shall pursuant to such section submit a preliminary budget as therein described not later than February 12, 2007.

6. Notwithstanding any inconsistent provisions of section 237 of the New York city charter, as added by vote of the electors on November 7, 1989, the director of the independent budget office shall publish a report on revenues and expenditures as therein described on or before February 23, 2007.

7. Notwithstanding any inconsistent provisions of section 238 of the New York city charter, as added by vote of the electors on November 7, 1989, each community board shall pursuant to such section submit a statement and recommendations in regard to the preliminary budget as therein described not later than February 26, 2007.

8. Notwithstanding any inconsistent provisions of section 239 of the New York city charter, as added by vote of the electors on November 7, 1989, the commissioner of finance shall pursuant to such section submit an estimate of the assessed valuation of real property and a certified statement of all real property taxes due as therein described not later than February 26, 2007.

9. Notwithstanding any inconsistent provisions of section 240 of the New York city charter, as added by vote of the electors on November 7, 1989, the mayor shall pursuant to such section submit a tax benefit report as therein described not later than February 26, 2007.

10. Notwithstanding any inconsistent provisions of section 241 of the New York city charter, as added by vote of the electors on November 7, 1989, each borough board shall pursuant to such section submit a statement of budget priorities as therein described not later than March 6, 2007.

11. Notwithstanding any inconsistent provisions of section 243 of the New York city charter, as added by vote of the electors on November 7, 1989, the council shall pursuant to such section approve and submit estimates of the financial needs of the council as therein described not later than March 28, 2007.

12. Notwithstanding any inconsistent provisions of section 245 of the New York city charter, as added by vote of the electors on November 7, 1989, each borough president shall pursuant to such section submit any proposed modifications of the preliminary budget as therein described not later than March 28, 2007.

13. Notwithstanding any inconsistent provisions of section 246 of the New York city charter, as added by vote of the electors on November 7, 1989, the director of the independent budget office shall pursuant to such section publish a report analyzing the preliminary budget as therein described on or before March 23, 2007.

14. Notwithstanding any inconsistent provisions of section 247 of the New York city charter, as added by vote of the electors on November 7, 1989, the council shall pursuant to such section hold hearings and submit recommendations as therein described not later than April 13, 2007.

15. Notwithstanding any inconsistent provisions of subdivision c of section 1052 of the New York city charter, as added by vote of the electors on November 3, 1998, the campaign finance board shall pursuant to such subdivision submit estimates of the financial needs of the campaign finance board as therein described not later than March 28, 2007.

§2. This local law shall take effect immediately and shall be retroactive to and deemed to have been in full force and effect as of November 1, 2006.

DESCRIPTION OF THE PROPOSED ACTION

On behalf of the New York City Department of Education (DOE), the New York City School Construction Authority (SCA) proposes to construct a new school campus in the Concourse Village section of the Bronx. The proposed school complex would accommodate four school organizations consisting of one 544-seat charter school serving grades 5 through 8, one 573-seat intermediate/high school serving grades 6 through 12, and two 549-seat high schools serving grades 9 through 12. The proposed complex would also include space for use by District 75 students.

The proposed site (Block 2443, portion of Lot 78) is a former rail yard whose grade is located approximately 15 to 30 feet below the street level of Concourse Village West, which is the only public street that adjoins the site. The property is vacant, owned by the City of New York, and under DOE's control.

According to current project plans, the proposed complex would contain a total of approximately 275,000 square feet. It would consist of a base (or podium) extending from the level of the former rail yard to the street level of Concourse Village West. From that podium individual buildings accommodating each of the four planned school organizations would rise: each building would have its own lobby, general instruction classrooms, administrative offices, and cafeteria. Spaces that would be shared by the four organizations, such as an auditorium, gymnasia, libraries, and some District 75 facilities, would be located within the podium, and would be accessible from each building.

The complex would be constructed within an approximately 147,000 square foot footprint along the western portion of the site (i.e., along Concourse Village West). The eastern portion of the site would be developed with playing fields and open space, which would remain at the existing rail yard level. All entrances to the proposed complex, including student and visitor entrances, would be located off Concourse Village West. Outdoor plazas would also be developed as part of the project to permit public access outside of school hours to the playing fields.

The proposed facility would be located within the boundaries of DOE Region No. 9/Community School District No. 7, and is serve students from the surrounding community as well as from throughout the Borough of the Bronx. Construction of the proposed project would be undertaken pursuant to the DOE's Five-Year Capital Plan for Fiscal Years 2005 through 2009.

The SCA would begin construction activities in late 2006. Student occupancy of the charter school space is scheduled to begin in September 2009, with occupancy of the remainder of the campus scheduled to begin in September 2010.

POTENTIAL SIGNIFICANT ADVERSE IMPACTS

TRAFFIC AND TRANSPORTATION

A number of intersection turning movements and approaches at intersections in the study area would experience significant traffic impacts as a result of vehicular traffic generated by the proposed project. However, mitigation measures were identified, that, if implemented, would improve all but one of the impacted intersection approaches/lane groups such that they would operate at the same or better service conditions than under the No Build conditions. The project-generated traffic impacts to the intersection of East 153rd Street and Concourse Village West would remain unmitigated during both the AM and PM peak hour. The affected intersections and proposed mitigation measures are as follows:

East 161st Street (WB) at Grand Concourse

The impacts at the northbound left-turn movement at this intersection during the AM and PM peak hours could be mitigated by revising the signal timing plan.

East 161st Street (EB) at Grand Concourse

The impact at the eastbound shared through and right-turn movement at this intersection during the AM and PM peak hours could be mitigated by revising the signal timing plan.

East 161st Street at Concourse Village East/Morris Avenue

The impacts at the westbound left-turn movement and the southbound shared through and right-turn movement at this intersection during the AM peak hour could be mitigated by revising the signal timing plan.

East 153rd Street at Grand Concourse

The impact at the southbound left-turn movement at this intersection during the AM and PM peak hours could be mitigated by shifting eleven seconds of green time from the westbound phase; and by shifting another six seconds from the northbound/southbound phase to the southbound lead phase.

The impact at the southbound left-turn movement at this intersection during the PM peak hour could be mitigated by shifting ten seconds of green time from the westbound phase.

East 153rd Street and Concourse Village West

The impacts at the eastbound approach at this intersection during the AM and PM peak hours could be mitigated by restriping the eastbound approach with one exclusive left-turn lane and a through lane, and by installing a new traffic signal. The installation of a new traffic signal at this intersection was discussed with New York

City Department of Transportation (NYCDOT) in June 2005. Based on that discussion, NYCDOT did not approve the installation of a new traffic signal at this intersection, but agreed to install new crosswalks to facilitate pedestrian traffic. In addition, it is anticipated that NYCDOT would investigate the provision of signage on the 153rd Street Bridge which would instruct motorists not to block the access to Concourse Village West while waiting for green signal indication at the Grand Concourse intersection.

It should be noted that the provision of signage on East 153rd Street in the absence of a new traffic signal at the East 153rd Street and Concourse Village West intersection would not mitigate the traffic impacts at the eastbound 153rd Street approach. Therefore, traffic impacts to the intersection of Concourse Village West and East 153rd Street would remain unmitigated.

East 149th Street at Grand Concourse

The impact at the eastbound and westbound approaches at this intersection during the PM peak hour could be mitigated by shifting two seconds of green time from the northbound/southbound phase to the eastbound/westbound phase.

East 149th Street at Morris Avenue

The impact at the southbound shared through and right-turn movement at this intersection during the AM and PM peak hours could be mitigated by shifting two seconds of green time from the eastbound/westbound phase to the northbound/southbound phase.

The impact at the southbound shared through and right-turn movement at this intersection during the PM peak hour could be mitigated by shifting three seconds of green time from the eastbound/westbound phase to the northbound/southbound phase.

All the mitigation measures discussed above are subject to review and approval by NYCDOT, which makes the final determination of the need for these improvements. The SCA will coordinate with the NYCDOT on the implementation of all appropriate mitigation measures before the opening of the proposed school facility.

TRANSIT AND PEDESTRIANS

With the proposed project, the south crosswalk at the intersection of East 161st Street and Concourse Village West would deteriorate from a No Build LOS D to a Build LOS D during the PM peak 15-minute period. A one-foot widening of this crosswalk would restore the Build operating conditions to acceptable levels.

The proposed project could result in a significant pedestrian safety impact at the intersection of East 153rd Street and Concourse Village West. As discussed above, NYCDOT has not approved the installation of a new traffic signal at this intersection.

However, they have agreed to install a crosswalk across the east side of East 153rd Street and Grand Concourse intersection, and another crosswalk will be installed across Concourse Village West (north of 153rd Street). In addition, NYCDOT will install a barrier on the south side of East 153rd Street to prohibit pedestrians from crossing East 153rd Street at Concourse Village West. This would force the pedestrians to cross East 153rd Street at the newly proposed crosswalk at the east side of East 153rd Street/Grand Concourse intersection. Pedestrian capacity analysis was conducted for this crosswalk to determine the service conditions in relation to the pedestrian flows. Based on the analysis results, the crosswalk would operate at an acceptable LOS C during both the AM and PM peak periods in the 2010 Build conditions.

In addition to the above measures, it is recommended that high-visibility crosswalks be provided for the newly proposed crosswalks at Concourse Village West and East 153rd Street. Also, school area traffic control devices including the School Advance Warning Sign, School Crosswalk Warning Sign, and School Reduced Speed Ahead Sign should be considered for the study area streets/roadways—specifically, on East 153rd Street—to further enhance the pedestrian safety conditions. Furthermore, using School Crossing Guards, specifically at the intersection of East 153rd Street and Concourse Village West—during the AM and PM peak hours of pedestrian activity—is also anticipated to improve pedestrian safety conditions.

It is anticipated that implementation of the measures described above would mitigate the potential pedestrian safety impact at East 153rd Street and Concourse Village West intersection during both the analysis periods.

SOIL AND GROUNDWATER CONDITIONS

Environmental due diligence investigations of this site were comprehensive and consisted of a Phase I Environmental Site Assessment, Phase II Environmental Site Investigation, and Remedial Investigation. These studies were performed to identify any potential sources of hazardous materials resulting from previous and existing uses on the site that could pose a hazard during and after construction of the proposed school facility.

The results of the Phase II ESI and RI identified soil and groundwater contamination at the site above New York State Department of Environmental Conservation (NYSDEC) Recommended Soil Cleanup Objectives and groundwater quality standards, specifically associated with volatile organic compounds (VOCs) and semi-volatile organic compounds (SVOCs). To ensure that none of the constituents of concern would pose a hazard to workers, future school occupants, and/or the environment during and after construction of the proposed project, the remediation measures described below were identified and will be implemented in accordance with NYSDEC Brownfield Cleanup Program requirements. These measures were

approved by the NYSDEC in consultation with the New York State Department of Health by letter dated July 5, 2006.

- Construction of a hydraulic barrier along the northern and western boundaries of the project site to prevent contaminated groundwater from entering the site and to limit dewatering during site excavation;
- Removal and off-site disposal of contaminated soil (approximately 19,000 cubic yards in a 40,000 square foot area) from the northwestern portion of the project site; this excavated area would be backfilled with environmentally clean soil;
- During construction of the school, monitor groundwater quality downgradient of the hydraulic barriers and at the downgradient property line to confirm that there are no changes in the existing groundwater quality;
- Installation of a 24-inch layer of environmentally clean fill over any landscaped or exposed soil areas of the site after construction activities are completed to prevent direct contact with the subsurface soils; and,
- As an added safeguard, construction of a vapor barrier and active sub-slab depressurization system beneath the new school building to prevent any potential residual vapors from entering the school in the future.

To minimize construction workers' exposure, standard industry practices for the removal of contaminated soils will be utilized, including the employment of an appropriate health and safety plan (HASP). The HASP will include periodic air monitoring and personal protective equipment, as warranted. In addition, measures will be taken to prevent exposure of residents or workers in the area to any fugitive dusts or vapors during construction. The excavation of contaminated soil will be completed within temporary enclosures kept at a negative pressure that will contain and treat (i.e., remove) fugitive dusts and vapors from the air prior to discharge to the outside. The practice of spraying water to suppress any airborne dust outside the enclosures (roadways) will also be conducted. The contaminated soils excavated and removed from the project site will be handled and transported off-site to a licensed and permitted disposal/recycling facility in accordance with all applicable local, State, and Federal regulations. With these measures in place, no significant adverse impacts on soil and groundwater conditions would occur.

Other potential environmental impact assessment areas were fully examined, including land use, zoning, and public policy; historic resources; urban design and visual resources; shadows; transit and pedestrians; air quality; noise; infrastructure

and soil waste; natural resources; and, construction impacts. No other significant adverse impacts were identified.

BENEFICIAL IMPACTS

Development of the proposed school complex would provide approximately 2,400 additional permanent public and charter school seats at the intermediate and high school levels within Region No. 9/Community School District No. 7. This additional public school capacity is expected to serve students both from the surrounding community as well as throughout the Borough of the Bronx.

Re: Mott Haven School Campus, Bronx

Dear Chairperson Lappin:

As you are aware, the Final Environmental Impact Statement (FEIS) for the above-mentioned project indicated that all project-related impacts to the environment could and would be fully mitigated with the exception of the traffic impacts at the intersection of East 153rd Street and Concourse Village West.

Since publication of the FEIS, however, the New York City School Construction Authority (SCA) has continued discussions with the New York City Department of Transportation (DOT) regarding that intersection. DOT has reviewed additional data provided by the SCA (including a signal warrant analysis), and has recently agreed to install a traffic signal at that intersection should the school project go forward.

AKRF, Inc., the firm which prepared the technical analyses for the FEIS, has completed an analysis of local traffic conditions in the future with the traffic signal in place. Its analysis, as summarized in the attached Technical Memorandum, confirms that the intersection would operate at acceptable levels of service, and would fully address the impact of the school campus to that intersection.

As we have previously testified, the SCA is committed to working with DOT on the implementation of the signal timing adjustments identified in the FEIS to mitigate the other traffic impacts that could occur as a result of the project.

Dear Mr. Ou:

This is to confirm that the Department of Transportation (DOT) has reviewed the traffic signal warrant study for the intersection of E. 153rd Street and Concourse Village West (based on projected vehicle and pedestrian volumes for the Mott Haven School Campus).

As a result of this review we have approved a traffic signal to be installed at this location should the project go forward.

Thank you for your interest in this matter.

Technical Memorandum

To:	Kenrick Ou, New York City School Construction Authority
From:	Adnan Pasha, P.E. and Alicia Moore
Subject:	Mott Haven School Facility—Modified Traffic/Pedestrian Safety Mitigation Measure
Date:	January 8, 2007
cc:	Edward Applebome, AKRF

INTRODUCTION

This technical memorandum serves to update the traffic, pedestrian and traffic safety conditions at the intersection of East 153rd Street and Concourse Village West associated with the proposed Mott Haven School Facility, as presented in the October 2006 *Mott Haven School Facility Final Environmental Impact Statement* (FEIS). The project program remains the same as that analyzed in the FEIS; however, subsequent to the issuance of the FEIS, modifications were made to the traffic mitigation measure proposed for the intersection of East 153rd Street and Concourse Village West. The proposed modifications would mitigate the previously unmitigated traffic impact, as well as improve the pedestrian safety conditions at the East 153rd Street and Concourse Village West intersection. The proposed modifications would not result in any additional environmental impacts than those previously disclosed and, overall, would not result in significant adverse environmental impacts.

CHANGES TO THE POTENTIAL EFFECTS

TRAFFIC AND PEDESTRIAN SAFETY

The 2006 FEIS determined that project-generated activities would result in an unmitigated traffic impact at the unsignalized intersection of East 153rd Street and Concourse Village West. In addition to the unmitigated traffic impact, the proposed project would result in a pedestrian safety impact at this intersection.

To mitigate the traffic and pedestrian safety impacts, installation of a new traffic signal at the intersection of East 153rd Street and Concourse Village West was discussed with NYCDOT in June 2005. Based on that discussion, NYCDOT did not initially approve the installation of a new traffic signal, but instead proposed to install new crosswalks to improve pedestrian safety conditions. Subsequent to the publication of the FEIS in October 2006, NYCDOT determined to approve the installation of the new traffic signal at the intersection of East 153rd Street and Concourse Village West in a letter dated January 4, 2007.

As presented in Table 1, the new traffic signal will operate on a three-phase signal timing plan with an exclusive pedestrian phase to facilitate pedestrian crossings and to improve pedestrian safety conditions. As shown in Table 2, with the installation of a new traffic signal, the unmitigated traffic impact at the westbound approach of East 153rd Street (as identified in the October 2006 FEIS) would be mitigated and all the intersection approaches would operate acceptably. Also, as shown in Tables 3 and 4, the installation of a new traffic signal would improve pedestrian safety conditions so that the corners and crosswalks would operate at acceptable levels during both of the analysis periods.

AIR QUALITY

The addition of a traffic signal at the intersection of East 153rd Street and Concourse Village West as a mitigation measure would not change the conclusions of the FEIS with respect to the air quality analysis.

NOISE

The addition of a traffic signal at this location as a mitigation measure would not change the conclusions of the FEIS with respect to the noise analysis.

CONCLUSION

With the installation of a new traffic signal at the intersection of East 153rd Street and Concourse Village West, as approved by NYCDOT, all of the traffic and pedestrian safety impacts that could potentially result from the proposed project would be fully mitigated. No additional environmental impacts would result from this measure.

In connection herewith, Council Members Katz and Lappin offered the following resolution:

Res. No. 685

Resolution approving the site plan for a public school facility to be located on the east side of Concourse Village West between East 153rd and East 156th Streets (Block 2443/Tax Lot 78), the Bronx (Non-ULURP No. 20075184 SCX; Preconsidered L.U. No. 364).

By Council Members Katz and Lappin

Whereas, the New York City School Construction Authority submitted to the Council on December 21, 2006, a site plan pursuant to Section 1732 of the New York State Public Authorities Law for a school complex known as the Mott Haven School Campus, Bronx, comprising of four school organizations: one 544-seat charter school serving fifth through eighth grades, one 573-seat intermediate/high school serving sixth through twelfth grades, and two 549-seat high schools serving ninth through twelfth grades, to be located on vacant property at the east side of Concourse Village West between East 153rd and East 156th Streets (Block 2443/Tax Lot 78), in DOE Instructional Region No. 9/Community School District No. 7, Community Board No. 4, Borough of the Bronx (the "Site Plan");

Whereas, the Site Plan is subject to review and action by the Council pursuant to Section 1732 of the New York State Public Authorities Law;

Whereas, upon due notice, the Council held a public hearing on the Site Plan on January 8, 2007;

Whereas, the Council has considered the relevant environmental issues and the Final Environmental Impact Statement ("FEIS") for which a Notice of Completion was issued on October 2, 2006 (SEQR Project Number 07-003), attached hereto as Exhibit A and the Technical Memorandum dated January 8, 2007, attached hereto as Exhibit B; and

Whereas, by letter dated January 5, 2007 the New York State Department of Environmental Conservation has committed to investigate and remediate the off-site up gradient source areas of contamination, attached hereto as Exhibit C; and

Whereas, by letter dated January 9, 2007 the New York City Department of Education has committed to a continuous public process for evaluating and implementing the environmental remediation of the site, including consultation with elected officials, Bronx Community Board 4 and local leaders, with at least one public hearing, attached hereto as Exhibit D; and

Whereas, by letter dated January 9, 2007 the Deputy Mayor for Education and Community Development has committed to a community consultation process to identify opportunities for small school development with community participation, attached hereto as Exhibit E; and

Whereas, the Council has considered the land use implications and other policy issues relating to the Site Plan;

Resolved:

The Council finds that the action described herein will have no significant effect on the environment.

Pursuant to Section 1732 of the Public Authorities Law, the Council approves the Site Plan.

COMMITTEE RECOMMENDATION AND ACTION

DATE: January 9, 2007

The Committee recommends that the Council approve the attached resolution and thereby approve the area designation and the plan and approve the decision of the City Planning Commission.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 686

Resolution approving the First Amended Urban Renewal Plan for the Upper Park Avenue Urban Renewal Area, approving the designation of the area and approving the decision of the City Planning Commission on ULURP No. C 060502 HUM (L.U. No. 231).

By Council Members Katz and Garodnick

Whereas, the City Planning Commission filed with the Council on December 11, 2006 its decision and report dated December 6, 2006 (the "Decision"), on the application submitted by the New York City Department of Housing Preservation and Development ("HPD"), pursuant to Section 505 of the General Municipal Law of New York State and Section 197-c of the New York City Charter, regarding the proposed First Amended Urban Renewal Plan (the "Plan") for the Upper Park Avenue Urban Renewal Area (the "Area") to facilitate the development of an accessory playground for St. Paul's Church and School, and residential development along Park Avenue (ULURP No. C 060502 HUM), Community District 11, Borough of Manhattan (the "Application");

Whereas, the Application is related to ULURP Application Number C 060503 HAM (L.U. No. 232), an urban development action area project designation, project approval and disposition;

Whereas, the City Planning Commission has certified that the Plan for the Area complies with the provisions of Section 502 of the General Municipal Law, conforms to the comprehensive community plan for the development of the municipality as a whole and is consistent with local objectives, and that the Plan is in conformity with the findings and designation of the Area;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, the Area Designation is subject to review and action by the Council pursuant to Section 504 of the General Municipal Law;

Whereas, the Plan is subject to review and action by the Council pursuant to Section 505 of the General Municipal Law;

Whereas, the New York City Department of Housing Preservation and Development submitted to the Council its request dated November 24, 2006 regarding the Application;

Whereas, upon due notice, the Council held a public hearing on the Decision and the Plan on January 8, 2007;

Whereas, the Council has considered the relevant environmental issues and the Negative Declaration, issued on April 3, 2006, (CEQR No. 06HPD002M); and

Whereas, the Council has considered the land use implications and other policy issues relating to the Decision and the Plan which proposes to:

1) subdivide Site 3 into Sites 3 and 3C,

2) deletes Section C.2.b.(1)(a), "setbacks", which states, "A setback of 100 feet from the Park Avenue building line will be required of all residential new construction", and

3) changes the language and format of the Urban Renewal Plan to reflect the current standard form.

Resolved:

The Council finds that this action will have no significant effect on the environment.

Pursuant to Section 504 of the General Municipal Law, the Council approves the Designation of the Area.

Pursuant to Section 505(4) of the General Municipal Law, the Council finds that:

1. The Area is a substandard or insanitary area or is in danger of becoming a substandard or insanitary area and tends to impair or arrest the sound growth and development of the municipality;

2. The financial aid to be provided to the municipality is necessary to enable the project to be undertaken in accordance with the Plan;

3. The Plan affords maximum opportunity to private enterprise, consistent with the sound needs of the municipality as a whole, for the undertaking of an urban renewal program;

4. The Plan conforms to a comprehensive community plan for the development of the municipality as a whole;

5. There is a feasible method for the relocation of families and individuals displaced from the Area into decent, safe and sanitary dwellings, which are or will be provided in the Area or in other areas not generally less desirable in regard to public utilities and public and commercial facilities, at rents or prices within the financial means of such families or individuals, and reasonably accessible to their places of employment; and

6. The undertaking and carrying out of the urban renewal activities in stages is in the best public interest and will not cause any additional or increased hardship to the residents of the Area.

Pursuant to Section 505 of the General Municipal Law, the Council approves the First Amended Urban Renewal Plan for the Upper Park Avenue Urban Renewal Area, dated May 2006.

Pursuant to Section 197-d of the New York City Charter, and on the basis of the Decision and Application, the Council approves the Decision.

Res. No. 687

Resolution approving the decision of the City Planning Commission on an application submitted by the Department of Housing Preservation and Development, ULURP No. C 060503 HAM, approving the designation of property located at 110-112 East 118th Street within the proposed Site 3C of the Upper Park Avenue Urban Renewal Area Site 3C (Block 1645; p/o Lot 70), as an Urban Development Action Area, approving the project for the area as an Urban Development Action Area Project, and approving the disposition of such property to a developer selected by the Department of Housing Preservation and Development (L.U. No. 232; C 060503 HAM).

By Council Members Katz and Garodnick

Whereas, the City Planning Commission filed with the Council on December 11, 2006 its decision dated December 6, 2006 (the "Decision"), on the application submitted by the Department of Housing Preservation and Development pursuant to Section 197-c of the New York City Charter and Article 16 of the General Municipal Law of New York State regarding:

a) the designation of property located at 110-112 East 118th Street within the proposed Site 3C of the Upper Park Avenue Urban Renewal Area Site 3C (Block 1645; p/o Lot 70), as an Urban Development Action Area (the "Area");

b) an Urban Development Action Area Project for such area (the "Project"); and

pursuant to Section 197-c of the New York City Charter for the disposition of such property to a developer selected by the Department of Housing Preservation and Development (the "Disposition") to facilitate the development of an accessory playground for the St. Paul's Church and School (ULURP No. C 060503 HAM), Community District 11, Borough of Manhattan (the "Application");

Whereas, the Application is related to ULURP Application Number C 060502 HUM (L.U. No. 231), an amendment to the Upper Park Avenue Urban Renewal Plan;

Whereas, the Decision is subject to review and action by the Council pursuant to Section 197-d(b)(1) of the City Charter;

Whereas, the Application and Decision are subject to review and action by the Council pursuant to Article 16 of the General Municipal Law of New York State;

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council its recommendations regarding the Application on November 28, 2006;

Whereas, upon due notice, the Council held a public hearing on the Application and Decision on January 8, 2007;

Whereas, the Council has considered the relevant environmental review (CEQR No. 06HPD002M) and the fact that a Negative Declaration was issued on April 3, 2006;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Application;

Resolved:

The Council finds that the actions described herein will have no significant effect on the environment;

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 060503 HAM).

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Council approves the disposition of said property to a developer selected by the Department of Housing Preservation and Development.

DATE: January 8, 2007

The Committee recommends that the Council approve the attached resolution and thereby approve the proposals, grant the requests made by the Department of Housing Preservation and Development, and make the findings required by Article 16 of the General Municipal Law.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 688

Resolution approving an Urban Development Action Area Project located at 381A Baltic Street (Block 397/Lot 38), and 381 Baltic Street (Block 397/Lot 138), Brooklyn, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 253; 20075048 HAK).

By Council Members Katz and Garodnick

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on August 22, 2006 its request dated August 7, 2006 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at 381A Baltic Street (Block 397/Lot 38) and 381 Baltic Street (Block 397/Lot 138), Community District 6, Borough of Brooklyn (the "Exemption Area"):

1. Find that the present status of the Exemption Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now an eligible area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on January 8, 2007;

Whereas, the Council has considered the land use and financial implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Exemption Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement of the Exemption Area as an urban development action area under Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Exemption Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of twenty years commencing on the July 1st following the date of issuance of the first temporary or permanent Certificate of Occupancy for a building located on the Exemption Area, during the last ten years of which such exemption shall decrease in equal annual decrements.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Exemption Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York or the United States Department of Housing and Urban Development. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

REPORTS:

(For text of the report, please see the Report of the Committee on Land Use for L.U. No. 253 printed in these Minutes.)

Accordingly, Your Committee recommends its adoption.

In connection herewith, Council Members Katz and Garodnick offered the following resolution:

Res. No. 691

Resolution approving an Urban Development Action Area Project located at Block 10162/Lots 28, 41, 42; Block 10163/Lots 15, 63, 65, 114; Block 10164/Lots 7, 8; and Block 10171/Los 25, 26, Queens, and waiving the urban development action area designation requirement and the Uniform Land Use Review Procedure, pursuant to Sections 693 and 694 of the General Municipal Law (L.U. No. 360; 20075166 HAQ).

By Council Members Katz and Garodnick

Whereas, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council on December 7, 2006 its request dated November 6, 2006 that the Council take the following actions regarding the following Urban Development Action Area Project (the "Project") located at Block 10162/Lots 28, 41, 42; Block 10163/Lots 15, 63, 65, 114; Block 10164/Lots 7, 8; and Block 10171/Los 25, 26, Community District 12, Borough of Queens (the "Project Area"):

1. Find that the present status of the Project Area tends to impair or arrest the sound growth and development of the municipality and that the proposed Urban Development Action Area Project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law;

2. Waive the area designation requirement of Section 693 of the General Municipal Law pursuant to said Section;

3. Waive the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law;

4. Approve the Project as an Urban Development Action Area Project pursuant to Section 694 of the General Municipal Law; and

5. Approve the exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law (the "Tax Exemption").

Whereas, the Project is to be developed on land that is now an eligible area as defined in Section 692 of the General Municipal Law, consists solely of the rehabilitation or conservation of existing private or multiple dwellings or the construction of one to four unit dwellings, and does not require any change in land use permitted under the New York City Zoning Resolution;

Whereas, upon due notice, the Council held a public hearing on the Project on January 8, 2007;

Whereas, the Council has considered the land use, environmental and financial implications and other policy issues relating to the Project;

Resolved:

The Council finds that the present status of the Project Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council waives the area designation requirement pursuant to Section 693 of the General Municipal Law.

The Council waives the requirements of Sections 197-c and 197-d of the New York City Charter pursuant to Section 694 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Project shall be developed in a manner consistent with the Project Summary that HPD has submitted to the Council, a copy of which is attached hereto.

The exemption of the Project from real property taxes pursuant to Section 696 of the General Municipal Law is approved as follows:

a. All of the value of the buildings, structures, and other improvements situated on the Project Area shall be exempt from local and municipal taxes, other than assessments for local improvements and land value, for a period of twenty years commencing on the July 1st following the conveyance of the Disposition Area to the Sponsor, during the last ten years of which such exemption shall decrease in equal annual decrements.

b. The partial tax exemption granted hereunder shall terminate with respect to all or any portion of the Project Area if the Department of Housing Preservation and Development determines that such real property has not been, or is not being, developed, used, and/or operated in compliance with the requirements of all applicable agreements made by the Sponsor or the owner of such real property with, or for the benefit of, the City of New York. The Department of Housing Preservation and Development shall deliver written notice of any such determination of noncompliance to the owner of such real property and all mortgagees of record, which notice shall provide for an opportunity to cure of not less than ninety (90) days. If the noncompliance specified in such notice is not cured within the time period specified therein, the partial tax exemption granted hereunder shall prospectively terminate with respect to the real property specified therein.

INTRODUCTION AND READING OF BILLS

Res. No. 682

Resolution calling upon the State of New York to provide funding to support the 12,500 housing units built by New York State and managed by the New York City Housing Authority.

By Council Members Dilan, Mendez, Brewer, Dickens, Fidler, Foster, Gonzalez, Jackson, James, Liu, McMahon, Mealy, Monserrate, Recchia, Reyna, Sears and Weprin.

Whereas, From 1958 to 1974, New York State constructed 12,500 public housing units in fifteen developments throughout New York City that are managed by the New York City Housing Authority (NYCHA); and

Whereas, The fifteen developments originally financed with State funding are not included among NYCHA's developments when determinations are made as to subsidies towards NYCHA's operating or capital expenses; and

Whereas, It costs NYCHA approximately $62 million annually to operate the fifteen State developments; and

Whereas, Since 1998 New York State has not provided any funding towards operating expenses needed to maintain the public housing units in these fifteen developments; and

Whereas, Without the financial assistance of New York State towards meeting operating expenses, these fifteen developments might see a reduction in services, and rent increases for their moderate-income residents; and

Whereas, The failure of New York State to provide a subsidy will dramatically effect the quality of life for residents of these developments; and

Whereas, In Fiscal Year 2006 NYCHA had an operating deficit of $168 million arising in part from the continued financial drain of operating the fifteen State developments for which NYCHA receives no ongoing operating subsidy; and

Whereas, New York State has an obligation to ensure that the fifteen public housing developments continue as public housing by budgeting operating and capital funds annually to support these developments; and

Whereas, In Fiscal Year 2007, The City of New York provided $120 million in subsidies to support the preservation and long-term viability of public housing in New York City; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the upon the State of New York to provide funding to support the 12,500 housing units built by New York State and managed by the New York City Housing Authority.

Referred to the Committee on Housing and Buildings.

Res. No. 683

Resolution calling upon the United States Congress to increase the cap for pre-tax qualified public transportation benefits to $205 per employee per month.

By Council Members Liu, Brewer, Fidler, Foster, Gonzalez, Jackson, McMahon, Mealy, Recchia and Weprin.

Whereas, Public use of mass transportation is critical in reducing traffic congestion and pollution, and programs which promote the use of such transportation should be encouraged; and

Whereas, Current federal law allows entities to permit their employees to use a certain amount of pre-tax earnings for commuting expenses, which enables such individuals to enjoy certain personal income tax benefits; and

Whereas, Specifically, current federal law allows employees to use up to $205 in pre-tax earnings per month for commuter parking, and up to $105 per month for qualified public transportation; and

Whereas, Local Law 18 of 2000 was adopted by the Council of the City of New York in order to enable New York City employees, in accordance with federal laws, to use pre-tax earnings to purchase qualified public transportation benefits; and

Whereas, Although allowing such use of pre-tax earnings for commuting both encourages the use of mass transportation and saves commuters a substantial amount of money every month, certain commuters, particularly those who ride the Long Island Rail Road, the Metro-North Railroad, or express buses, are at a disadvantage, since their monthly commutes may cost significantly more than the $105 in pre-tax earnings they are currently allowed to use; and

Whereas, Many mass transportation advocates believe that public transit commuting benefits should be made equivalent to commuter parking benefits, in order to ensure that this transportation benefit program maintains an equitable incentive structure; now, therefore, be it

Resolved, That the Council of the City of New York calls upon United States Congress to increase the cap for pre-tax qualified public transportation benefits to $205 per employee per month.

Referred to the Committee on Transportation.

L.U. No. 362

By Council Member Katz:

Application no. 20075193 HAX, an Urban Development Action Area Project located at 428 East 139th Street, Council District no. 8, Borough of the Bronx. This matter is subject to Council review and action pursuant to Article 16 of the New York General Municipal Law, at the request of the New York City Department of Housing Preservation and Development, and pursuant to Section 696 of the General Municipal Law for an exemption from real property taxes.

Referred to the Committee on Land Use and the Subcommittee on Planning, Dispositions and Concessions.

L.U. No. 363

By Council Member Katz:

Application no. 20075141 HKK (N 070197 HKK), pursuant to §3020 of the Charter of the City of New York, concerning the designation (List No. 381, LP-2207) by the Landmarks Preservation Commission of George B. and Susan Elkins House located at 375 Dean Street, Council District no. 36.

Referred to the Committee on Land Use and the Subcommittee on Landmarks, Public Siting and Maritime Uses.

L.U. No. 364

By Council Member Katz:

Application no. 20075184 SCX, a proposed site for school facility consisting of four schools, one 573-seat intermediate/high school, two 549-seat high schools and one 544-seat charter middle school at Concourse Village West between E. 153rd and E. 156th Street in Council District no. 16, Borough of the Bronx. This matter is subject to Council review and action pursuant Section 1732 of the New York State Public Authorities Law.

Adopted by the Council (preconsidered and approved by the Committee on Land Use and the Subcommittee on Landmarks, Public Siting and Maritime Uses.)

At this point the Speaker (Council Member Quinn) made the following announcements:

Part 6, of this Court, to be held at the Courthouse thereof, located at 851 Grand Concourse, Room 705, Bronx, New York, for an order:

a) granting the Petition in all respects;
b) authorizing the Authority to file the Acquisition Map in the Office of the County Clerk or the Office of the City Register of Bronx County;
c) directing that, upon the filing of the Order of this Court and the Acquisition Map, title and possession to the property shown on said Map shall vest in the Authority, said property consisting of all that certain plot, piece or parcel of land, comprising Tax Block 4894 Lot 1, with any buildings and improvements thereon, erected, situated, lying and being in the Borough Of the Bronx, County of Bronx, State of New York, bounded and described as follows:

Beginning at the corner formed by the intersection of the northerly side of Boston Road with the westerly side of Baychester Avenue;

Running thence northerly along the westerly side of Baychester Avenue, 107.88 feet to a point;

Running thence westerly at right angles to the westerly side of Baychester Avenue, 200.00 feet to the easterly side of Edson Avenue;

Running thence southerly along the easterly side of Edson Avenue, 118.90 feet to the northerly side of Boston Road;

Running thence easterly along the northerly side of Boston Road, 200.30 feet to the corner the point or place of beginning; containing 22,678 square feet or 0.5206 acres.

The parcel described above consists of Tax Lot 1 in Tax Block 4894 as shown on the Tax Map of The City of New York for the Borough of the Bronx, as said Tax Map existed on October 30, 2006.

(The above-described property is hereafter referred to as the "Property").

d) determine all claims for just compensation arising from the acquisition of said Property and that such claims shall be heard without a jury and without referral to a referee or commissioner;
e) directing that, within thirty (30) days after the entry of the Order of this Court, the Authority shall cause a Notice of Acquisition to be served upon each condemnee or such condemnee's attorney of record;
f) directing that all claimants have a period of one hundred eighty (180) days from the date of service of the Notice of Acquisition within which to file a written claim or notice of appearance; and
g) granting such other and further relief as this Court deems just and proper.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

Dated: February 21, 2007, New York, New York

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

SMALL BUSINESS SERVICES

■ SOLICITATIONS

Services (Other Than Human Services)

NYC BUSINESS SOLUTIONS TRAINING GRANT – Other – PIN# RFA801WDC005 – DUE 03-28-07 AT 5:00 P.M. – The New York City Department of Small Business Services is pleased to announce up to $1 million in grants available to train and advance your employees. The NYC Business Solutions Training Grant is designed to grow the City's economy by enabling employees to create and retain jobs, increase wages, build skills, and help workers advance in their careers.

To date, New York City has awarded over $2.3 million to 26 growing companies to train 1,477 New Yorkers, matched by $3.2 million in employer contributions. Up to $1 million is available in this round for employers in the following sectors: Aviation, Construction, Film/Media, Financial Services, Healthcare/Bioscience, Hospitality/Tourism, Industrial/ Manufacturing, Retail, and Technology. The grant can fund up to 50 percent of eligible training costs ($300,000 maximum), with the employer paying the balance. Please visit http://www.nyc.gov/training to access a copy of the application or for additional information and instructions. If you have any questions, please contact us at training@sbs.nyc.gov. All applications are due by March 28, 2007.

Significant improvements were made to the grant, enabling us to fund a greater range of business training needs. In addition to occupational training, the grant will now fund Work Readiness Training, which includes, but is not limited to, adult literacy and numeracy (reading and math), English as a Second Language (ESL), and workplace behavior skills (such as timeliness, communication, and interpersonal skills). This improvement will increase your ability to find and keep qualified workers.

Two Pre-Submission Information Sessions: attend one of two sessions that with take place at the NYC Department of Small Business Services, 7th Floor, 110 William Street, New York, NY 10038 on March 7, 2007. Businesses and intermediaries planning to apply may register for the sessions by sending an email to training@sbs.nyc.gov, indicating the organization's name and which session they will attend, 9:30 A.M. - 11:00 A.M. or 1:30 P.M. - 3:00 P.M.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

■ NOTICE

BRONX COUNTY
IA PART 6
NOTICE OF PETITION
INDEX NUMBER 737/07

In the Matter of the Application of the

NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,

Petitioner,

To acquire by exercise of its powers of Eminent Domain Title in Fee Simple absolute to certain real property known as Tax Block 4894, Lot 1, located in the Borough of the Bronx, City of New York, in connection with the construction of Early Childhood Center - Bronx

PLEASE TAKE NOTICE that, upon the annexed petition of the New York City School Construction Authority (the "Authority"), duly verified on the 21st day of February, 2007, by Sharon L. Greenberger, President and Chief Executive Officer of the Authority, Petitioner shall move this Court on the 26th day of March, 2007 at 2:00 P.M., or as soon thereafter as counsel may be heard, at I.A. Part 6, of this Court, to be held at the Courthouse thereof, located at 851 Grand Concourse, Room 705, Bronx, New York, for an order:

a) granting the Petition in all respects;
b) authorizing the Authority to file the Acquisition Map in the Office of the County Clerk or the Office of the City Register of Bronx County;
c) directing that, upon the filing of the Order of this Court and the Acquisition Map, title and possession to the property shown on said Map shall vest in the Authority, said property consisting of all that certain plot, piece or parcel of land, comprising Tax Block 4894 Lot 1, with any buildings and improvements thereon, erected, situated, lying and being in the Borough Of the Bronx, County of Bronx, State of New York, bounded and described as follows:

Beginning at the corner formed by the intersection of the northerly side of Boston Road with the westerly side of Baychester Avenue;

Running thence northerly along the westerly side of Baychester Avenue, 107.88 feet to a point;

Running thence westerly at right angles to the westerly side of Baychester Avenue, 200.00 feet to the easterly side of Edson Avenue;

Running thence southerly along the easterly side of Edson Avenue, 118.90 feet to the northerly side of Boston Road;

Running thence easterly along the northerly side of Boston Road, 200.30 feet to the corner the point or place of beginning; containing 22,678 square feet or 0.5206 acres.

The parcel described above consists of Tax Lot 1 in Tax Block 4894 as shown on the Tax Map of The City of New York for the Borough of the Bronx, as said Tax Map existed on October 30, 2006.

(The above-described property is hereafter referred to as the "Property").

d) determine all claims for just compensation arising from the acquisition of said Property and that such claims shall be heard without a jury and without referral to a referee or commissioner;
e) directing that, within thirty (30) days after the entry of the Order of this Court, the Authority shall cause a Notice of Acquisition to be served upon each condemnee or such condemnee's attorney of record;
f) directing that all claimants have a period of one hundred eighty (180) days from the date of service of the Notice of Acquisition within which to file a written claim or notice of appearance; and
g) granting such other and further relief as this Court deems just and proper.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

NYC BUSINESS SOLUTIONS TRAINING GRANT – Other – PIN# RFA801WDC005 – DUE 03-28-07 AT 5:00 P.M. – The New York City Department of Small Business Services is pleased to announce up to $1 million in grants available to train and advance your employees. The NYC Business Solutions Training Grant is designed to grow the City's economy by enabling employees to create and retain jobs, increase wages, build skills, and help workers advance in their careers.

To date, New York City has awarded over $2.3 million to 26 growing companies to train 1,477 New Yorkers, matched by $3.2 million in employer contributions. Up to $1 million is available in this round for employers in the following sectors: Aviation, Construction, Film/Media, Financial Services, Healthcare/Bioscience, Hospitality/Tourism, Industrial/ Manufacturing, Retail, and Technology. The grant can fund up to 50 percent of eligible training costs ($300,000 maximum), with the employer paying the balance. Please visit http://www.nyc.gov/training to access a copy of the application or for additional information and instructions. If you have any questions, please contact us at training@sbs.nyc.gov. All applications are due by March 28, 2007.

Significant improvements were made to the grant, enabling us to fund a greater range of business training needs. In addition to occupational training, the grant will now fund Work Readiness Training, which includes, but is not limited to, adult literacy and numeracy (reading and math), English as a Second Language (ESL), and workplace behavior skills (such as timeliness, communication, and interpersonal skills). This improvement will increase your ability to find and keep qualified workers.

AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") proposes adoption of rules governing display of insignia on accessible and clean air taxicabs and for-hire vehicles.

These rules are proposed pursuant to sections 1043 and 2303(b)(11) of the Charter and section 19-503 of the Administrative Code of the City of New York. These proposed rules were not included in the TLC's regulatory agenda for Fiscal Year 2007, because the need for the rules was not anticipated at the time the regulatory agenda was published.

A public hearing on these proposed rules will be held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006 on April 12, 2007, at 9:30 A.M. Persons wishing to testify at the hearing may notify the TLC in advance, either in writing or by telephone to the TLC's Office of Legal Affairs at the address and telephone given below. Any request for sign language interpreter or other form of reasonable accommodation at the hearing for a disability must be submitted to the Office of Legal Affairs in writing, by telephone, or by TTY/TDD no later than April 5, 2007.

Written comments in connection with these proposed rules should be submitted to the Office of Legal Affairs, addressed as follows, and must be received no later than April 6, 2007:

Charles R. Fraser
Deputy Commissioner for Legal Affairs / General Counsel
Taxi and Limousine Commission
40 Rector Street, 5th Floor
New York, New York 10006
Telephone: 212-676-1117
Fax: 212- 676-1102
TTY/TDD: 212- 341-9569

Section 1. Section 1-01 of Chapter 1 of Title 35 of the Rules of the City of New York is amended by adding two new definitions to read as follows:

§1-01 Definitions.

Accessible taxicab. An "accessible taxicab" is a taxicab that complies with section 3.03.2 of this title.

. . . .

Clean air taxicab. A "clean air taxicab" is a taxicab that complies with section 3-03.3 of this title.

Section 2. Paragraphs (3) and (4) of subdivision (b) of Section 1-35 of Chapter 1 of Title 35 of the Rules of the City of New York are amended, and new paragraphs (5) and (6) are added, to read as follows:

§1-35 Markings and Advertising.

(b) An owner shall not display any lettering, emblem, or advertising of any kind on the exterior of a taxicab, its windows or an exterior accessory, by means of paint, stencil, decal, sticker, or otherwise, unless authorized by the Commission, except:

(3) such inscriptions as are permitted or required by these rules or the Commission's Marking Specifications for Taxicabs; [and]

(4) such advertising as may be authorized by the Commission on the vehicle's rate card;

(5) for an accessible taxicab, insignia, the design of which shall be provided by the Commission on its website or through other means it deems appropriate as set forth on its website, that identify the vehicle as an accessible taxicab. Such insignia shall be located on the exterior of the C-pillars of a sedan or an SUV or on the exterior of the D-pillars of a minivan, on both sides of such taxicab, and shall be visible to passengers entering the accessible taxicab; and

(6) for a clean air taxicab, insignia, the design of which shall be provided by the Commission on its website or though other means it deems appropriate as set forth on its website, that identify the vehicle as a clean air vehicle. Such insignia shall be located on the exterior of the C-pillars of a sedan or an SUV or on the exterior of the D-pillars of a minivan, on both sides of such taxicab, and shall be visible to passengers entering the clean air taxicab.

Such inscriptions and advertising shall be maintained in good condition.

Section 3. Paragraph (5) of subdivision (a) of Section 1-52 of Chapter 1 of Title 35 of the Rules of the City of New York is amended to read as follows:

§1-52 Required to be Present in the Taxicab.

(a) The following shall be present in the taxicab while it is in operation for hire:

. . . .

(5) all notices required to be posted in the taxicab, including, but not limited to information provided by the Commission to the owner of a clean air taxicab which shall be displayed in the rear passenger compartment of such taxicab, visible to all rear seat passengers, by printed notice prior to the date when a personal information monitor (PIM) is required to be installed in taxicabs and thereafter in content displayed on the PIM, and which (i) identifies such taxicab as a clean air vehicle, (ii) includes the address of the Commission web page(s) and (iii) includes, to the extent practicable, estimated air quality benefits associated with the use of such vehicle and the type of fuel used to power such vehicle.

Section 4. The penalty for violation of section 1-35(b), set forth in Section 1-86 of Chapter 1 of Title 35 of the Rules of the City of New York, is amended, and a new penalty for violation of paragraphs (5) and (6) of section 1-35(b) is added, in alphanumeric order, to read as follows:

§1-86 Penalties for Violations of Rules Governing Owners of Medallion Taxicabs and Coaches.

Rule No.	Penalty	Personal Appearance Required
. . . .		
§1-35(b)(1), (2), (3) and (4)	$25	No
§1-35(b)(5) and (6)	$75	No

Section 5. Subdivision (f) of Section 3-03.2 of Chapter 3 of Title 35 of the Rules of the City of New York is added, to read as follows:

§3-03.2 Accessible Taxicab Specifications.

. . . .

(f) If the taxicab is an accessible taxicab the translucent slide of the roof light shall be medium blue.

Section 6. Chapter 3 of Title 35 of the Rules of the City of New York is amended by adding a new section 3-03.3, to read as follows:

§3-03.3 Clean Air Taxicab Specifications.

(a) As used in this section and in Chapter 1 of this title, the term "clean air taxicab" shall mean any taxicab licensed by the Commission that receives an air pollution score of 9.0 or higher from the United States Environmental Protection Agency or its successor agency and is estimated to emit 6.4 tons or less of equivalent carbon dioxide per year by the United States Department of Energy or its successor agency; provided that such vehicle is powered by the fuel for which such vehicle meets the above-specified standards.

(b) If the taxicab is a clean air taxicab the translucent slide of the roof light shall be medium blue.

Section 7. Section 6-01 of Chapter 6 of Title 35 of the Rules of the City of New York is amended by adding two new definitions and amending the definition of "Rooflight", to read as follows:

Accessible vehicle. An accessible vehicle is a wheelchair accessible vehicle that is authorized by the Commission to transport passengers by prearrangement and for-hire and that meets the specifications and requirements for accessible vehicles pursuant to the Americans with Disabilities Act of 1990, as amended, and regulations promulgated pursuant thereto.

. . . .

Clean air for-hire vehicle. A clean air for-hire vehicle is a for-hire vehicle licensed by the Commission that receives an air pollution score of 9.0 or higher from the United States Environmental Protection Agency or its successor agency and is estimated to emit 6.4 tons or less of equivalent carbon dioxide per year by the United States Department of Energy or its successor agency; provided that such vehicle is powered by the fuel for which such vehicle meets the above-specified standards.

. . . .

Rooflight. Rooflight means equipment attached to the roof of a vehicle, or extending above the roofline of a vehicle, for the purpose of displaying any information. In any instance in which Commission rules permit a rooflight, the permitted rooflight shall be of a one-piece solid translucent material; it shall not approximate the shape or appearance of a taxi rooflight; it may bear only the name of the base with which the vehicle is affiliated, alone or with either a telephone number or a car number; and the name shall not include the words "hack," "taxi," "taxicab," "cab" or "coach." If the vehicle is an accessible vehicle or a clean air for-hire vehicle, the translucent slide of the rooflight shall be medium blue.

Section 8. Paragraph (2) of subdivision (f) of Section 6-07 of Chapter 6 of Title 35 of the Rules of the City of New York is amended to read as follows:

(f) Effective October 31, 2001, a base owner shall be responsible for providing transportation service to persons with disabilities. A base owner may fulfill this requirement either by:

. . . .

(2) arranging for the dispatch of an accessible vehicle affiliated with another licensed base, upon request, if the base owner has entered into a contractual or other arrangement with such base for the provision of accessible vehicles to persons with disabilities. [For the purpose of this subdivision, an "accessible vehicle" shall be a vehicle capable of transporting individuals who use wheelchairs or other mobility aids, and that complies with the accessibility requirements of the Americans with Disabilities Act of 1990, as amended, and the Regulations promulgated thereunder.] The

Chairperson may, in his or her discretion, approve vehicles for the provision of accessible service that deviate from the requirements set forth in [said] the Americans with Disabilities Act or the Regulations promulgated thereunder.

Whether a base owner dispatches an affiliated accessible vehicle, or arranges for the dispatch of vehicles affiliated with another base, said base owner shall be responsible for the provision of "equivalent service" to persons with disabilities. This service equivalency requirement shall be met only if the service available to persons with disabilities, when viewed in its entirety, is provided in the most integrated setting to the needs of such individual and is equivalent to the service provided to other individuals with respect to the following service characteristics:

(a) Response time to requests for service;
(b) Fares charged;
(c) Hours and days of service availability;
(d) Ability to accept reservations;
(e) Restrictions based upon trip purpose;
(f) Other limitations on capacity or service availability.

Section 9. Subdivision (f) of section 6-12 of Chapter 6 of Title 35 of the Rules of the City of New York is amended by adding new paragraphs (3) and (4), to read as follows:

§6-12 Conditions of Operation Relating to For-Hire Vehicles.

A for-hire vehicle base and a for-hire vehicle owner shall be jointly and severally responsible for compliance with the following provisions and liable for violation thereof. No for-hire vehicle shall be used in the course of operations of a for-hire vehicle service unless the vehicle is in compliance with the following;

. . . . .

(f) . . . .

(3) Any accessible vehicle licensed by the Commission shall display insignia, the design of which shall be provided by the Commission on its website or through means it deems appropriate as set forth on its website, that identify such vehicle as an accessible vehicle. Such insignia shall be located on the exterior of the C-pillars of a sedan or an SUV or on the exterior of the D-pillars of a minivan, on both sides of such vehicle, and shall be visible to passengers entering the accessible vehicle.

(4) Any clean air for-hire vehicle licensed by the Commission shall display insignia, the design of which shall be provided by the Commission on its website or through other means it deems appropriate as set forth on its website, that identify such vehicle as a clean air vehicle. Such insignia shall be located on the exterior of the C-pillars of a sedan or an SUV or on the exterior of the D-pillars of a minivan, on both sides of such vehicle, and shall be visible to passengers entering the clean air for-hire vehicle.

Section 10. Section 6-22 of Chapter 6 of Title 35 of the Rules of the City of New York is amended by adding, in alphanumeric order, a new penalty for violation of paragraphs (3) or (4) of section 6-12(f), to read as follows:

Rule No.	Penalty	Personal Appearance Required
. . . .		
§6-12(f)(3) or (4)	$75	No

STATEMENT OF BASIS AND PURPOSE OF PROPOSED RULES

The proposed rules would implement Local Laws 54 and 55 for the Year 2006, which added sections 19-514(h) and (i) and 19-536 of the Administrative Code of the City of New York, requiring that each Taxi and Limousine Commission-licensed accessible or clean air vehicle be marked with two insignia identifying it as an accessible or clean air vehicle. The proposed rules incorporate the statutory definition of a clean air vehicle, which would apply to taxicabs and for-hire vehicles. The proposed rules retain the existing definition of an accessible taxicab (section 3-03.2 of the Commission's rules) and add a definition of an accessible for-hire vehicle.

The proposed rules would provide that a clean air vehicle insignia design and an accessible vehicle insignia design will be made available on the Commission's website or by other means the Commission deems appropriate as set forth on its website. The insignia would be posted on the exterior of the C-pillars of a sedan or an SUV or on the exterior of the D-pillars of a minivan, on both sides of the accessible vehicle visible to passengers entering the vehicle.

In addition, pursuant to the Administrative Code provisions, the proposed rules would require that the owner of a clean air taxicab display in the rear passenger compartment, visible to all passengers in the back seat, passenger information to be provided by the Commission. That information shall include identification of the clean air taxicab as a clean air vehicle, the Commission's Web page address, and, to the extent practicable, the estimated air quality benefits associated with the use of such vehicle and the type of fuel used to power such vehicle.

Finally, for any accessible vehicle or clean air vehicle on which a roof light is permitted, the proposed rules would require that the translucent slide of the roof light be medium blue, to assist the riding public in recognizing and selecting an accessible or clean air vehicle.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

The NYC Business Solutions Training Grant is designed to grow the City's economy by enabling employees to create and retain jobs, increase wages, build skills, and help workers advance in their careers.

To date, New York City has awarded over $2.3 million to 26 growing companies to train 1,477 New Yorkers, matched by $3.2 million in employer contributions. Up to $1 million is available in this round for employers in the following sectors: Aviation, Construction, Film/Media, Financial Services, Healthcare/Bioscience, Hospitality/Tourism, Industrial/ Manufacturing, Retail, and Technology. The grant can fund up to 50 percent of eligible training costs ($300,000 maximum), with the employer paying the balance. Please visit http://www.nyc.gov/training to access a copy of the application or for additional information and instructions. If you have any questions, please contact us at training@sbs.nyc.gov. All applications are due by March 28, 2007.

Significant improvements were made to the grant, enabling us to fund a greater range of business training needs. In addition to occupational training, the grant will now fund Work Readiness Training, which includes, but is not limited to, adult literacy and numeracy (reading and math), English as a Second Language (ESL), and workplace behavior skills (such as timeliness, communication, and interpersonal skills). This improvement will increase your ability to find and keep qualified workers.

HEALTH AND MENTAL HYGIENE

■ NOTICE

The following resolution was adopted by the Board of Health on April 18, 2000. This resolution is utilized by the Department of Health and Mental Hygiene every year since 2000. The Department suspends its use on October 31st of each year because the threat of mosquito breeding during cold weather subsides. From March 15, 2007 through October 31, 2007, the Resolution will again be in full force and effect. The Department intends to again fully exercise the authority granted by the Board of Health Resolution, including the immediate abatement of standing water conditions, to prevent the breeding and proliferation of mosquitoes during the 2007 mosquito season. Therefore, in order to ensure proper public notification, the Department of Health and Mental Hygiene is republishing the Resolution in accordance with §17-148 of the Administrative Code of the City of New York.

Resolution of the Board of Health of the
Department of Health and Mental Hygiene
of the City of New York

At a meeting of the Board of Health of the Department of Health and Mental Hygiene held April 18, 2000, the following resolution was adopted:

Whereas, the Board of Health has taken and filed among its records reports that in areas throughout the City of New York there are sunken lots, property below grade, or other places which are insufficiently drained and where water may accumulate and stagnant water may collect; and

Whereas, upon these and other properties, there are household and other items including, but not limited to, tires, flower pots, household or other containers such as, trash, garbage and recycling containers without drainage holes, roof gutters clogged with leaves or other debris, swimming and wading pools, bird baths, swimming pool covers, outdoor plumbing fixtures and hose bibs dripping water to the ground and other materials, appurtenances and fixtures which allow the accumulation of water; and

Whereas, such accumulations of water create conditions conducive to insect life in general, and to the breeding and nurturing of mosquitoes in particular; and

Whereas, certain mosquitoes have been found to harbor viral diseases, including West Nile Virus/encephalitis, which are transmissible to and may be fatal to humans; and

Whereas, mosquitoes breed rapidly, and the potential presence of West Nile Virus is immediately dangerous to life and health; and

Whereas, the Board of Health regards the aforesaid reports as sufficient proof to authorize the declaration that any accumulations of water in which mosquitoes may breed are in a condition and in effect immediately dangerous to human life and health and constitute a public nuisance; and

Whereas, immediate abatement of such nuisances is necessary to prevent the breeding and proliferation of infectious mosquitoes; and

Whereas, personal service or service pursuant to subdivisions (a) or (b) of §17-148 of the Administrative Code of the City of New York of orders requiring the abatement of such nuisances and conditions in effect dangerous to life and health upon each of the persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York, has a duty or liability to abate such nuisances and conditions, would result in a delay prejudicial to the public health, welfare, and safety; now, therefore, be it

Resolved, that the Board of Health hereby declares that such places having an accumulation of water capable of breeding mosquitoes are in a condition and in effect immediately dangerous to life and health and constitute a public nuisance; and be it further

Resolved, that the Board of Health hereby declares that such nuisances are widespread throughout the City; and be it further

Resolved, that all persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York and such other chapters, titles, sections, laws or rules as are applicable thereto, have the duty or liability to abate such nuisances and conditions in effect dangerous to life and health, are hereby ordered to forthwith abate such nuisances and conditions in effect dangerous to life and health by eliminating such accumulations of water and the conditions conducive to further accumulation, or by otherwise eliminating the capacity of accumulated water to support mosquito breeding; and be it further

Resolved, that in the event that such persons or any of them shall fail to comply with this order within five days after service thereof pursuant to §17-148 of the Administrative Code of the City of New York, the Department of Health and Mental Hygiene is hereby authorized and directed to take all necessary steps to forthwith secure the abatement of said nuisances and conditions in effect dangerous to life and health.

Resolved further, that this resolution shall take effect immediately.

NEGATIVE DECLARATION

Project Identification
CEQR No. 06DCP038M
ULURP No. 060183 ZAM
SEQRA Classification: Type I

Lead Agency
City Planning Commission
22 Reade Street
New York, NY 10007
Contact: Robert Dobruskin

Name, Description, and Location of Proposal:
36 Laight Street

The applicant, Fantis Foods, Inc. is requesting an Authorization by the City Planning Commission pursuant to Zoning Resolution (ZR) Section 111-23 to modify the use regulations of ZR Section 111-101 to allow loft dwellings below the third floor of a building in the Special Tribeca Mixed-Use district. The project site is located at 36 Laight Street (Block 220, Lot 27) between Hudson and Varick Streets in Manhattan Community District 1. It is also located in an M1-5 zoning district in the Tribeca Historic District.

The proposed action would facilitate the conversion of the first floor of a seven-story building into two residential loft dwelling units; one measuring 1,250 square feet and the other 1,780 square feet with 701 square feet of common space for a total of 3,732 square feet.

The second floor of the building has been converted into loft dwellings pursuant to a previous Authorization (ULURP No. N 010522 ZAM, CEQR No. 01DCP057M) approved by the City Planning Commission on June 6, 2002. Floors 3 through 7 have been converted to loft dwellings as of right.

Statement of No Significant Effect:
The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated April 19, 2006, prepared in connection with the ULURP Application (ULURP No. 060183 ZAM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:
The above determination is based on an environmental assessment which finds that no significant effects on the environment which would require an Environmental Impact Statement are foreseeable. This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617. SEQRA Classification: Unlisted

Lead Agency
City Planning Commission
22 Reade Street
New York, NY 10007

(212) 720-3423

Name, Description and Location of Proposal:

Victory Boulevard Residence for the Elderly
The applicant, Community Agency for Senior Citizens, seeks authorization on a zoning lot or portion of a zoning lot having a steep slope or steep slope buffer and certain uses within the Special Hillside Preservation District (SHPD) pursuant to the Zoning Resolution (ZR) sections 119-311 and 119-312. The applicant also seeks modification of landscaping, tree preservation, tree planting requirements, and grading controls pursuant to ZR sections 119-313 and 119-316.

The proposed action would facilitate a proposal by the applicant to develop a six-story, 32,910 sq. ft. community facility building, in an R5/C2-1 zoning district within the SHPD. The proposed building would contain a total of 39 one-

bedroom dwelling units for the residents in addition to social, welfare, and community rooms, a 1,122 sq. ft. convenience store, a 1,821 sq. ft. non-commercial art gallery, and a fourteen (14) space on-site accessory parking lot.

The subject site (Block 569, Lots 103, 107, 109, 113, 114, and Tent Lot 103) is located on the south side of Victory Boulevard, 50 feet east of Fiedler Avenue, in Community Board 1, in the New Brighton section in the Borough of Staten Island.

The subject site is undeveloped and consists of wooded land with scattered trees and underbrush. The site is rectangularly shaped, with 225 feet of frontage along Victory Boulevard, at a depth of 75 feet, with a total area of 16,877 square feet. Under the regulations of the SHPD, the property is classified as Tier II (a zoning lot having an average percent of slope equal to or greater than ten percent) with an average slope of 22.60 percent.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated February 23, 2007, prepared in connection with the ULURP Application (No. N050213 ZAR). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

1. The applicant agrees via a restrictive declaration to prepare a hazardous materials sampling protocol including a health and safety plan, which would be submitted to the Department of Environmental Protection (DEP) for approval. The applicant agrees to test and identify any potential hazardous material impact pursuant to the approved sampling protocol and, if any such impact is found, submit a hazardous material remediation plan including a health and safety plan to DEP for approval. If necessary, remediation measures would be undertaken pursuant to the remediation plan.

   The restrictive declaration also restricts the manner in which the property may be developed or redeveloped, by requiring the sampling protocol and remediation measures to serve as a condition precedent to any change of use in any such development or redevelopment of the property.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

1. A Phase I Environmental Site Assessment (ESA) and a limited Phase II ESA, available in the proposal's CEQR file, was prepared in December 2005 for the project site. The Phase I ESA and limited Phase II ESA were reviewed by DEP's Office of Environmental Planning and Assessment, and a restrictive declaration was recommended by DEP, due to the potential presence of hazardous materials on the site as a result of past and present adjacent land uses. The declaration requires that detailed Phase II testing would occur and is binding upon the property's successors and assigns. The declaration serves as a mechanism to assure the potential for hazardous material contamination that may exist in the sub-surface soils and groundwater on the project site would be characterized prior to any site disturbance (i.e., site grading, excavation, demolition, or building construction).

With the implementation of the condition described above, no significant adverse impact related to hazardous materials would occur.

2. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before preceding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Project Title: 4864 Arthur Kill Road
CEQR No. 06DCP045R
ULURP No. N060182 RAR
Community District 3, Staten Island

The proposal involves an application by Arthur Kill Land Development LLC for an authorization pursuant to Zoning Resolution (ZR) Section 107-68 to allow more than 30 off-street parking spaces accessory to a commercial development located within the Special South Richmond Development District. The project site area is generally bounded by Arthur Kill Road, Richmond Valley Road, South Bridge Street and Page Avenue. The site is located within the Richmond Valley neighborhood of Community District 3, Staten Island.

The proposed action would facilitate the development of a 4-story commercial office and retail building on a 42,113 square-foot site (Block 7584, Lot 65). The proposed commercial development would contain 10,823 square feet of retail space on the ground floor, 12,272 square feet of office space on floors 2 through 4, and a 77-space accessory parking lot. The development would be accessed via a curb cut on Arthur Kill Road.

The site is currently vacant and located within an underlying M1-1 zoning district of the Special South Richmond Development District. The underlying M1-1 zoning allows light manufacturing and commercial uses built to an FAR of 1. The zoning on the project site would not change with the proposed action. The applicant is also seeking an authorization to modify topography, pursuant to ZR Section 107-65, which is not subject to CEQR review. The proposed development is expected to be completed in 2007.

Statement of No Significant Effect Upon Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated February 13, 2007, prepared in connection with ULURP Application (N060182 RAR). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

1. Hazardous Materials

- Upon completion of the subsurface investigation activities, the applicant agrees to submit to the New York City Department of Environmental Protection (DEP) a Phase II subsurface investigation report for DEP's review and approval. The report will summarize the proposed soil and groundwater sampling activities and include a site map depicting the proposed soil and groundwater boring locations. At least two soil samples should be collected from each of the test borings).
- The soil and groundwater samples must be analyzed for the presence of Target Compound List Volatile Organic Compounds (VOCs), Semi-VOCs, Pesticides/Polychlorinated Biphenyls (PCBs) and Target Analyte List Metals.
- An investigative health and safety plan must be submitted to DEP for review and approval.
- The applicant has entered into a restrictive declaration with the DEP which would bind the applicant to Phase II testing. In written correspondence dated January 3, 2007, the DEP stated its acceptance of the terms of the restrictive declaration. The restrictive declaration will be recorded for Block 7584, Lot 65) to ensure that the potential hazardous materials issues are adequately addressed prior to and during construction activities.

Supporting Statement:

1. Hazardous Materials

   The above determination is based on an environmental assessment which finds that as a result of historic on-site/off-site land uses and/or potentially concerning environmental conditions such as an adjacent gas station and demolition and grading activities of the proposed project, there is the potential for hazardous material contamination in the future with the proposed action.

   With implementation of the above recommendations related to hazardous materials, the proposed action would not pose a significant environmental or health risk to on-site workers and/or future occupants.

   A Restrictive Declaration has been submitted by the applicant, NYHQ, that addresses all of DEP's recommendations, as described above. With the institution of the Restrictive Declaration for properties under the applicant's control, the potential for significant adverse hazardous materials impact would be avoided.

4. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before preceding further with said proposal.

This Conditional Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Project Title: 839 6th Avenue Parking Garage
CEQR No. 07DCP008M
ULURP No. 070073 ZSM
Community District 5, Manhattan

The proposal involves an application by Carlisle 839 LLC, for a special permit pursuant to Zoning Resolution (ZR) Sections 13-562 and 74-52 to allow a 529-space attended public parking garage. The proposed action would facilitate a proposal by the applicant to construct a public parking garage on four below-grade levels of a 522-foot tall (46-story) mixed-use residential and commercial building to be developed at 839 Sixth Avenue (Block 805, Lots 57 and 59) in Chelsea, Community District 5, Manhattan. The proposed building would contain a 256-room hotel, 224 dwelling units and 3,003 gsf of retail space. The project site is currently developed with a two-story public parking garage with a licensed capacity of 560 spaces and approximately 13,700 square feet of vacant retail storferonts.

The proposed development would utilize air rights from an adjacent lot (Lot 57) and gain additional floor area by providing an urban plaza pursuant to a Chairperson's Certification under ZR Section 37-04. An open air café would be located in the urban plaza, which was approved by a Chairperson's Certification pursuant to ZR Section 37-04 (g). Certifications are not subject to CEQR review.

The proposed garage is located on the west side of Sixth Avenue, between West 29th and West 30th streets and is partially within a C6-4X and an M1- 6 zoning district. C6-4X districts allow residential and commercial uses and have an FAR of 10. M1-6 zoning districts allow light manufacturing and commercial uses and have an FAR of 10. Public parking garages are not allowed in either zoning district.
The entrance and exit for the new garage would be provided via two existing curb-cuts on West 29th and West 30th streets.

The portion of the project site proposed for redevelopment (Block 805, Lot 59) is currently occupied by an existing two-story public parking garage and sixteen vacant storefronts which were formerly occupied with retail uses. The existing garage is accessed via three curb cuts located on Sixth Avenue, West 29th Street and West 30th Street. (A demolition permit for the garage was issued by the New York City Department of Buildings on February 8, 2007 and demolition of the garage has begun.)

Under no-build conditions, the existing garage would be demolished and the site would be redeveloped with a new mixed-use, 454-foot tall (39-story) building containing a hotel and residential tower and a public parking garage with a capacity for 560 spaces. The garage would be designed in conformance with the existing garage special permit and would be located in one below- grade level and three above-grade levels of the development. Under no-build conditions, the area of the parking garage would be reduced (in comparison to the size of the existing garage) due to the building cores and columns associated with the mixed-use tower. The 560-space capacity of the garage would be maintained through the use of 54 double-high stackers on the third level and the garage would continue to be accessed via the there existing curb cuts on Sixth Avenue, West 29th Street and West 30th Street. The overall effects of the proposed action include a net loss of 31 public parking spaces, the elimination of a curb cut on Sixth Avenue, and a tower which is approximately 68 feet taller than the tower assumed under the No-Build condition. The proposal is expected to be completed in 2009.

Statement of No Significant Effect Upon Modification:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement dated February 22, 2007, prepared in connection with ULURP Application (070073 ZSM). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment, once it is modified as follows:

1. Hazardous Materials

   The applicant agrees to perform a Phase II testing program with respect to the subject property (Block 805, Lot 59) under the supervision of the NYC Department of Environmental Protection (DEP) in accordance with the terms of a Restrictive Declaration prior to any actions by the City Planning Commission in connection with this application.

Supporting Statement:

1. Hazardous Materials

   The above is based on a determination by the Bureau of Environmental Planning and Analysis of the New York City Department of Environmental Protection (DEP). Correspondence dated December 15, 2006 from DEP stated that as a result of urban fill material from historic demolition or back-filling activities, the potential presence of hazardous materials exists on the site. Therefore, the applicant will enter into a Restrictive Declaration that requires, prior to development, a DEP-approved protocol of sampling, testing, and if necessary remediation in order to avoid the potential for significant adverse hazardous material impacts on the subject property (Block 805, Lot 59). The following is a summary of the proposed key terms and conditions of the Restrictive Declaration:

- The Declarant shall agree that no further application for foundation, alteration, or new building permit respecting the Subject Property shall be submitted to or accepted from the Department of Buildings prior to the receipt of a Notice of Satisfaction, Notice of No Objection, Notice to Proceed or a Final Notice of Satisfaction from NYCDEP.
- In order to obtain a Notice of Satisfaction from the NYCDEP, the Declarant shall test and identify any potentially hazardous materials pursuant to a NYCDEP approved Sampling Protocol prepared by a qualified consultant and including a health and safety plan.
- If any hazardous materials are identified during this investigation, the Declarant shall submit, for the NYCDEP's review and approval, a hazardous materials remediation plan (that includes a health and safety plan). Upon NYCDEP approval of the Remediation Plan, the Declarant shall provide for the remediation of the hazardous materials and any related impacts in accordance with such NYCDEP approved Remediation Plan.
- In the event that the NYCDEP issues a Notice of Satisfaction for the Subject Property, after the NYCDEP has determined that the Declarant has satisfactorily completed the work set forth in the Sampling Protocol and the results of such sampling (i) identified that no remediation was required, or (ii) the Remediation Plan has been prepared, accepted and fully completed to the satisfaction of the NYCDEP.
- If the Notice of Satisfaction indicates that no hazardous materials contamination was identified on the Subject Property, or that all hazardous contamination has been remediated, the Declarant may request that the NYCDEP issue a Notice of Cancellation for this Restrictive Declaration in recordable form.
- Finally, the satisfaction of the obligations set forth in the Declaration shall not relieve the Declarant of any additional requirements that may be imposed by Federal, State or Local Laws.

  With these measures in place, the proposed action would not result in the potential for a significant hazardous materials impact or pose a health risk to workers or future occupants of the site.

2. No other significant adverse effects on the environment which would require an Environmental Impact Statement are foreseeable.

It is fully agreed and understood that if the foregoing conditions, modification, and alterations are not fully incorporated into the proposed action, this Conditional Negative Declaration shall become null and void. In such event, the applicant shall be required to prepare a Draft Environmental Impact Statement before preceding further with said proposal.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists–free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CITY PLANNING

■ **NOTICE**

PROPOSED ANNUAL PERFORMANCE REPORT (APR)
2006 CONSOLIDATED PLAN PROGRAM YEAR
COMMENT PERIOD - March 14 - March 28, 2007

The Proposed 2006 Consolidated Plan Annual Performance Report (APR) Public Comment Period will be from March 14th to March 28th. This document describes the City's performance concerning the: statutory requirements of the Cranston-Gonzalez Housing Act's Comprehensive Housing Affordability Strategy, and the City's use of the four U.S. Department of Housing and Urban Development (HUD) Community Planning and Development formula entitlement programs: Community Development Block Grant (CDBG); HOME Investment Partnerships (HOME); Emergency Shelter Grant (ESG); and Housing Opportunities for Persons with AIDS (HOPWA). The APR reports on the accomplishments and commitment of these funds during the 2006 program year, January 1, 2006 to December 31, 2006. In addition, a One-Year update of the City's Affirmatively Furthering Fair Housing (AFFH) Statement is included.

As of March 14, 2007, copies of the Proposed APR can be obtained at the Department of City Planning Bookstore, 22 Reade Street, Manhattan, Monday - Friday; 10:00 A.M. - 4:00 P.M. In addition, copies of the Proposed APR will be available for review at the main public library in each of the five boroughs. Please call (212) 720-3444 for information on the closest library.

The public comment period ends close of business March 28, 2007. Written comments should be sent to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 22 Reade Street, 4N, New York, N.Y. 10007.

SUPREME COURT

■ NOTICE

BRONX COUNTY
IA PART 6
NOTICE OF PETITION
INDEX NUMBER 737/07

In the Matter of the Application of the

NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,

Petitioner,

To acquire by exercise of its powers of Eminent Domain Title in Fee Simple absolute to certain real property known as Tax Block 4894, Lot 1, located in the Borough of the Bronx, City of New York, in connection with the construction of Early Childhood Center - Bronx

PLEASE TAKE NOTICE that, upon the annexed petition of the New York City School Construction Authority (the "Authority"), duly verified on the 21st day of February, 2007, by Sharon L. Greenberger, President and Chief Executive Officer of the Authority, Petitioner shall move this Court on the 26th day of March, 2007 at 2:00 P.M., or as soon thereafter as counsel may be heard, at I.A. Part 6, of this Court, to be held at the Courthouse thereof, located at 851 Grand Concourse, Room 705, Bronx, New York, for an order:

a) granting the Petition in all respects;
b) authorizing the Authority to file the Acquisition Map in the Office of the County Clerk or the Office of the City Register of Bronx County;
c) directing that, upon the filing of the Order of this Court and the Acquisition Map, title and possession to the property shown on said Map shall vest in the Authority, said property consisting of all that certain plot, piece or parcel of land, comprising Tax Block 4894 Lot 1, with any buildings and improvements thereon, erected, situated, lying and being in the Borough Of the Bronx, County of Bronx, State of New York, bounded and described as follows:

Beginning at the corner formed by the intersection of the northerly side of Boston Road with the westerly side of Baychester Avenue;

Running thence northerly along the westerly side of Baychester Avenue, 107.88 feet to a point;

Running thence westerly at right angles to the westerly side of Baychester Avenue, 200.00 feet to the easterly side of Edson Avenue;

Running thence southerly along the easterly side of Edson Avenue, 118.90 feet to the northerly side of Boston Road;

Running thence easterly along the northerly side of Boston Road, 200.30 feet to the corner the point or place of beginning; containing 22,678 square feet or 0.5206 acres.

The parcel described above consists of Tax Lot 1 in Tax Block 4894 as shown on the Tax Map of The City of New York for the Borough of the Bronx, as said Tax Map existed on October 30, 2006.

(The above-described property is hereafter referred to as the "Property").

d) determine all claims for just compensation arising from the acquisition of said Property and that such claims shall be heard without a jury and without referral to a referee or commissioner;
e) directing that, within thirty (30) days after the entry of the Order of this Court, the Authority shall cause a Notice of Acquisition to be served upon each condemnee or such condemnee's attorney of record;
f) directing that all claimants have a period of one hundred eighty (180) days from the date of service of the Notice of Acquisition within which to file a written claim or notice of appearance; and
g) granting such other and further relief as this Court deems just and proper.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

NYC BUSINESS SOLUTIONS TRAINING GRANT – Other – PIN# RFA801WDC005 – DUE 03-28-07 AT 5:00 P.M. – The New York City Department of Small Business Services is pleased to announce up to $1 million in grants available to train and advance your employees. The NYC Business Solutions Training Grant is designed to grow the City's economy by enabling employees to create and retain jobs, increase wages, build skills, and help workers advance in their careers.

To date, New York City has awarded over $2.3 million to 26 growing companies to train 1,477 New Yorkers, matched by $3.2 million in employer contributions. Up to $1 million is available in this round for employers in the following sectors: Aviation, Construction, Film/Media, Financial Services, Healthcare/Bioscience, Hospitality/Tourism, Industrial/ Manufacturing, Retail, and Technology. The grant can fund up to 50 percent of eligible training costs ($300,000 maximum), with the employer paying the balance. Please visit http://www.nyc.gov/training to access a copy of the application or for additional information and instructions. If you have any questions, please contact us at training@sbs.nyc.gov All applications are due by March 28, 2007.

Significant improvements were made to the grant, enabling us to fund a greater range of business training needs. In addition to occupational training, the grant will now fund Work Readiness Training, which includes, but is not limited to, adult literacy and numeracy (reading and math), English as a Second Language (ESL), and workplace behavior skills (such as timeliness, communication, and interpersonal skills). This improvement will increase your ability to find and keep qualified workers.

AGENCY RULES

HEALTH AND MENTAL HYGIENE

■ NOTICE

The following resolution was adopted by the Board of Health on April 18, 2000. This resolution is utilized by the Department of Health and Mental Hygiene every year since 2000. The Department suspends its use on October 31st of each year because the threat of mosquito breeding during cold weather subsides. From March 15, 2007 through October 31, 2007, the Resolution will again be in full force and effect. The Department intends to again fully exercise the authority granted by the Board of Health Resolution, including the immediate abatement of standing water conditions, to prevent the breeding and proliferation of mosquitoes during the 2007 mosquito season. Therefore, in order to ensure proper public notification, the Department of Health and Mental Hygiene is republishing the Resolution in accordance with §17-148 of the Administrative Code of the City of New York.

Resolution of the Board of Health of the Department of Health and Mental Hygiene of the City of New York

At a meeting of the Board of Health of the Department of Health and Mental Hygiene held April 18, 2000, the following resolution was adopted:

Whereas, the Board of Health has taken and filed among its records reports that in areas throughout the City of New York there are sunken lots, property below grade, or other places which are insufficiently drained and where water may accumulate and stagnant water may collect; and

Whereas, upon these and other properties, there are household and other items including, but not limited to, tires, flower pots, household or other containers such as, trash, garbage and recycling containers without drainage holes, roof gutters clogged with leaves or other debris, swimming and wading pools, bird baths, swimming pool covers, outdoor plumbing fixtures and hose bibs dripping water to the ground and other materials, appurtenances and fixtures which allow the accumulation of water; and

Whereas, such accumulations of water create conditions conducive to insect life in general, and to the breeding and nurturing of mosquitoes in particular; and

Whereas, certain mosquitoes have been found to harbor viral diseases, including West Nile Virus/encephalitis, which are transmissible to and may be fatal to humans; and

Whereas, mosquitoes breed rapidly, and the potential presence of West Nile Virus is immediately dangerous to life and health; and

Whereas, the Board of Health regards the aforesaid reports as sufficient proof to authorize the declaration that any accumulations of water in which mosquitoes may breed are in a condition and in effect immediately dangerous to human life and health and constitute a public nuisance; and

Whereas, immediate abatement of such nuisances is necessary to prevent the breeding and proliferation of infectious mosquitoes; and

Whereas, personal service or service pursuant to subdivisions (a) or (b) of §17-148 of the Administrative Code of the City of New York of orders requiring the abatement of such nuisances and conditions in effect dangerous to life and health upon each of the persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York, has a duty or liability to abate such nuisances and conditions, would result in a delay prejudicial to the public health, welfare, and safety; now, therefore, be it

Resolved, that the Board of Health hereby declares that such places having an accumulation of water capable of breeding mosquitoes are in a condition and in effect immediately dangerous to life and health and constitute a public nuisance; and be it further

Resolved, that the Board of Health hereby declares that such nuisances are widespread throughout the City; and be it further

Resolved, that all persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York and such other chapters, titles, sections, laws or rules as are applicable thereto, have the duty or liability to abate such nuisances and conditions in effect dangerous to life and health, are hereby ordered to forthwith abate such nuisances and conditions in effect dangerous to life and health by eliminating such accumulations of water and the conditions conducive to further accumulation, or by otherwise eliminating the capacity of accumulated water to support mosquito breeding; and be it further

Resolved, that in the event that such persons or any of them shall fail to comply with this order within five days after service thereof pursuant to §17-148 of the Administrative Code of the City of New York, the Department of Health and Mental Hygiene is hereby authorized and directed to take all necessary steps to forthwith secure the abatement of said nuisances and conditions in effect dangerous to life and health.

Resolved further, that this resolution shall take effect immediately.

DATE ISSUED: March 6, 2007

TYPE OF ACTION: Type I

NAME, LOCATION AND DESCRIPTION OF PROPOSAL:

Oak Point Detention Facility
Block 2604, Lot 174, and (partial) Lots 252, 195, 140, 74;
Block 2606, (partial) Lots 63, 5, 2 and 1.
Bound by nearest streets Bruckner Boulevard to the north, East 149th Street to the west, the East River to the south, and Barry Street/Oak Point Avenue the east.
Community District #2, Borough of the Bronx

The Proposed Actions include acquisition of a 27-acre parcel and the construction of the Oak Point Detention Facility (or the Proposed Project) on part of the site, as well as the related actions that are necessary to enable site acquisition and the development of the proposed facility. The site is an unpermitted solid waste management facility that received construction and demolition material that will be reconfigured and properly closed as part of the Proposed Actions. Proposed to be constructed on a 12-acre upland portion of the site, the Oak Point Detention Facility would be designed for 960 cells and 1,080 dormitory beds (plus 60 nursery and infirmary beds) to house a total of approximately 2,040 male and female detainees. Each 60-bed housing wing would have its own required recreation area. The proposed facility would contain approximately 900,000 gross square feet (gsf) of space and employ a workforce of approximately 800 persons over three shifts. Detainee housing would occupy the majority of the facility space; the remainder would be for visitor's space, health services, food preparation, administrative space, staff space, storage space, mechanical space, etc. The Proposed Project also includes a kitchen facility that would prepare meals for inmates in the new jail and up to three other jails within the City of New York. In addition, approximately 600 parking spaces would be provided on-site in parking lots and a multi-level parking structure, for correction officers and civilian staff as well as visitors to the facility. Construction of the Proposed Project is expected to be completed in 2013.

As the Proposed Project involves discretionary land use actions, the construction of a public facility and a public street, it requires the preparation of a Uniform Land Use Review Procedure (ULURP) application. The anticipated ULURP actions include: a City map change (street mapping action), site selection for a capital project (including a fair share analysis pursuant to Section 203 of the New York City Charter),[1] and real property acquisition. These related actions would require approval/certification from the New York City Planning Commission (CPC) and the City Council. Also from CPC, the Proposed Project would require a special zoning permit for development over a railroad right-of-way pursuant to Section 76-78 of the Zoning Resolution of the City of New York (ZRCNY). The Proposed Project also would require applicable permits and approvals from additional City and State agencies, such as New York State Department of Environmental Conservation (NYSDEC) approval for modifying the previously accepted Part 360 Closure Plan for the site, New York City Department of Environmental Protection (NYCDEP) approval to extend sewer and water service to the site, approval from New York City Department of Transportation (NYCDOT) for curb cuts, approval from the Metropolitan Transportation Authority (MTA) to extend bus service to the area of the proposed facility, and a Waterfront Revitalization Program consistency review. Additional approvals that may be warranted include a State Pollution Discharge Elimination System (SPDES) permit from NYSDEC for stormwater discharge, a wetland adjacent area coverage variance or tidal wetland permit from NYSDEC due to potential construction activity in or adjacent to a tidal wetland, and/or a permit from the U.S. Army Corps of Engineers (USACE) due to such construction activity in a tidal wetland. The Proposed Project also is expected to utilize existing subsurface and ground easements and real property acquisitions for the purposes of extending utilities to the site and providing site access, respectively.

Currently zoned M3-1 for heavy industrial uses, the site is located in the Hunts Point section of the South Bronx, west of Barry Street, east of East 149th Street, south of Bruckner Boulevard, and north of the East River. The site is an unpermitted solid waste management facility that received construction and demolition material and is known to contain some level of contamination. The Proposed Actions include acquisition of the entire site due to the need to effectively close and manage the existing facility and modify the existing Part 360 Closure Plan.

The site is an approximate 27-acre parcel that includes approximately six acres south of the shoreline within the East River. The 12-acre area that would be developed with the proposed detention facility and ancillary structures is located at the upland portion of the site. Approximately three acres of the site would be used to develop a new public street, as described below. The remainder of the site (less than six acres) adjacent to the waterfront would be re-graded with appropriate cap and design applied to close and maintain this portion of the solid waste management facility.

The Proposed Actions include the utilization of existing property easements and acquisition of real property, to enable the creation of a public street through the site that would connect Oak Point Avenue at Barry Street (east of the site) with East 149th Street at its southern terminus (west of the site). The roadway would be a westward extension of Oak Point Avenue through the site, and would extend through the neighboring property west of the site where it connects to East 149th Street. Sewer and water service and other subsurface utilities would be brought to the site below the eastern portion of the roadway. Roadway work and related activities (i.e., wetlands permitting, bulkhead stabilization, etc.) would be part of the Proposed Project as necessary.

[1] A fair share analysis is a New York City Charter mandate with the goal of ensuring the equitable geographic distribution of public facilities.

STATEMENT OF SIGNIFICANT EFFECT:

In accordance with Executive Order 91 of 1977, as amended, and the Rules of Procedure for the City Environmental Quality Review, found at Title 62, Chapter 5 of the Rules of the City of New York (CEQR), the New York City Department of Correction, lead agency for the referenced project, has reviewed information regarding the proposed actions contained in the Environmental Assessment Statement (EAS), dated January 26, 2007 pursuant to article 8 of the New York State Environmental Conservation Law and 6 NYCRR, Part 617, and has determined that the proposed action may have a significant effect on the quality of the human environment. Accordingly, an Environmental Impact Statement is required to evaluate and disclose the extent to which impacts may occur. Aspects of the project that require evaluation of potential environmental effects include:

1) The potential for substantial impacts to traffic, transit and pedestrian circulation.
2) The potential for substantial impacts related to mobile and stationary source air quality.
3) The potential for substantial impacts on neighborhood character and visual resources.
4) The potential for hazardous material conditions to exist at the project site and potential for the proposed action to affect those conditions.
5) The potential for the project to generate substantial noise impacts.

Statement in Support of Determination:

The above determination is based on a review of the EAS prepared for the action that finds that:

1) The proposed action may generate a substantial number of vehicular and pedestrian trips resulting in significant adverse traffic and pedestrian impacts on the local transportation network;
2) The proposed action may result in significant increases in mobile source emissions from project-generated trips and potential increases in stationary source emissions from building HVAC systems.
3) The proposed action may affect neighborhood character and visual resources since it would result in changes of the use, intensity, and built form of the site, which is located adjacent to the waterfront.
4) The site is an unpermitted solid waste management facility that received construction and demolition material and the area surrounding the site has manufacturing uses indicating the potential for subsurface hazardous (or otherwise regulated) materials to be present. Since such areas may be encountered during construction, the potential for significant adverse impacts exists. The existing Part 360 Closure Plan for the site will need to be modified as the site will be reconfigured.
5) The proposed action may generate a substantial number of vehicular trips which may result in significant increases in noise.

Accordingly, the New York City Department of Correction directs that a Draft Environmental Impact Statement be prepared in accordance with 6 NYCRR 617.9(b) and Sections 6-08 and 6-09 of Executive Order No. 91 of 1997, as amended.

Public Scoping:

Public Scoping is a process whereby the public is invited to comment on the proposed scope of analysis planned for the Draft EIS. A Scoping Document has been prepared outlining the study areas and analysis methodologies proposed for use in the Draft EIS.

The Public Scoping meeting will be held on April 16, 2007 at 6:00 PM at the New South Bronx Police Athletic League facility at 991 Longwood Avenue, Bronx, New York 10028. A copy of the Scoping Document and the EAS for the project may be obtained by any member of the public from the address listed below:

New York City Department of Correction
60 Hudson Street
New York, New York 10013
(212) 266-1317

Requests for additional information may be directed to:

Mr. Robert Maruca
Deputy Commissioner

Written comments will be accepted through April 26, 2007 and may be submitted at the public scoping meeting or to Mr. Robert Maruca at the above address.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council,** 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SUPREME COURT

■ NOTICE

BRONX COUNTY
IA PART 6
NOTICE OF PETITION
INDEX NUMBER 737/07

In the Matter of the Application of the

NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,

Petitioner,

To acquire by exercise of its powers of Eminent Domain Title in Fee Simple absolute to certain real property known as Tax Block 4894, Lot 1, located in the Borough of the Bronx, City of New York, in connection with the construction of Early Childhood Center - Bronx

PLEASE TAKE NOTICE that, upon the annexed petition of the New York City School Construction Authority (the "Authority"), duly verified on the 21st day of February, 2007, by Sharon L. Greenberger, President and Chief Executive Officer of the Authority, Petitioner shall move this Court on the 26th day of March, 2007 at 2:00 P.M., or as soon thereafter as counsel may be heard, at I.A. Part 6, of this Court, to be held at the Courthouse thereof, located at 851 Grand Concourse, Room 705, Bronx, New York, for an order:

a) granting the Petition in all respects;
b) authorizing the Authority to file the Acquisition Map in the Office of the County Clerk or the Office of the City Register of Bronx County;
c) directing that, upon the filing of the Order of this Court and the Acquisition Map, title and possession to the property shown on said Map shall vest in the Authority, said property consisting of all that certain plot, piece or parcel of land, comprising Tax Block 4894 Lot 1, with any buildings and improvements thereon, erected, situated, lying and being in the Borough Of the Bronx, County of Bronx, State of New York, bounded and described as follows:

Beginning at the corner formed by the intersection of the northerly side of Boston Road with the westerly side of Baychester Avenue;

Running thence northerly along the westerly side of Baychester Avenue, 107.88 feet to a point;

Running thence westerly at right angles to the westerly side of Baychester Avenue, 200.00 feet to the easterly side of Edson Avenue;

Running thence southerly along the easterly side of Edson Avenue, 118.90 feet to the northerly side of Boston Road;

Running thence easterly along the northerly side of Boston Road, 200.30 feet to the corner the point or place of beginning; containing 22,678 square feet or 0.5206 acres.

The parcel described above consists of Tax Lot 1 in Tax Block 4894 as shown on the Tax Map of The City of New York for the Borough of the Bronx, as said Tax Map existed on October 30, 2006.

(The above-described property is hereafter referred to as the "Property").

d) determine all claims for just compensation arising from the acquisition of said Property and that such claims shall be heard without a jury and without referral to a referee or commissioner;
e) directing that, within thirty (30) days after the entry of the Order of this Court, the Authority shall cause a Notice of Acquisition to be served upon each condemnee or such condemnee's attorney of record;
f) directing that all claimants have a period of one hundred eighty (180) days from the date of service of the Notice of Acquisition within which to file a written claim or notice of appearance; and
g) granting such other and further relief as this Court deems just and proper.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

COUNTY OF NEW YORK
NOTICE OF FORECLOSURE
In Rem Tax Foreclosure Action No. 48
Borough of Manhattan
Sections 6, 7, and 8
Tax Classes 1 and 2
INDEX NO. 580001/2007

PLEASE TAKE NOTICE THAT on the 9th day of February, 2007, the Commissioner of Finance of the City of New York, pursuant to law, filed with the Clerk of New York County, a list of parcels affected by unpaid tax liens held and owned by said City of New York, which on the 9th day of February, 2007, had been unpaid for a period of at least one year, or in the case of Tax Class One and Tax Class Two properties that are residential condominium units or residential cooperative buildings and multiple dwellings owned by companies organized under Article XI of the New York State Private Housing Finance Law, with the consent and approval of the Department of Housing Preservation and Development, three years after the date when tax, assessment, or other legal charge became a lien. Said list contains as to each such parcel (a) a brief description of the property affected by such tax liens, (b) the name of the owner of such property as the same appeared on the annual record of assessed valuation at the time of filing or a statement that the owner is unknown if such be the case, (c) a listing of such tax liens upon such parcels, including those which caused the property to be subject to the foreclosure proceeding and those which accrued thereafter, together with the date or dates from which, and the rate or rates at which interest and penalties thereon shall be computed.

The filing of this list of delinquent taxes constitutes the commencement by the City of New York of an action in the Supreme Court, New York County, to foreclose the tax liens therein described by a foreclosure proceeding in rem and this list constitutes a notice of pendency of action and a complaint by the City of New York against each piece or parcel of land therein described to enforce the payment of such tax liens.

Such action is brought against the real property only and is to foreclose the tax liens described in such list. No personal judgment shall be entered herein for such taxes, assessments or other legal charges or any part thereof.

A certified copy of such list of delinquent taxes has been filed in the Manhattan Business Center, 66 John Street, Second Floor, New York, NY 10038, and will remain open for public inspection up to and including the 11th day of May, 2007, which date is hereby fixed as the last date for redemption.

Any party or entity having or claiming to have an interest in any such parcel and the legal right thereto may on or before said date redeem the same by paying the Commissioner of Finance, at 66 John Street, Second Floor, New York, NY 10038, or any Borough Business Center, the amount of all such unpaid tax liens thereon and in addition thereto all interest and penalties which are a lien against such real property computed to and including the date of redemption.

And take further notice that during the same period such party or entity may request the Commissioner of Finance to enter into an agreement for installment payments as provided under Sections 11-405 and 11-409 of the Administrative Code.

Every person or entity having any right, title or interest in or lien upon any parcel described on such list of delinquent taxes may serve a duly verified answer upon the Corporation Counsel setting forth in detail the nature and amount of his interest or lien, any defense or objection to the foreclosure and the full name of the answering party. Such answer must be filed in the office of the Clerk of New York County and served upon the Corporation Counsel at any time after the first date of publication but not later than twenty days after the date above mentioned as the last day for redemption, which shall be May 31st, 2007. In the event of failure to redeem or answer, such person shall be, except as provided in Sections 11-407(c), 11-412.1 and 11-424 of the Administrative Code, forever barred and foreclosed of all his right, title and interest and equity of redemption in and to the parcel described in such list of delinquent taxes and a judgment of foreclosure may be taken in default.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above.

Services (Other Than Human Services)

NYC BUSINESS SOLUTIONS TRAINING GRANT – Other – PIN# RFA801WDC005 – DUE 03-28-07 AT 5:00 P.M. – The New York City Department of Small Business Services

is pleased to announce up to $1 million in grants available to train and advance your employees. The NYC Business Solutions Training Grant is designed to grow the City's economy by enabling employees to create and retain jobs, increase wages, build skills, and help workers advance in their careers.

To date, New York City has awarded over $2.3 million to 26 growing companies to train 1,477 New Yorkers, matched by $3.2 million in employer contributions. Up to $1 million is available in this round for employers in the following sectors: Aviation, Construction, Film/Media, Financial Services, Healthcare/Bioscience, Hospitality/Tourism, Industrial/ Manufacturing, Retail, and Technology. The grant can fund up to 50 percent of eligible training costs ($300,000 maximum), with the employer paying the balance. Please visit http://www.nyc.gov/training to access a copy of the application or for additional information and instructions. If you have any questions, please contact us at training@sbs.nyc.gov. All applications are due by March 28, 2007.

Significant improvements were made to the grant, enabling us to fund a greater range of business training needs. In addition to occupational training, the grant will now fund Work Readiness Training, which includes, but is not limited to, adult literacy and numeracy (reading and math), English as a Second Language (ESL), and workplace behavior skills (such as timeliness, communication, and interpersonal skills). This improvement will increase your ability to find and keep qualified workers.

Two Pre-Submission Information Sessions: attend one of two sessions that with take place at the NYC Department of Small Business Services, 7th Floor, 110 William Street, New York, NY 10038 on March 7, 2007. Businesses and intermediaries planning to apply may register for the sessions by sending an email to training@sbs.nyc.gov, indicating the organization's name and which session they will attend, 9:30 A.M. - 11:00 A.M. or 1:30 P.M. - 3:00 P.M.

Statement of Basis and Purpose of Proposed Rule

The Environmental Control Board (ECB) is making the following revisions to the ECB Penalty Schedules:

1) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the penalty amounts for New York City Administrative Code Section 27-987, "Failure to maintain elevator," and for New York City Administrative Code Section 27-987 "Failure to maintain elevator – HAZARDOUS." These penalty amounts are being changed to impose higher penalties on those offenders who repeatedly violate this section of law. These higher penalties are designed to provide a deterrent to chronic elevator maintenance violations, thereby increasing compliance with elevator maintenance standards. These penalties are within the statutory minimum and maximum penalties prescribed by the New York City Administrative Code.

2) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add a new charge of a violation of 27-129 of the New York City Administrative Code. The charge is for "Failure to submit a sixth-round Technical Report: Periodic Inspection of Exterior wall and appurtenances as required by 1 RCNY 32-03." This new charge will be used to cite buildings owners who fail to file a sixth-round architect's or engineer's technical report with the Department of Buildings. Such a report certifies the results of an examination of the premises' exterior walls and the appurtenances thereof. The report is required for buildings greater than six stories in height. The Buildings Penalty Schedule already includes charges of failure to submit second-round through fifth-round technical reports. This new charge is required because the sixth-round filing period began on February 21, 2005. This new charge is essentially identical to the existing charges except insofar as it pertains to the sixth-round technical report.

3) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add five new charges. The new charges are added in response to the enactment of Local Law Number 52 of 2005. This Local Law was enacted on May 19, 2005, and took effect on November 19, 2006. This law requires User Certificates and Certificates of Completion for supported scaffoldings at construction sites, as per Section 26-204.1 through Section 26-204.5 of the New York City Administrative Code. The law also requires a permit in connection with the erection, dismantling, repairing, maintaining or modifying a supported scaffold that is 40 feet high or more in height, pursuant to Section 27-1042 of the New York City Administrative Code. Enforcement of these new provisions will help to protect citizens from careless construction of supported scaffolds and the dangers associated with working on these scaffolds on construction sites. The five new charges include the following: (i) Erected, dismantled, repaired, maintained or modified supported scaffold without a Supported Scaffold Certificate of Completion issued pursuant to Section 26-204.3 - HAZARDOUS; (ii) Knowingly permitted individual to erect, dismantle, repair, maintain or modify supported scaffold without a Supported Scaffold Certificate of Completion issued pursuant to Section 26-204.3 - HAZARDOUS; (iii) Use of permitted supported scaffold without a Supported Scaffold User Certificate issued pursuant to Section 26-204.4; (iv) Knowingly allowed individual(s) to use permitted supported scaffold without a Supported Scaffold User Certificate issued pursuant to Section 26-204.4 - HAZARDOUS; (v) Erected, dismantled, repaired, maintained or modified supported scaffold 40 feet or higher without a permit pursuant to Section 27-1042 - HAZARDOUS.

4) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the penalty amounts for Administrative Code Section 27-147, "Demolition Work Without Required Demolition Permit." These penalty amounts are being changed to impose higher penalties because demolition work is inherently dangerous and requires close scrutiny, monitoring and supervision. This increase in penalties will help convey the seriousness of this charge, and thereby promote the safety of adjacent properties, property owners and workers at construction sites. This increase in penalties is also in keeping with recent legislation of the City Council, Intro. 132-A of 2006, which became effective on December 5, 2006, which mandated higher criminal penalties for demolition work without a permit on one-or-two family dwellings. Regarding this charge, as to which the penalties are being increased, it should be noted that this was already a hazardous offense, but the word "HAZARDOUS" is now being added to the charge description for further clarification of this fact.

5) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the penalty amounts for Administrative Code Section 27-195, "Failure to notify the DOB prior to the commencement of demolition work." These penalty amounts are being changed to impose higher penalties because demolition work is inherently dangerous and requires close monitoring and supervision. The notification requirement prior to the commencement of demolition is intended to enable the Department of Buildings to investigate whether demolition work is being performed according to accepted safety standards. Because demolition is inherently dangerous, the proposed increase in penalties will help promote safety during demolition, including the safety of adjacent properties, property owners, and workers at construction sites. Regarding this charge, as to which the penalties are being increased, it should be noted that this was already a hazardous offense, but the word "HAZARDOUS" is now being added to the charge description for further clarification of this fact.

6) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add two new charges to enforce the provisions of Section 52-01(a) and (b) of Title 1 of the Rules of the City of New York. Section 52-01 was promulgated pursuant to 27-195 of the New York City Administrative Code and became effective on October 25, 2006. This Rule requires holders of earthwork permits to give notice to the Department of Buildings at least 24 hours, but not more than 48 hours, prior to the commencement of earthwork. It also requires that, in the event that earthwork is cancelled, a permit holder must notify the Department of Buildings of the cancellation not more than 24 hours prior to, but no later than the date for which the earthwork was scheduled. The rule is intended to enable the Department of Buildings to investigate whether the work is being performed according to accepted safety standards. Because earthwork is inherently dangerous, these new charges, and the associated penalties, will help promote safety during earthwork, including the safety of adjacent properties, property owners, and workers at construction sites.

7) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add six new charges to enforce the provisions of Local Law 26 of 2004 which amends the Buildings and Fire Prevention Codes and requires owners of certain buildings to comply with new photoluminescent exit path markings (technical standards as set forth by RS 6-1), emergency power connection standards for exit and directional signs, and additional signs where the path of egress is not clear. It should be noted that the new charges for Sections 27-228.5, 27-383.1 and 27-384(c), set forth in Sections 8, 9 and 10 of the proposed rule, will not become effective until July 1, 2007. This is because this is the compliance date specified for these charges, as is set forth in those sections of law, in Local Law 26 of 2004. This Local Law was adopted following the events of September 11, 2001, to aid in evacuation from buildings in the event of failure of both the power and back-up power connected to the lighting and illuminated exit/directional signs. These new requirements are critical to improvement of mass evacuations in affected buildings during emergencies or other extreme conditions. They are in addition to or, modification of existing signage and power requirements under the Building Code.

8) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to add one new charge to enforce miscellaneous hazardous construction violations of the New York City Building Code. Currently a miscellaneous infraction code exists for non-hazardous construction violations. Inspectors presently are compelled to use this infraction code even when the miscellaneous violation is deemed hazardous, resulting in penalties that are not commensurate with a hazardous designation. This new charge, with its enhanced penalties, will allow for a more effective enforcement of the Building Code.

9) The Board is revising the Buildings Penalty Schedule found in Section 31-103 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to change the penalty amounts for Administrative Code Section 26-118, "Failure to comply with a Stop Work Order." Stop Work Orders are issued by the Department of Buildings when a Department of Buildings Inspector determines that building work is being executed in a dangerous or unsafe manner and in violation of a provision of any law, rule or regulation enforceable by the Department of Buildings. The continuance of such work may pose an imminent hazard and jeopardize public safety. The penalty amounts for this charge are being changed to impose higher penalties in order to discourage dangerous and unsafe work. These higher penalties are in keeping with recent legislation within the City Council (specifically, Intro. 216-A of 2006, which became effective on December 5, 2006), mandating higher penalties payable to the Department of Buildings before a Stop Work Order may be lifted. In addition, the new Local Law mandates new criminal fines for violating a Stop Work Order. The ECB penalties are in addition to these new mandated penalties, and are being increased in recognition of the serious nature of such violation. Regarding this charge, as to which the penalties are being increased, it should be noted that this was already a hazardous offense, but the word "HAZARDOUS" is now being added to the charge description for further clarification of this fact.

NOTICE OF OPPORTUNITY TO COMMENT on Proposed Rule regarding penalties for offenses adjudicated by the Environmental Control Board (ECB).

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) by section 1404 (c)(3) of the New York City Charter, and in accordance with section 1043(b) of the Charter, that the Environmental Control Board proposes to amend subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York, setting forth penalties for offenses adjudicated by the Environmental Control Board. New matter in the following rule is underlined, and deleted material is in brackets. This rule was not included in the Environmental Control Board's regulatory agenda because it was not anticipated at the time the agenda was created.

Written comments regarding the proposed rule may be sent to James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, on or before April 10, 2007. A public hearing regarding the proposed rule will be held on April 10, 2007, at the ECB 66 John Street, 10th Floor, Reception, at 4:30 P.M. Persons seeking to testify are requested to notify James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, (212) 361-1515 on or before April 10, 2007. Persons who need a sign language interpreter or other accommodation for a disability are asked to notify James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038, (212) 361-1515 by April 3, 2007. Persons interested in receiving written comments and a transcript of oral comments on the proposed rule may request them by writing to: James Macron, Counsel to the Board, ECB, 66 John Street, 9th Floor, New York, N.Y. 10038.

Section 1. The Noise Code Penalty Schedule found in Section 31-115 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended to add and delete the following material.

New matter is underlined.
Deleted matter is in [brackets]

§31-115 Noise Code Penalty Schedule

NOISE PENALTY SCHEDULE

All Citations are to the NYC Administrative Code.

A stipulation (Stip) penalty is imposed if there is a "Y" (Yes) In the Stip column in the Penalty Schedule rather than a "N" (No), and if a stipulation is offered and accepted at a hearing.

Definition of 2nd and/or 3rd and/or 4th offense: By the same respondent of the same provision of law, order, rule or regulation as the previous violation and, if the respondent is the owner, agent, lessee or other person in control of the premises with respect to which the violation occurred, at the same premises as the previous violation (all violations committed within two years).

Pursuant to §31-81(b), a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §31-32, within 30 days of the mailing date of the default order issued against respondent.

* In connection with Section 24-231(a), a zero penalty may be imposed for admission for a first offense upon submission to DEP (within 30 days of NOV issuance) unless extended by DEP of acceptable certification of compliance as set forth in Section 24-231(b)(1).

Section 2. The Water Penalty Schedule found in Section 31-126 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York is amended to add and delete the following material.

New matter is underlined.
Deleted matter is in [brackets]

§31-126 Water Penalty Schedule

WATER PENALTY SCHEDULE

All citations preceded by "A.C." are to the New York City Administrative Code. All other citations are to Title 15 of the Rules of the City of New York.

*If a respondent charged with a violation of 20-04(e) submits the annual test report by the first hearing date, the penalty shall be mitigated from $350 to $0 (zero). The possibility of such mitigation exists only in connection with the first NOV issued to a given respondent for 20-04(e) charge.

Pursuant to §31-81(b), a late admit fee of $30.00 will be added to all the below listed penalties for a failure to submit a payment by mail, as per §31-32, within 30 days of the mailing date of the default order issued against respondent.

Statement of Basis and Purpose of Proposed Rule

The Environmental Control Board (ECB) is making the following revisions to the ECB Penalty Schedules:

1) The Board is revising the Noise Code Penalty Schedule found in Section 31-115 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to amend that Penalty Schedule to take into account the promulgation of the new Noise Control Code that was signed into law (Local Law 113 of 2005) on December 21, 2005, and that becomes effective on July 1, 2007. This new law repeals many previously existing sections of law pertaining to noise control and puts into place new provisions that make the Noise Control Code more effective and responsive to the needs of the City. The primary focus of the new Code is the reduction of the overall sound level in the City.

In addition to continuing the current Noise Control Code's prohibition on after-hours and weekend construction, Subchapter 4 of the new Noise Control Code ("Construction Noise Management") contains detailed requirements which require all construction sites to have a noise mitigation plan setting forth the noise mitigation strategies, methods, procedures and technologies to be employed for each device or activity at the site. The current Code section relating to commercial music sources has been strengthened by lowering the threshold from 45 dB(A) to 42 dB(A) as measured in any dwelling unit, and by adding a provision dealing with measuring sound in the dbC weighting network. In connection with Section 24-231(a), the new code also contains a provision which allows the Department of Environmental Protection to recommend a zero penalty in cases where the respondent admits the violation and timely submits a report, pursuant to the requirements set forth in Section 24-231(b)(1), showing that modifications have been made which bring the establishment into full compliance with the Code, along with measurements confirming that compliance has been achieved. The current Code section regarding circulation device noise has been strengthened by lowering the threshold from 45 dB(A) to 42 dB(A) as measured three feet from the open window of any dwelling unit. The new Code also restricts noise from multiple circulation devices owned by the same entity and allows the Department of Environmental Protection to order owners to implement remedial actions when the cumulative sound level from existing multiple devices exceeds 50 dB(A). For new installations of multiple circulation devices or for a new addition to a cluster of circulation devices, the cumulative permitted sound level is 45 dB(A). The new Code includes a "plainly audible" standard for personal audio devices, sound reproduction devices, animals and motor vehicles. Also, the prohibition against unreasonable noise has been strengthened by the establishment of sound levels which are considered to be unreasonable per se, e.g., any sound source which increases the ambient sound level by ten dB(A) or more (7 dB(A) at night) when measured at a distance of fifteen feet or more.

Regarding Section 24-218.1, "Use of mobile telephones in a place of public performance," this provision of law was previously enacted, by Local Law 9 of 2003, and is now being added to this amended Noise Code Penalty Schedule.

2) The Board is revising the Water Code Penalty Schedule found in Section 31-126 of Subchapter G of Chapter 31 of Title 15 of the Rules of the City of New York to amend that Penalty Schedule to take into account the repeal of the Drought Emergency Rules and the re-promulgation of those Rules (Title 15, Chapter 21 of the Rules of the City of New York (RCNY)). The new Rules took effect on September 7, 2006. It should be noted that there are no changes to that portion of the Water Penalty Schedule that does not pertain to the Drought Emergency Rules. In other words, there are no changes to the part of the Water Penalty Schedule that is entitled "Other Water Regulations," since those sections are not drought-related.

As was set forth in the Department of Environmental Protection's (DEP's) Statement of Basis and Purpose that was included in the Notice of Adoption for the new Drought Emergency Rules, among the reasons for the repeal and re-promulgation of those Rules was that DEP, in light of recent experiences with the drought, recognized that amendments to the Drought Emergency Rules were needed. The amended Rules are streamlined and simplified. Redundancy has been omitted and inconsistencies eliminated. Definitions have been added for greater clarity and conformance with general style of RCNY rules. The Rules have been amended to provide greater flexibility and consistency for water usage during the various stages of drought.

The principal changes from the current Penalty Schedule are that section numbers have been changed under the new Rules; improper use of well water, which was previously a violation only in Stage III, is now a violation in Stage I and II as well; infractions for air conditioning or refrigeration units without approved water conservation devices, dumping cooling tower water, and failure to reduce non-residential use of water by specified percentages are no longer included in the Penalty Schedule, as these violations do not exist under the new Rules.

HEALTH AND MENTAL HYGIENE

■ NOTICE

The following resolution was adopted by the Board of Health on April 18, 2000. This resolution is utilized by the Department of Health and Mental Hygiene every year since 2000. The Department suspends its use on October 31st of each year because the threat of mosquito breeding during cold weather subsides. From March 15, 2007 through October 31, 2007, the Resolution will again be in full force and effect. The Department intends to again fully exercise the authority granted by the Board of Health Resolution, including the immediate abatement of standing water conditions, to prevent the breeding and proliferation of mosquitoes during the 2007 mosquito season. Therefore, in order to ensure proper public notification, the Department of Health and Mental Hygiene is republishing the Resolution in accordance with §17-148 of the Administrative Code of the City of New York.

Resolution of the Board of Health of the
Department of Health and Mental Hygiene
of the City of New York

At a meeting of the Board of Health of the Department of Health and Mental Hygiene held April 18, 2000, the following resolution was adopted:

Whereas, the Board of Health has taken and filed among its records reports that in areas throughout the City of New York there are sunken lots, property below grade, or other places which are insufficiently drained and where water may accumulate and stagnant water may collect; and

Whereas, upon these and other properties, there are household and other items including, but not limited to, tires, flower pots, household or other containers such as, trash, garbage and recycling containers without drainage holes, roof gutters clogged with leaves or other debris, swimming and wading pools, bird baths, swimming pool covers, outdoor plumbing fixtures and hose bibs dripping water to the ground and other materials, appurtenances and fixtures which allow the accumulation of water; and

Whereas, such accumulations of water create conditions conducive to insect life in general, and to the breeding and nurturing of mosquitoes in particular; and

Whereas, certain mosquitoes have been found to harbor viral diseases, including West Nile Virus/encephalitis, which are transmissible to and may be fatal to humans; and

Whereas, mosquitoes breed rapidly, and the potential presence of West Nile Virus is immediately dangerous to life and health; and

Whereas, the Board of Health regards the aforesaid reports as sufficient proof to authorize the declaration that any accumulations of water in which mosquitoes may breed are in a condition and in effect immediately dangerous to human life and health and constitute a public nuisance; and

Whereas, immediate abatement of such nuisances is necessary to prevent the breeding and proliferation of infectious mosquitoes; and

Whereas, personal service or service pursuant to subdivisions (a) or (b) of §17-148 of the Administrative Code of the City of New York of orders requiring the abatement of such nuisances and conditions in effect dangerous to life and health upon each of the persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York, has a duty or liability to abate such nuisances and conditions, would result in a delay prejudicial to the public health, welfare, and safety; now, therefore, be it

Resolved, that the Board of Health hereby declares that such places having an accumulation of water capable of breeding mosquitoes are in a condition and in effect immediately dangerous to life and health and constitute a public nuisance; and be it further

Resolved, that the Board of Health hereby declares that such nuisances are widespread throughout the City; and be it further

Resolved, that all persons who, pursuant to the provisions of Title 17 of the Administrative Code of the City of New York and such other chapters, titles, sections, laws or rules as are applicable thereto, have the duty or liability to abate such nuisances and conditions in effect dangerous to life and health, are hereby ordered to forthwith abate such nuisances and conditions in effect dangerous to life and health by eliminating such accumulations of water and the conditions conducive to further accumulation, or by otherwise eliminating the capacity of accumulated water to support mosquito breeding; and be it further

Resolved, that in the event that such persons or any of them shall fail to comply with this order within five days after service thereof pursuant to §17-148 of the Administrative Code of the City of New York, the Department of Health and Mental Hygiene is hereby authorized and directed to take all necessary steps to forthwith secure the abatement of said nuisances and conditions in effect dangerous to life and health.

Resolved further, that this resolution shall take effect immediately.

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Public Hearing and Opportunity to Comment on Proposed Rules

Notice is hereby given in accordance with section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") proposes adoption of rules governing partitions and in vehicle camera systems in taxicabs and for-hire vehicles.

These rules are proposed pursuant to sections 1043 and 2303(b) (11) of the Charter and section 19-503 of the Administrative Code of the City of New York. These proposed rules were not included in the TLC's regulatory agenda for Fiscal Year 2007, because the need for the rules was not anticipate at the time the regulatory agenda was published.

A public hearing on these proposed rules will be held by the TLC at its offices at 40 Rector Street, 5th Floor, New York, New York 10006 on April 12, 2007, at 9:30 a.m. Persons wishing to testify at the hearing may notify the TLC in advance, either in writing or by telephone to the TLC's Office of Legal Affairs at the address and telephone given below. Any request for a sign language interpreter or other form of reasonable accommodation at the hearing for a disability must be submitted to the Office of Legal Affairs in writing, by telephone, or by TTY/TDD no later than April 9, 2007.

Written comments in connection with these proposed rules should be submitted to the Office of Legal Affairs, addressed as follows, and must be received no later than April 9, 2007:

Charles R. Fraser
Deputy Commissioner for Legal Affairs / General Counsel
Taxi and Limousine Commission
40 Rector Street, 5th Floor., New York, New York 10006
Telephone: 212-676-1117 Fax: 212- 676-1102

New material is underlined.
[Material inside brackets indicates deleted material.]

Section 1. Subdivisions (a), (b) and (c) of section 1-17 of Chapter 1 of Title 35 of the Rules of the City of New York are amended and subdivisions (d), (e) and (f) are added, to read as follows:

§1-17 Partition; In-Vehicle Camera System.

(a) An owner shall equip all taxicabs, except as provided in subdivision[s] (b) [and (c)] of this section and section 3-03.1(c) (10) of this title, with a [transparent] partition that meets the specifications set forth in section 3-03(e) (3) (i) of this title [and a protective plate which would isolate the driver from the rear seat passengers] and with provision for air conditioning for the rear passenger compartment, as set forth in [§§3-03(e) (3) (i) and] section 3-05 of this title.

(b) An owner of an independent taxicab or a shareholder of a corporation owning one or more medallions shall be exempt from the provisions of [subsection] subdivision (a) if:

(1) the taxicab is driven by the medallion owner or corporate shareholder(s), and

(2) the rate card lists only the persons named in subdivision (1) as driver(s), and

(3) the taxicab is equipped with a cellular telephone which has an emergency dialing feature, in accordance with [Owners Rule] section 1-13(b) of this chapter, and the taxicab is equipped with some other device specifically approved by the [commission] Commission to satisfy this requirement in addition to the trouble light required by [Rule] section 1-18(a) of this chapter, and

(4) the owner has not previously been in violation of this rule with respect to the subject medallion, and

(5) the owner has applied for and received a certification of exemption from the [commission] Commission. Notwithstanding compliance with above conditions, if a partition is the only approved location for display of the rate card and driver license in a particular model of automobile, then a partition is required.

(c) A taxicab that is equipped with factory installed curtain airbags [shall be exempt from the provision of subdivision (a) of this section. Such taxicab shall be equipped with a cellular telephone that has an emergency dialing feature, in accordance with [§] section 1-13(b) of this chapter, and shall be equipped with a digital camera and recording system that is approved by the Commission. Installation of] shallbe equipped with a partition [in such taxicab shall be optional, provided that any such partition] which shall not extend the full width of the interior of the taxicab, but instead shall allow a space of six inches at each side, sufficient to permit proper deployment of the curtain airbags, and shall conform in all other respects with the applicable requirements of [§] section 3-03(e)(3)(i) of this title.

(d) Where section 3-03(e)(3)(v) of this Title applies, the taxicab shall be equipped with a cellular telephone as set forth in subdivision (b) of this section and an in-vehicle camera system that meets the specifications set forth in such section 3-03(e)(3)(v),in addition to the trouble light required by section 1-18(a) of this chapter.

(e) An in-vehicle camera system shall be installed and maintained by the manufacturer's authorized installer and shall be in good working order.

(f) Each taxicab equipped with an in-vehicle camera system shall display decals on each rear passenger window, visible to the outside, that contain the following information: "This vehicle is equipped with camera security. YOU WILL BE PHOTOGRAPHED."

Section 2. Section 1-36 of Chapter 1 of Title 35 of the Rules of the City of New York is amended by adding a new subdivision (n), to read as follows:

Inscription	Location	Size
(n) "This vehicle is equipped with camera security. YOU WILL BE PHOTOGRAPHED." (Decal; non-detachable type) only.)	On each rear passenger window	Letters shall be at least one-half inch high.

Section 3. Section 1-86 of Chapter 1 of Title 35 of the Rules of the City of New York is amended by adding new penalties labeled §1-17(d), (e) and (f), in alphanumeric order, to read as follows:

Rule No.	Penalty	Personal Appearance Required
§1-17(d)	$ 50	No
§1-17(e)	$ 50	No
§1-17(f)	$ 50	No

Section 4. Paragraph (3) of subdivision (e) of Section 3-03 of Chapter 3 of Title 35 of the Rules of the City of New York is amended to read as follows:

§3-03 Taxicab Specifications on or after May 1, 1996.

(e) Vehicle Modifications for Taxicab Service.

. . . .

(3) Security.

(i) An owner shall install a partition that isolates the driver from the rear seat passengers or all passengers of the vehicle, in accordance with section 1-17 of [these rules] this title. The purpose of [said] the partition shall be to provide protection to the driver while ensuring passenger safety and enabling rear seat passengers to enjoy a clear and unobstructed view of the taxicab driver's license, rate card and front windshield.

(A) The partition shall consist of a transparent portion that shall extend [downward] from the ceiling to a point as recommended by the Chairperson and approved by the Commission, based upon the make and model of the vehicle in service, that will provide passengers and drivers with maximum visibility. The transparent portion of the partition shall be constructed of a bullet-resistant material, recommended by the Chairperson and approved by the Commission, which is also clear and scratch-resistant.

(B) A protective plate shall join the transparent portion of the partition and extend from the lowest point of the transparent portion of the partition downward to the floor of the vehicle. The plate shall be constructed of a bullet-resistant material recommended by the Chairperson and approved by the Commission.

(C) Notwithstanding the provisions of clause (A) of this subparagraph, all taxicabs, except those that are exempt pursuant to sections 1-17 of this title and 3-03.1(c)(10) of this chapter, when an existing partition is required to be replaced or when a partition is installed (including, but not limited to, at hack-up), shall be equipped with a partition, the transparent portion of which shall be constructed, at a minimum, of a mar-resistant polycarbonate and shall be not less than 0.375 inches thick, that will provide passengers and drivers with maximum visibility.

(1) For a flat partition and a partition for a taxicab with factory installed curtain airbags, the transparent portion shall extend from the ceiling to join or overlap with the rotective plate of the partition.

(2) For an L shaped partition, on the side that is behind the driver, the transparent portion of the partition shall extend from the ceiling to join or overlap with the protective plate of the partition, and on the side that extends forward to back between the two front seats, the transparent portion of the partition shall extend from the ceiling to join or overlap with the protective plate of the partition on the right side of the center console located between the two front seats.

(3) The protective plate shall join or be overlapped by the transparent portion of the partition and shall extend from the point that the protective plate joins, or if overlapped by the transparent portion of the partition, the point that would be the point of joinder with the transparent portion of the partition, downward to the floor of the taxicab. The protective plate shall be constructed of a 0.085 inch thick plate of ballistic steel or its equivalent installed inside and covering the entire back seat rest of the front seat which is exposed to the passenger compartment and, for an L shaped partition, on the right side of center console between the two front seats.

(4) Each partition shall have sufficient padding for the entire protective plate of the partition to prevent injury to any rear - seat passenger in case of an accident or sudden stopping and all surfaces shall be free of sharp and rough edges.

(5) There shall be no opening or gap between the partition and the body of the vehicle larger than one inch, except as set forth in section 1-17(c) of this title.

(6) No partition shall be installed unless it shall have the following features which do not compromise passenger or driver safety:

(A) A means for passengers and drivers to communicate with each other.

(B) The capacity for the passenger(s) to pay fares, either by cash, or by credit card if the taxicab is capable of accepting credit card payments, and for the passenger(s) to receive receipts for payments and transactions, while the passenger is in the rear passenger compartment.

[(iii) No partition shall be installed unless the design of the partition, the materials used in its manufacture, and the method of installation have been recommended by the Chairperson and approved by the Commission in accordance with the requirements of this paragraph.]

([iv] ii) No vehicle, other than a vehicle which is exempt from the partition requirements set forth in

section 1-17 of these rules, may be hacked-up [after the effective date of this rule] unless a new partition has been installed which complies with these specifications.

[(v) Each taxicab, shall be equipped with a new partition which complies with these specifications no later than its first regular vehicle inspection conducted on or after November 1, 2005.]

([vi] iii) An owner shall equip all taxicabs with a help or distress signaling light system in accordance with the following specifications:

(A) The help or distress signaling light system shall consist of two turn signal type "lollipop" lights.

(B) One light shall be mounted on the front center of the vehicle, either on top of the bumper or forward or behind the grill. A second light shall be mounted on top of the rear bumper, to the left of the license plate.

(C) Each light shall be three to four inches in diameter, have a total rated output of thirty-two candle power and shall be the color amber or have an amber colored lens so that the light output of the device is the color amber at thirty-two candle power.

(D) The activator shall be installed within easy reach of the driver, shall be silent when operating, and shall be fully solid-state.

(E) The lights shall flash between 60 and 120 times per minute.

(F) The wiring shall not affect or interfere directly or otherwise with any wiring or circuitry used by the meter for measuring time or distance.

([vii] iv) A door ajar notification light shall be provided which is located in front of the driver. This light shall turn on only when any door is not fully latched.

([viii] v) When an existing in-vehicle camera system ("IVCS") is required to be replaced or when such system is installed (including, but not limited to, at hack-up), no such system shall be installed in any taxicab unless it meets the following specifications:

(A) The IVCS shall be connected to the vehicle battery, and the fuse for such connection shall be concealed in tamper-resistant housing.

(B) Wiring between the recording unit and camera head shall use registered jack (RJ) style connectors at either end which shall be tamper-resistant.

(C) All electrical connections and wiring shall be protected from spike and dips in vehicle voltage.

(D) The camera head housing and brackets shall be tamper-proof and securely mounted to the right of the rear view mirror. The installation shall provide unobstructed vision for the driver.

(E) The camera's field of view shall include the full face of all occupants seated in passenger seats and facing forward.

(F) Images shall be recorded and stored in a unit separate from the camera head.

(G) The recording unit shall be concealed from view and fastened securely with tamper-resistant hardware.

(H) The IVCS shall provide a visual indication of system status that is located on the lower left portion of the dashboard, and is visible to the driver and law enforcement personnel inspecting the vehicle from outside of the driver door.

(I) The IVCS and components shall be sufficiently shock-resistant to withstand typical vehicle movement and collisions.

(J) The IVCS shall have a RS-232 connection or other means for secure image retrieval.

(K) Images shall be sharp, undistorted and enable the viewer to identify all passengers under all lighting conditions; for example, but not limited to, dark and bright light, daylight and backlight.

(L) Sensor resolution shall be, at a minimum, 510 by 480 pixels.

(M) Storage capacity shall be, at a minimum, 7000 images in an encrypted format, and all access to the storage unit shall result in the storage of an electronic "tag" including the installer identification number and date of the event.

(N) The IVCS shall have connection ports for a minimum of two (2) cameras.

(O) The IVCS shall have an event flag or panic button accessible to driver and located in an inconspicuous location.

(P) The IVCS shall record images and the following information for each image:

(a) Date and time;
(b) Taxicab medallion number;
(c) IVCS serial number; and
(d) IVCS indicator for event flags.

(Q) Image capture shall be linked to the following events: vehicle door openings and closings, meter engagement, event flag button activation and event flag in the test mode when the image(s) is/are recorded for inspection and test purposes. In the event of a panic button activation, systems shall record to protected memory a total of three (3) events that include, at a minimum, the previous 2.5 and subsequent 2.5 minutes immediately prior and subsequent to the button activation, at one frame per second.

(R) Image access shall be provided only to law-enforcement agencies including but not limited to the New York City Police Department;

(S) If the IVCS has a physical port for secure image retrieval it shall be located on the right side of the dashboard or in the trunk in an inconspicuous manner that is accessible to law enforcement personnel.

(T) When memory storage capacity is reached, the IVCS shall overwrite the oldest images as new images are recorded in sequence.

(U) Installations and Repairs of IVCS can only be done by authorized installers that are currently licensed taximeter businesses pursuant to Chapter 15 of this title, approved by the manufacturer.

(V) Upon installation, repair or modification, a notarized affidavit signed by a manufacturer's authorized installer attesting to the proper functionality of the IVCS shall be provided to the Commission by the authorized installer.

(W) A similar affidavit shall be provided annually by the authorized installer to the Commission and upon any repair to or change of the IVCS.

Section 4. Paragraph (10) of subdivision (c) of Section 3-03.1 of Chapter 35 of the Rules of the City of New York is amended to read as follows:

(c) . . . .

(10) A partition shall not be required in a hybrid electric vehicle, notwithstanding the provisions of [§] section 3-03(e)(3)(i) of this chapter; provided that if a partition is not installed in compliance with [§] section 1-17(a) of this title, the hybrid electric vehicle shall be equipped with a digital camera and recording equipment approved by the Commission pursuant to [§] section 1-17(b) (3) of thi title; provided further that, where section 3-03(e)(3)(v) of this chapter applies, an in-vehicle camera system shall meet the specifications set forth in such subparagraph.

Section 5. The title of section 6-13 of chapter 6 of Title 35 of the Rules of the City of New York and the unnumbered portion and paragraphs (1) and (3) of subdivision (a) of such section are amended, and a new subdivision (c) is added, to read as follows:

§6-13 **Partitions, Cameras and Emergency Lights.**
. . . .

(a) A for-hire vehicle, except as provided in paragraphs two and three of this subdivision, shall be equipped with a partition [and a protective plate] which [would isolate] isolates the driver from the rear seat passengers or all passengers of present in such vehicle, [unless the owner is exempt pursuant to paragraphs (2), (3) or (4) of this subdivision] as set forth in paragraph one of this subdivision.

(1) The partition shall be made of [lexan, margard or other] polycarbonate material not less than 0.375 inches thick extending upward from the back of the front seat to the ceiling of the vehicle. There shall be a provision for communication with assengers and for a money slot while the partition is closed. Such partition may be able to be partially opened by the driver, as long as the driver can fully close the partition at any time. A for-hire vehicle owner shall also equip the vehicle with a 0.085 inch thick plate of ballistic steel or its equivalent installed inside the back rest of the front seat. The plate shall cover the complete back rest area which is exposed to the rear seat compartment. Provided, however, that, notwithstanding any other provision of these rules, all for-hire vehicles, except those that are exempt pursuant to paragraphs two or three of this subdivision, when an existing partition is required to be replaced or when a partition is installed (including, but not limited to, at first licensing), shall be equipped with a partition, the transparent portion of which shall be constructed, at a minimum, of a mar-resistant polycarbonate and shall be not less than 0.375 inches thick, that will provide passengers and drivers with maximum visibility.

(A) For a flat partition and a partition for a for-hire vehicle with factory installed curtain airbags, the transparent portion of the partition shall extend from the ceiling to join or overlap with the protective plate of the partition.

(B) For an L shaped partition, on the side that is behind the driver, the transparent portion of the partition shall extend from the ceiling to join or overlap with the protective plate and on the side that extends forward to back between the two front seats, the transparent portion of the partition shall extend from the ceiling to join or overlap with the protective plate of the partition on the right side of the center console between the two front seats.

(C) The protective plate shall join or be overlapped by the transparent portion of the partition and shall extend from the point that the protective plate joins, or if overlapped by the transparent portion of the partition, the point that would be the point of joiner with the transparent portion of the partition, downward to the floor of the for-hire vehicle. The protective plate shall be constructed of a 0.085 inch thick plate of ballistic steel or its equivalent installed in and covering the complete back rest area of the front seat which is exposed to the rear seat compartment and, for an L shaped partition, on the right side of the center console between the two ront seats.

(D) No partition shall be installed unless it shall have the following features which do not compromise passenger or driver safety:

(i) a means for passengers and drivers to communicate with each other; and

(ii) the capacity for the passengers to pay fares, either by cash or by credit card if the for-hire vehicle is capable of accepting credit card payments, and for the passengers to receive receipts for payments and transactions, while the passenger is in the rear passenger compartment.

. . . .

(3) A for-hire vehicle shall be exempt from the requirements of paragraph (1) if the vehicle is equipped with at least the following two safety devices:

(i) A FCC-licensed commercial two-way radio with an emergency button that would notify the dispatcher that the driver is in trouble or a cellular telephone which has an emergency dialing feature, and

(ii) Some other device specifically approved by the Chairperson to satisfy this requirement, in addition to the trouble light required by [Rule 6-13] subdivision (b) of this section; provided, however, that, when an existing in-vehicle camera system is required to be replaced or when such system is installed in compliance with this paragraph, it shall meet the requirements set forth in section 3-03(e)(3)(v) of this title. Such for-hire vehicle shall further be equipped with the trouble light required by subdivision (b) of this section.

. . . .

(c) Each for-hire vehicle equipped with an in-vehicle camera system shall display decals on each rear passenger window, visible to the outside, that contain the following information, in letters at least one-half inch high: "This vehicle is equipped with camera security. YOU WILL BE PHOTOGRAPHED."

Section 6. Section 6-22 of Chapter 6 of Title 35 of the Rules of the City of New York is amended by adding a new penalty labeled §6-13(c), in alphanumeric order, to read as follows:

Rule No.	Penalty	Personal Appearance Required
. . .		
§6-13(c)	$50	No

Section 7. Subdivision (n) of Section 12-06 of Chapter 35 of the Rules of the City of New York is amended to read as follows:

(n) An agent shall not dispatch a taxicab which is not equipped with a [transparent] partition [and a protective plate] which isolates the driver from the rear seat passengers or all passengers of the taxicab, in accordance with [Owners Rule] section 1-17 of this title and meets the specifications set forth in section 3-03(e)(3)(i) of this title, unless the taxicab is exempt pursuant to section 1-17 of this title from the partition requirements and is equipped with an in-vehicle camera system in accordance with section 1-17 of this title in addition to the trouble light required by section 1-18(a) of this title.

Statement of Basis and Purpose of Proposed Rules

The proposed rules would enhance and clarify the requirements for security equipment in taxicabs and for-hire vehicles.

Existing rules require, with certain exceptions, that taxicabs be equipped with partitions, and that each taxicab without a partition be equipped with a cellular telephone that has an emergency dialing feature, and with "some other device specifically approved by the commission" (section 1-17(b)(3)). Existing rules provide that a for-hire vehicle affiliated with a livery base station must have either a partition or both an FCC commercial two-way radio with an emergency button and "[s]ome other device specifically approved by the Chairperson" (section 13(a) (3) (ii)).

The only device the Commission has approved pursuant to section 1-17(b)(3) and the only device the Chairperson has approved pursuant to section 6-13(a)(3)(ii) is an in-vehicle camera system. Therefore, the proposed rules specify that the "other device" for taxicabs and liveries that are not furnished with partitions must be an in-vehicle camera system. In addition, the proposed rules would add an alternative in the for-hire vehicle rules to the outmoded FCC commercial two-way radio, specifically a cellular telephone with an emergency dialing feature.

The proposed rules also provide further specifications for the transparent portions and protective plate of partitions. Existing taxicab rules require that a partition have a protective plate as part of the partition and a bullet-resistant, clear and scratch-resistant material for the transparent portion of the partition, and further require that the partition allow passengers to pay fares either by cash or by credit card should the taxicab be capable of accepting credit card payments. The proposed rules for taxicabs would require the transparent portion of partitions be a mar-resistant polycarbonate that shall be not less than 0.375 inches thick and a protective plate that shall be constructed of a 0.085

inch thick ballistic steel or its equivalent. Existing rules for for-hire vehicles require that a partition have a protective plate and a transparent portion of the partition that is made of lexan, margard or other polycarbonate material not less than 0.375 inches thick. The proposed rules for for-hire vehicles would delete the two brand name polycarbonates, lexan and margard, and require that the polycarbonate material be mar-resistant, and further that the partition allow passengers to pay fares either by cash or by credit card should the livery vehicle be capable of accepting credit card payments. In addition, the proposed rules would allow for a new L-shaped partition that separates the driver from both front-seat and rear-seat passengers and a new partition that accommodates curtain airbags, as alternatives to the traditional flat partition that separates the front and rear areas of the vehicle. An L-shaped partition model was approved by the Commission on September 14, 2006, and the partition model for vehicles that are factory-equipped with curtain airbags was approved on December 14, 2006. The proposed rules codify those approvals. Presently, taxicabs that are equipped with factory installed curtain airbags are exempted by existing rules from the partition requirement, and the for-hire vehicle rules are silent as to vehicles with curtain airbags. The proposed rules would require partitions for all such taxicabs and for all such for-hire vehicles which are not equipped with a cellular telephone with an emergency dialing feature and an in-vehicle camera system.

On and after the effective date of the proposed rules, a taxicab or for-hire vehicle affiliated with a livery base station, when its existing partition is required to be replaced or when a partition is installed (including, but not limited to, at hack-up or first licensing), must be equipped with a partition that meets or exceeds the new specifications, unless the taxicab or for-hire vehicle is exempt from the partition requirement and complies with the alternative requirements.

Finally, on and after the effective date of the proposed rules, a taxicab or a for-hire vehicle that does not have a partition, when its existing in-vehicle camera system is required to be replaced or when an in-vehicle camera system is installed (including, but not limited to, at hack-up or first licensing), shall have installed an in-vehicle camera system that complies with the proposed rules. Some taxicabs may have in-vehicle camera systems that comply with the proposed specifications. Others may need expanded memory and, therefore, may require upgrades to comply with these rules. Similarly, in-vehicle camera systems previously approved for use in for-hire vehicles do not have sufficient memory to comply with the proposed rules. Therefore, on and after the effective date of the proposed rules, when in-vehicle camera systems are required to be replaced or installed, those systems previously approved for for-hire vehicles will require upgrades, if available, or replacement.

The proposed rules would not alter the exemptions from the partition requirement for taxicabs that are subject to existing rules, with the exception of taxicabs equipped with factory-installed curtain airbags. Existing rules exempt the following taxicabs from the partition requirement: owner driven taxicabs (section 1-17(b)), taxicabs equipped with factory-installed curtain airbags (section 1-17(c)) and hybrid electric taxicabs (section 3-03.1(c) (10)). Now that there is an approved partition that can accommodate the deployment of curtain airbags, the proposed rules require that such a partition be placed in taxicabs and for-hire vehicles equipped with factory-installed curtain airbags, unless they are otherwise exempt. Existing rules exempt the following for-hire vehicles from the partition requirement: for-hire vehicles affiliated only with black car and/or luxury limousine base stations (section 6-13(a) (2)), and for-hire vehicles equipped with in-vehicle camera systems and two-way radios (section 6-13(a) (3)). The proposed rules for for-hire vehicles would add a cellular telephone with an emergency dialing feature as an alternative to the two-way radio.

The proposed rules would also require that taxicabs and for-hire vehicles equipped with in-vehicle camera systems be provided with decals on the rear passenger windows advising that the vehicle is equipped with camera security and that passengers will be photographed.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

Part 6, of this Court, to be held at the Courthouse thereof, located at 851 Grand Concourse, Room 705, Bronx, New York, for an order:

a) granting the Petition in all respects;
b) authorizing the Authority to file the Acquisition Map in the Office of the County Clerk or the Office of the City Register of Bronx County;
c) directing that, upon the filing of the Order of this Court and the Acquisition Map, title and possession to the property shown on said Map shall vest in the Authority, said property consisting of all that certain plot, piece or parcel of land, comprising Tax Block 4894 Lot 1, with any buildings and improvements thereon, erected, situated, lying and being in the Borough Of the Bronx, County of Bronx, State of New York, bounded and described as follows:

Beginning at the corner formed by the intersection of the northerly side of Boston Road with the westerly side of Baychester Avenue;

Running thence northerly along the westerly side of Baychester Avenue, 107.88 feet to a point;

Running thence westerly at right angles to the westerly side of Baychester Avenue, 200.00 feet to the easterly side of Edson Avenue;

Running thence southerly along the easterly side of Edson Avenue, 118.90 feet to the northerly side of Boston Road;

Running thence easterly along the northerly side of Boston Road, 200.30 feet to the corner the point or place of beginning; containing 22,678 square feet or 0.5206 acres.

The parcel described above consists of Tax Lot 1 in Tax Block 4894 as shown on the Tax Map of The City of New York for the Borough of the Bronx, as said Tax Map existed on October 30, 2006.

(The above-described property is hereafter referred to as the "Property").

d) determine all claims for just compensation arising from the acquisition of said Property and that such claims shall be heard without a jury and without referral to a referee or commissioner;
e) directing that, within thirty (30) days after the entry of the Order of this Court, the Authority shall cause a Notice of Acquisition to be served upon each condemnee or such condemnee's attorney of record;
f) directing that all claimants have a period of one hundred eighty (180) days from the date of service of the Notice of Acquisition within which to file a written claim or notice of appearance; and
g) granting such other and further relief as this Court deems just and proper.

Surveys, maps or plans of the property to be acquired are on file in the office of the Corporation Counsel of the City of New York, 100 Church Street, New York, New York 10007.

PLEASE TAKE FURTHER NOTICE THAT, pursuant to EDPL § 402(B)(4), any party seeking to oppose the acquisition must interpose a verified answer, which must contain specific denial of each material allegation of the petition controverted by the opponent, or any statement of new matter deemed by the opponent to be a defense to the proceeding. Pursuant to CPLR 403, said answer must be served upon the office of the Corporation Counsel at least seven (7) days before the date that the petition is noticed to be heard.

BRONX COUNTY
IA PART 6
NOTICE OF ACQUISITION
INDEX NUMBER 635/07

In the Matter of the Application of the

NEW YORK CITY SCHOOL CONSTRUCTION AUTHORITY,

Petitioner,

To Acquire By Exercise of its Powers of Eminent Domain Title in Fee Simple Absolute to Certain Real Property Known as Tax Block 2866, Lot 100, Located in the Borough of the Bronx, City of New York, in Connection With the Construction of P.S./ I.S. 338X- Bronx

PLEASE TAKE NOTICE, that by order of the Supreme Court of the State of New York, County of Bronx, IA Part 6 (Hon. Howard R. Silver, J.S.C.), duly entered in the office of the Clerk of the County of Bronx on February 20, 2007, the application of the New York City School Construction Authority (the "Authority") to acquire certain real property for the construction of public/middle school P.S./I.S. 338X-Bronx was granted and the Authority was thereby authorized to file an acquisition map with the Office of the City Register. Said map, showing the property acquired by the Authority, was filed with the City Register on February 23, 2007. Title to the real property vested in the Authority on February 23, 2007.

PLEASE TAKE FURTHER NOTICE, that the Authority has acquired the following parcel(s) of real property:

Damage Parcel	Block	Lot
1	2866	100

PLEASE TAKE FURTHER NOTICE, that pursuant to said Order and to §§503 and 504 of the Eminent Domain Procedure Law of the State of New York, each and every person interested in the real property acquired in the above-referenced proceeding and having any claim or demand on account thereof is hereby required, on or before 180 days from the date of service of this notice, to file a written claim with the Clerk of the Court of Bronx County, and to serve within the same time a copy thereof on the Corporation Counsel of the City of New York, Tax and Bankruptcy Litigation Division, 100 Church Street, New York, New York 10007. Pursuant to EDPL §504, the claim shall include:

A. the name and post office address of the condemnee;

B. reasonable identification by reference to the acquisition map, or otherwise, of the property affected by the acquisition, and the condemnee's interest therein;

C. a general statement of the nature and type of damages claimed, including a schedule of fixture items which comprise part or all of the damages claimed; and,

D. if represented by an attorney, the name, address and telephone number of the condemnee's attorney.

Pursuant to EDPL §503(C), in the event a claim is made for fixtures or for any interest other than the fee in the real property acquired, a copy of the claim, together with the schedule of fixture items, if applicable, shall also be served upon the fee owner of said real property.

Dated: March 6, 2007, New York, New York.

MONITOR FILL IMPORTATION, METHANE GAS MONITORING AND SETTLEMENT MONITORING – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 84607C000C07 – DUE 03-26-07 AT 4:00 P.M. – In accordance with Section 3-04(b)(2)(i)(D) of the Procurement Policy Board Rules, Department of Parks and Recreation intends to enter into a Negotiated Acquisition with Gannet Fleming Engineers PC. Parks is a co-permitee with Ferry Point Partners ("FPP") on the DEC part 360 permit. This permit requires the vendor to monitor fill importation, methane gas and settlement at the Ferry Point Park site. Reports are to be submitted in accordance with the DEC permit. Before we can terminate the concession license with FPP, DPR needs to have the ability to seamlessly meet the requirements of the DEC permit, which is best achieved by contracting with Gannet Fleming Engineers PC, the vendor currently providing services as a subcontractor under the FPP contract. DPR has determined that competitively soliciting for these services is not practicable because any delay in performing and continuing the required monitoring and testing at the site will place the City at risk for substantial fines from DEC and could also potentially impact the surrounding communities. Also, the above vendor has already been approved by the NYS DEC to perform services under the 360 Permit, which would be a substantial delay if another vendor were brought in to perform services. Any firm which believes it can also provide this category of service and would like to be considered, is invited to contact the NYC Parks and Recreation.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.
All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.

- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.

MONITOR FILL IMPORTATION, METHANE GAS MONITORING AND SETTLEMENT MONITORING – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 84607C000C07 – DUE 03-26-07 AT 4:00 P.M. – In accordance with Section 3-04 (b)(2)(i)(D) of the Procurement Policy Board Rules, Department of Parks and Recreation intends to enter into a Negotiated Acquisition with Gannet Fleming Engineers PC. Parks is a co-permitee with Ferry Point Partners ("FPP") on the DEC part 360 permit. This permit requires the vendor to monitor fill importation, methane gas and settlement at the Ferry Point Park site. Reports are to be submitted in accordance with the DEC permit. Before we can terminate the concession license with FPP, DPR needs to have the ability to seamlessly meet the requirements of the DEC permit, which is best achieved by contracting with Gannet Fleming Engineers PC, the vendor currently providing services as a subcontractor under the FPP contract. DPR has determined that competitively soliciting for these services is not practicable because any delay in performing and continuing the required monitoring and testing at the site will place the City at risk for substantial fines from DEC and could also potentially impact the surrounding communities. Also, the above vendor has already been approved by the NYS DEC to perform services under the 360 Permit, which would be a substantial delay if another vendor were brought in to perform services. Any firm which believes it can also provide this category of service and would like to be considered, is invited to contact the NYC Parks and Recreation.

NYC BUSINESS SOLUTIONS TRAINING GRANT – Other – PIN# RFA801WDC005 – DUE 03-28-07 AT 5:00 P.M. – The New York City Department of Small Business Services is pleased to announce up to $1 million in grants available to train and advance your employees. The NYC Business Solutions Training Grant is designed to grow the City's economy by enabling employees to create and retain jobs, increase wages, build skills, and help workers advance in their careers.

To date, New York City has awarded over $2.3 million to 26 growing companies to train 1,477 New Yorkers, matched by $3.2 million in employer contributions. Up to $1 million is available in this round for employers in the following sectors: Aviation, Construction, Film/Media, Financial Services, Healthcare/Bioscience, Hospitality/Tourism, Industrial/ Manufacturing, Retail, and Technology. The grant can fund up to 50 percent of eligible training costs ($300,000 maximum), with the employer paying the balance. Please visit http://www.nyc.gov/training to access a copy of the application or for additional information and instructions. If you have any questions, please contact us at training@sbs.nyc.gov. All applications are due by March 28, 2007.

Significant improvements were made to the grant, enabling us to fund a greater range of business training needs. In addition to occupational training, the grant will now fund Work Readiness Training, which includes, but is not limited to, adult literacy and numeracy (reading and math), English as a Second Language (ESL), and workplace behavior skills (such as timeliness, communication, and interpersonal skills). This improvement will increase your ability to find and keep qualified workers.

Two Pre-Submission Information Sessions: attend one of two sessions that with take place at the NYC Department of Small Business Services, 7th Floor, 110 William Street, New York, NY 10038 on March 7, 2007. Businesses and intermediaries planning to apply may register for the sessions by sending an email to training@sbs.nyc.gov, indicating the organization's name and which session they will attend, 9:30 A.M. - 11:00 A.M. or 1:30 P.M. - 3:00 P.M.

AGENCY RULES

CORRECTION

■ NOTICE

Notice of Opportunity to Comment on Proposed Amendments to the Inmate Rule Book

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Department of Correction by Section 623 of Section 500-k of the New York State Correction Law, Sections 623 and 1043 of the New York City Charter, and Section 9-114 of the Administrative Code of the City of New York, that the Department of Correction intends to amend its Inmate Rule Book, (Chapter 1 of Title 39 of the Rules of the City of New York).

Written comments regarding these proposed rule amendments shall be submitted to Florence A. Hutner, General Counsel, New York City Department of Correction, 60 Hudson Street, Room 604, New York, NY 10013, and shall be received no later than May 10th, 2007.

A public hearing on these proposed rules will be held by the Department of Correction on May 10th, 2007, from 10:00 AM to 12:00 PM and from 1:00 PM to 3:00 PM at the foregoing address. Persons wishing to testify are requested to notify the General Counsel in writing at the foregoing address no later than May 1st, 2007. Any request for a sign language interpreter or other form of reasonable accommodation for a disability shall be submitted to the General Counsel's Office in writing at the above address, by telephone at 212-266-1075, or by TTY/TDD at 212 266-1334 no later than May 1st, 2007.

Written comments and a summary of all comments received at the hearing will be available by appointment for public inspection, within a reasonable time after receipt, between the hours of 9:00 AM and 5:00 PM at the office of the General Counsel.

This rule was not included in the agency's regulatory agenda because the changes to be established by the rule were not anticipated at the time the regulatory agenda was to be published.

Section 1. Chapter 1 of title 39 of the Rules of the City of New York is REPEALED, and a new Chapter 1 is added to read as follows:

CHAPTER 1
INMATE RULE BOOK

§ 1-01 Introduction

This chapter sets forth rules relating to inmates of New York City Department of Correction ("Department") facilities. All inmates will also be provided separately with detailed information relating to their incarceration, including the subjects covered in section 1-02 of these rules.

§ 1-02 Rights and Privileges

(a) *Property.*
When you first come to jail, any property that is taken from you that involves a criminal offense may be forwarded to the appropriate law enforcement agency for possible criminal prosecution and subject you to disciplinary action. Property taken from you that does not involve a criminal offense will be identified, receipted, stored and returned to you after your discharge from Department custody. Upon incarceration, you will be given more information about what property may be kept in jail and how to get other property back after discharge.

(b) *Recreation.*
The Department may revoke, deny or limit your right to participate in recreation for a recreation-related offense. Upon incarceration, you will be given more information about how and when the Department can limit recreation.

(c) *Religious rights.*
You may attend religious services with general population inmates unless you are found to pose a threat to the safety and security of the institution, including if the Department finds it likely that you will disrupt the service. Upon incarceration, you will be given more information about your religious rights in jail.

(d) *Telephone calls.*
The Department may limit your telephone calls if they constitute a threat to institutional safety or security or if you abuse the telephone regulations. The Department may monitor or record your telephone calls except for privileged calls. Upon incarceration, you will be given more information about your rights to telephone calls.

(e) *Visits.*
The Department may revoke, deny or limit your contact visits if they constitute a serious threat to institutional safety or security. Upon incarceration, you will be given more information about your right to visits and the permitted schedules of those visits.

§ 1-03 Rules of Conduct

(a) Introduction.
This section sets forth the behavior that is prohibited in Department of Correction ("Department") facilities. The grade of each offense is listed. The acts of conspiracy, attempt, and accessory will be punishable to the same degree as the actual offense involved.

(b) Definitions.
(1) "Accessory" shall mean assisting in any way in the violation of a Department rule, before, during or after such violation.
(2) "Any person" shall include, but not be limited to, uniformed and civilian Department staff, medical staff, contractors and their employees, volunteers, visitors and inmates.
(3) "Attempt" shall mean any act that is intended to and tends to lead to a violation of a Department rule.
(4) "Contraband" shall mean any item that is not sold in the commissary, that is not on the approved list of permissible items, that is possessed in more than the approved amount, or that the inmate does not have permission to possess. Contraband includes items that may disrupt the safety, security, good order and discipline of the facility. Any item that is illegal for an individual not on Department property to possess is also illegal to use or possess on Department property. Possession of contraband may subject an inmate to criminal prosecution as well as disciplinary action. Any person who tries to introduce contraband into a facility may also be subject to criminal prosecution.
(5) "Conspiracy" shall mean an agreement between one or more persons to violate a Department rule.
(6) "Good Time" shall mean a discretionary reduction of up to one third of the term of commitment for a definite sentence or certain civil commitments, as allowed by the New York State Correction Law.
(7) "Security Risk Group" shall mean persons such as gang members, intended or actual contraband recipients, and weapons carriers or users, whose actions violate laws or established rules of conduct, or persons who belong to groups whose purpose is antithetical to established law enforcement authority.
(8) "Unauthorized group" shall mean five or more inmates remaining in close physical proximity to each other when not authorized to do so by Department personnel.

(c) Prohibited conduct.

(1) *Arson (setting fires)*
Grade I:
100.10. An inmate is guilty of arson when he or she intentionally starts or attempts to start any fire or causes or attempts to cause any explosion.

(2) *Assault and Fighting*
Grade I:
101.10. An inmate is guilty of assault on staff when he or she injures or attempts to injure any staff member, or when he or she spits on or throws any object or substance at any staff member. Assault or attempted assault on staff is always a Grade I offense.
101.11: An inmate is guilty of Grade I assault when he or she injures any other person, or when he or she spits on or throws any object or substance at any other person.
101.12: An inmate is guilty of Grade I assault on an inmate when he or she injures any other inmate, or when he or she spits on or throws any object or substance at any other inmate.
101.13: An inmate is guilty of assault with a weapon when he or she uses any item to assault or attempt to assault any person.
101.14: An inmate is guilty of Grade I fighting when he or she engages in a physical struggle with another inmate that results in injury to any person.

Grade II:
101.16: An inmate is guilty of Grade II assault when he or she attempts to injure any person other than a staff member, without using a weapon, but does not cause injury.
101.17: An inmate is guilty of Grade II fighting when he or she engages in a physical struggle with another inmate that does not result in injury.

Grade III:
101.18: An inmate is guilty of Grade III fighting when he or she engages in a non-violent physical struggle with another person such as horseplay, boxing, wrestling or sparring.

(3) *Bribery*
Grade I:
102.10: An inmate is guilty of bribery when he or she gives or attempts to give any benefit, including but not limited to money or valuable items, to any person, with the intent of influencing that person's conduct or obtaining a benefit for himself or herself.

(4) *Contraband*
Grade I:
103.05: Inmates shall not possess any tobacco-related products including, but not limited to, cigarettes, cigars, loose tobacco, chewing tobacco, rolling paper, matches and lighters.
103.07: Inmates shall not sell, exchange or distribute tobacco-related products including, but not limited to, cigarettes, cigars, loose tobacco, chewing tobacco, matches and lighters.
103.08: Inmates shall not make, possess, sell or exchange any amount of alcoholic beverage.
103.10: Inmates shall not make, possess, sell or exchange any type of contraband weapon. Any object that could be used as a weapon may be classified as a weapon.
103.10.5: Inmates shall not possess or transport a Department-issued razor outside the housing area.
103.10.6: Inmates shall return all Department-issued razors after shaving is completed, in accordance with Department or facility procedures. Razors shall be returned in the same condition as received; for example, blade and handle shall be intact.
103.11: Inmates shall not make, possess, sell, give or exchange any amount of narcotic, narcotic paraphernalia, or any other controlled substance.
103.12: Inmates shall not make, possess, sell, give or exchange any type of escape paraphernalia. Where there is the likelihood that an item can be used to aid an escape, it may be classified as escape paraphernalia. Keys, possession of identification belonging to another person, or fictitious person, transferring an inmate's identification to another, possession of employee clothing, or any other articles which would aid in an escape, or which suggest that an escape is being planned, are contraband.
103.12.5: Inmates shall not possess any type of electronic telecommunication and/or recording device or any part of such instrument, which is designed to transmit and/or receive telephonic, electronic, digital, cellular or radio communications. The term "telecommunication device" shall include, but not be limited to, any type of instrument, device, machine or equipment which is designed to transmit and/or receive telephonic, electronic, digital, cellular or radio signals or communications or any part of such instrument, device, machine or equipment as well as any type of instrument designed to have sound, or image recording abilities and shall include, but not be limited to, a cellular or digital phone, a pager, a two-way radio text messaging or modem device (including a modem equipment device), a camera, a video recorder and a tape or digital recording device, or any other device that has such capabilities. (Radios sold in commissary are excluded from this prohibition.) Inmates shall not possess any type of device or any part of such instrument designed to have sound and/or image recording or capturing capabilities. Such devices shall include, but not be limited to, cameras (digital or film), video recorders, and tape or digital recording devices. Inmates are also prohibited from possessing any type of phone or battery charger, or A/C adapter for any electronic device prohibited by this rule.
103.12.6: Inmates shall not possess any contraband with intent to sell or distribute such contraband.
103.12.7: An inmate is guilty of the offense of Possession of Contraband Grade I when such inmate possesses money whose value exceeds twenty (20) dollars in cash or checks. Money confiscated as contraband will be deposited in the City's treasury and will not be returned to the inmate.

Grade II:
103.13: Inmates shall not sell or exchange prescription drugs or non-prescription drugs. Inmates shall not possess prescription drugs that they are not authorized by medical staff to possess.
103.13.5: Inmates shall not possess prescription or non-prescription drugs in quantities in excess of that authorized by medical staff. Inmates are not authorized to possess expired prescription medication or drugs.
103.13.6: Inmates are not authorized to possess any drug that by prescription, or by medical order, must be ingested in view of Department and/or medical staff.
103.13.7: Inmates shall not possess more than one Department-issued razor.
103.14: Inmates shall not make, possess, sell, exchange, use or display any item that identifies the inmate as a member or associate of a Security Risk Group or of a gang. Articles of religious significance that are Security Risk Group identifiers shall only be considered contraband if they are displayed. Incidental or inadvertent exposure of the item (for example, while showering, saying the rosary or other religious observance, dressing or undressing or sleeping) shall not be considered "display" under this rule.
103.15: An inmate is guilty of the offense of Possession of Contraband Grade II when such inmate possesses money not in excess of twenty (20) dollars, or checks or credit cards. Money confiscated as contraband will be deposited in the City's treasury and will not be returned to the inmate.

Grade III:

(33) Acts of Hate
Grade I:
131.00: Inmates shall not engage in acts of hate against any person due to a belief or perception regarding such person's race, color, national origin, affiliation with any group, religion, religious practice, age, gender, disability, or sexual orientation.
131.10 Any action that targets a person or group in a negative and or hostile manner is strictly prohibited. Inmates shall not intentionally commit any verbal and or physical offense against staff, inmates, or visitors, in whole or substantial part based on the other person's or persons' race, religion, color, national origin, group affiliation, age, gender or sexual orientation.

§ 1-04 Hearing Procedures

This section sets forth hearing procedures for all inmates.
(a) *General procedures*
(1) When you are placed against your will in any of the most restrictive security categories, including punitive segregation, you will be given written notice of:
(i) The reasons for the designation.
(ii) The evidence relied upon. The Department is not required to provide you with the source of confidential information.
(iii) The right to a hearing before an impartial Adjudication Captain appointed from the Adjudication Unit.
(2) If you are transferred to close custody (CC), including protective custody (CC/PC), the Department will determine within two business days whether you should continue in such housing. If you do not consent to a decision to continued CC or CC/PC placement, you will be provided with written notice as set forth in §1-04(a)(1).
(3) If you request a hearing you will have the following rights:
(i) The opportunity to personally appear.
(ii) To be informed of the evidence against you.
(iii) The opportunity to make a statement, to call witnesses and to submit documentary evidence, subject to the Adjudication Captain's right to keep the hearing within reasonable limits, and provided that the witnesses are reasonably available and that their attending the hearing will not be unduly hazardous to institutional safety or correctional goals.
(iv) The opportunity to confront and cross-examine witnesses whenever the Adjudication Captain cannot reasonably determine the facts without cross-examination and provided that the proposed cross-examination will not unreasonably disrupt the proceeding or threaten the safety of any person.
(4) If you are illiterate or if your case is very complicated, you have the right to be helped by a "hearing facilitator" (not a lawyer). In hearings other than disciplinary infraction hearings, the Department may in its discretion allow you to have present a lawyer who is willing to represent you.
(5) The Adjudication Captain will ensure that the proceedings of the hearing are recorded.
(6) The hearing will be held between 24 and 72 hours after you receive the written notice of your classification, unless an adjournment is required. If a holiday or weekend intervenes, the Department can hold the hearing on the next business day after you receive the written notice of your classification.
(7) If the Adjudication Captain determines that you belong in one of the high security categories he or she will explain the decision in writing within 24 hours after the hearing. You will receive a copy of that decision.
(8) If you are placed in a high security category other than pre-hearing detention or punitive segregation, the Department will review your case every twenty-eight (28) days to see if your classification should be changed. You will be notified in writing of the results of that review.
(9) Hearings may be held in absentia (that is, without you present) only under the following circumstances:
(i) You are notified of the hearing and refuse to appear; or
(ii) You appear and are extremely disruptive, causing a situation which is unduly hazardous to institutional safety, and necessitating your removal from the hearing room, thus constituting a constructive refusal to appear.
When either of these situations arises, the justification for holding the hearing in absentia shall be clearly documented in the Adjudication Captain's decision.

§ 1-05. Penalties

(a) *Introduction.*
If you are found guilty of violating a Department rule of conduct, your penalty will depend on the seriousness of your offense. Grade I offenses are the most serious and Grade III offenses are the least serious. The penalty will also depend on the facts and circumstances of your case. If you have a good explanation or justification for your actions – what is known as "mitigating circumstances" – you may receive a less severe penalty.
Any of the penalties set forth below, or a combination of them, may be imposed on you for violating Department rules of conduct.

(b) *Reprimand.*

You may lose one or more privileges, temporarily or permanently, except that:

(i) You will not be deprived of the right to receive visitors, although contact visits may be replaced with non-contact visits.

(ii) You will not be deprived of the right to send or receive mail.

(iii) You will not be deprived of the right to contact legal counsel.

(iv) You will not be deprived of the right to have recreation, although congregate recreation (with other inmates) may be replaced with individual recreation. However, in situations where providing recreation on an individual basis to a particular inmate would threaten the safety or security of the staff, inmates, or the facility, recreation may be withheld. It will only be withheld in accordance with Department Directives addressing this issue.

(c) *Loss of Good Time*

If you are sentenced and serving your time in a Department facility, you may lose good time.

(i) You may lose all your good time for a Grade I offense.

(ii) The maximum that you can lose for a Grade II offense is two-thirds of all of your good time.

(iii) The maximum that you can lose for a Grade III offense is one-third of all of your good time.

(d) *Punitive Segregation*

(i) The maximum period of punitive segregation for a Grade I offense is ninety (90) days for each disciplinary charge.

(ii) The maximum period for a Grade II offense is twenty (20) days for each disciplinary charge.

(iii) The maximum period for a Grade III offense is ten (10) days for each disciplinary charge.

(e) *Restitution*

If you are found guilty of damaging or destroying City property, you may be ordered to pay restitution, which can be as much as the replacement cost of the item or property, plus the labor costs of fixing or replacing the item you damaged or destroyed. If you are found guilty of an assault that causes a need for medical services, you can be ordered to make a restitution payment towards the cost to the City of providing such medical services.

(f) *Repeated offenses*

The third time you are found guilty of a rule of conduct violation for the same offense during the same period of incarceration, you may be sentenced to a penalty that applies to the next higher grade of offenses. For example, the third time you are found guilty of violating a specific Grade III offense during the same period of incarceration, you may be given a Grade II penalty. Similarly, the third time you are found guilty of violating a specific Grade II offense during the same period of incarceration, you may be given a Grade I penalty.

(g) *Surcharge*

A disciplinary surcharge, in the maximum amount allowed by law, may be imposed on you for violating a rule of conduct.

Statement of Basis and Purpose

The Commissioner of the New York City Department of Correction is authorized by Sections 389 and 1043 of the City Charter and Section 9-114 of the Administrative Code to adopt rules relating to the management of Department of Correction facilities and the conduct of inmates in such facilities.

General Description of Changes

The proposed rules would amend Sections 1-01, 1-02 and 1-03 of Title 39 of the Rules of the City of New York. The purpose of the proposed rules is to further deter inmate misconduct and increase inmate compliance with institutional rules and regulations, thereby maintaining the good order of and increasing safety at the City's correctional institutions. The proposed rules incorporate many of the previously promulgated rules of conduct and also include new prohibitions, including: testing positive for alcohol or illegal drugs/substances; refusing to provide a sample for random drug/alcohol and possessing electronic telecommunication and/or recording devices. In addition, the penalties for violations of certain rules of conduct have been increased. These additional rules and enhanced penalties have been determined to be necessary to further deter the entrance and use of contraband into Department of Correction facilities by inmates or their agents and to further deter misconduct, thereby positively affecting the good order of, and safety at, the City's correctional institutions.

These proposed rules were not included in the regulatory agenda for Fiscal Year 2007 because the need for such rules and changes was not anticipated at the time the regulatory agenda was to be published.

Specific Changes

The list of areas of prohibited behavior in former Section 1-01 was omitted as duplicative of the list of rules of conduct fully described in Section 1-03. Proposed Section 1-01 introduces the Inmate Rule Book and informs the public that all inmates will be provided separately with additional information on certain subjects of these rules.

Former Section 1-02(a), "Due process – detainees in high security categories", has been updated and renumbered as Section 1-04, entitled "Hearing Procedures". Significant amendments include the notification that the Department is not required to provide inmates with the source of confidential information (1-03(a)(1)(ii)); a clarification of the requirements to permit inmates to call witnesses at their due process hearings (1-03(a)(2)(iii)) and of the right to cross-examine witnesses (1-03(a)(2)(iv)); and the renaming of the "counsel substitute" as "hearing facilitator".

Former Section 1-02(b), "Homosexual housing", has been deleted from these rules because the Department no longer designates any housing areas as homosexual housing.

Former Section 1-02(c), "Centrally monitored case", has been deleted from these rules because the designation of an inmate as a "centrally monitored case" is an internal administrative categorization that does not itself affect housing, method of restraint, or any other incident of confinement that implicates an inmate's due process rights.

Former Section 1-02(d), "Confiscation of property", has been clarified and replaced with proposed Section 1-02(a), "Property".

Former Section 1-02(e), "Recreation", has been clarified and replaced with proposed Section 1-02(b), "Recreation".

Former Section 1-02(f), "Religious services", has been clarified and replaced with proposed Section 1-02(c), "Religious rights".

Former Section 1-02(g), "Telephone calls", has been clarified and replaced with proposed Section 1-02(d), "Telephone calls".

Former Section 1-02(h), "Visiting", has been clarified and replaced with proposed Section 1-02(e), "Visits".

Former Section 1-03, "Inmate Discipline", has been renamed "Rules of Conduct".

Former Section 1-03(a) has been consolidated with former Section 1-02(a) as a proposed Section 1-04, "Hearing Procedures", which is described above.

Former Section 1-03(b), "Penalties that can be administered", and 1-03(c), "Normative range of penalties", have been consolidated and renumbered as proposed Section 1-05, "Penalties". The majority of the changes in these sections are for clarification only. Additionally, the maximum period of punitive segregation for all Grade I offenses will be 90 days for each disciplinary charge (proposed Section 1-05(d)(1)).

Former Section 1-03(d), "Categories of offenses and consequent penalties", has been reorganized and renumbered as proposed Section 1-03, "Rules of Conduct".

Proposed Section 1-03(a) introduces the rules and states that the acts of conspiracy, attempt, and accessory will be punishable to the same degree as the actual offense involved.

Proposed Section 1-03(b) would provide definitions for the terms "accessory", "any person", "attempt", "contraband", "conspiracy", "good time", "security risk group", and "unauthorized group".

Proposed Section 1-03(c), "Prohibited conduct", lists the specific actions that are prohibited for inmates in Department custody, with the grade of each offense. This section has been edited for clarity and reorganized to incorporate the rule numbering in effect in the Department. Additionally, the following conduct is now prohibited:

- The possession, sale, exchange, or distribution of tobacco and tobacco-related products (proposed Rules 103.05and 103.07) and alcohol (proposed Rule 103.08)
- The possession of any type of electronic telecommunication and/or recording device or part thereof (proposed Rule 103.12.5)
- The refusal to provide a DNA sample as required by law for designated offenders (proposed Rule 129.10)
- The refusal to provide a sample for random drug/alcohol testing (proposed Rule 130.10)
- Testing positive for alcohol or drugs (proposed Rules 130.11 and 130.12)
- Acts of hate (proposed Rules 131.00 and 131.10)

OFFICE OF THE MAYOR

■ NOTICE

THE CITY OF NEW YORK
OFFICE OF THE MAYOR
NEW YORK, N.Y. 10007

PROCLAMATION OF ELECTION

As a result of the determination by the New York City Board of Elections on March 8, 2007 that Mathieu Eugene was the winner of the special election, held on February 20, 2007, to elect an interim Council Member for the fortieth Council District, and the letter to the City Clerk, dated March 8, 2007, by Mathieu Eugene stating that he will not take the oath of office to act as such Council Member, a vacancy has been created in the position of Council Member for the fortieth Council district. Accordingly, pursuant to the authority vested in me by Sections 25(b)(1) and 25(b)(6) of the New York City Charter, I hereby proclaim that a special election shall be held in the fortieth Council district on April 24, 2007 to elect an interim Council Member to serve until December 31, 2007. Pursuant to Section 25(b)(7) of the Charter, nomination of candidates in this election shall be by independent nominating petition. Subsequent to such election, pursuant to Section 25(b)(2) of the Charter, the seat for such district shall be filled for the remainder of the unexpired term by the person duly elected at the general election to be held in November 2007.

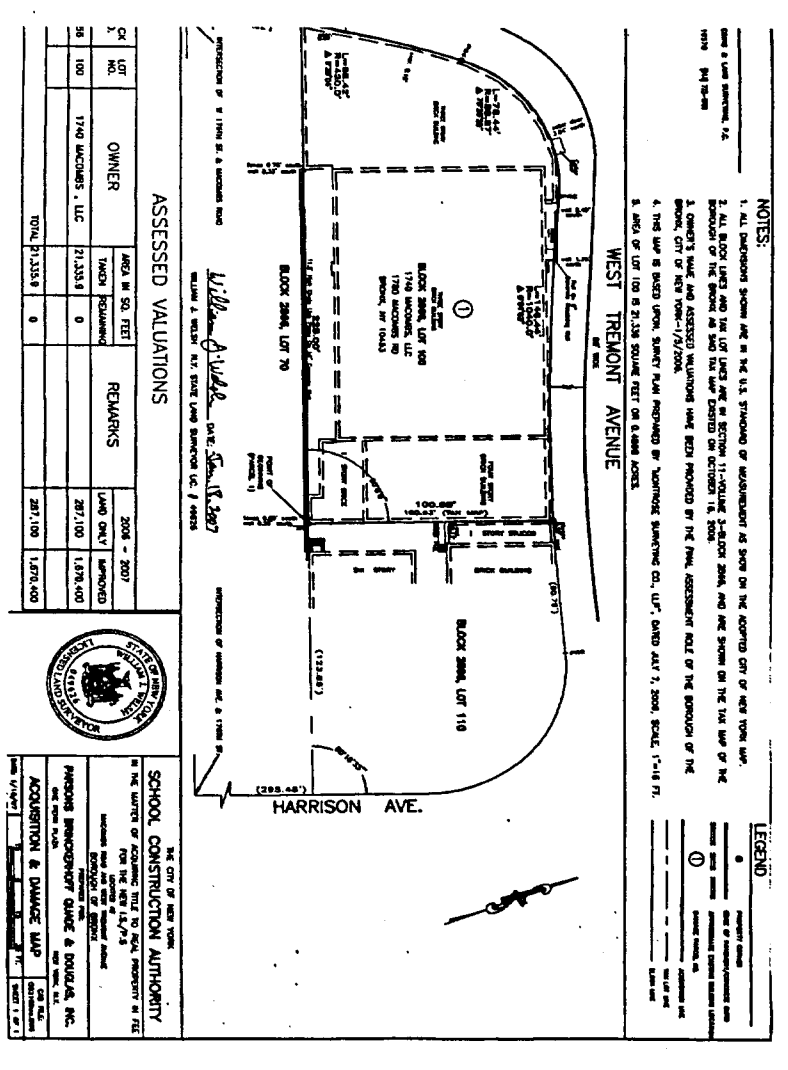
COURT NOTICE MAP FOR SCHOOL CONSTRUCTION AUTHORITY FOR P.S./I.S 338X- BRONX



READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above $100,000 for information technology and for construction and construction related services, above $50,000 for other services, and above $25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately $7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:
Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.
If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the *CR*.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, http://NYC.GOV.Selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.

CORRECTION: PROVISION OF NON-SECURE DETENTION CENTERS – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13007DJJ001 – DUE 11-14-08 AT 3:00 P.M. – CORRECTION: The NYC Department of Juvenile Justice (DJJ) is seeking one or more appropriately qualified vendors to provide non-secure detention services for youth. Services shall include, but not be limited to, custody, basic youth care, food, clothing, shelter, education, health care, recreation, court related services, social work and case management services, social skills instruction, group sessions and monitoring and supervision of these services. In addition, the contract will require that a defibrillator shall be located in each program facility and that all staff requiring CPR training shall be certified in use of said defibrillator.

Each program facility will provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq. The Department is seeking to provide services at facilities that will be operational at any time from January 1, 2007 to December 31, 2010. A vendor may submit an offer for more than one Facility Option. Current Agency vendors operating non-secure group homes that have contracts expiring in calendar year 2006 are urged to respond to this solicitation.

All program facilities shall be appropriately equipped to provide services for male or female youth as required by the Department, and be located in one of the five boroughs of the City of New York. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew. The anticipated maximum average annual funding available for each contract will be $1,067,000, excluding start-up costs. Proposed start-up costs will be considered in addition to the proposed annual line item budget. Greater consideration will be given to applicants offering more competitive prices.

If your organization is interested in being considered for award of the subject contract, please hand deliver a written expression of interest addressed to my attention at 365 Broadway, 5th Floor, New York, NY 10013. The expression of interest should specifically address the following:

1. Indicate each program facility for which the vendor is submitting.

2. Describe each proposed facility, its location, and proposed date of operation.

3. Attach appropriate documentation demonstrating the current use of each proposed facility and the vendor's site control of the facility for a period of at least 3 years.

4. For each proposed facility,
a) Indicate the number of beds to be provided and demonstrate that the facility has the capacity to provide the indicated number of beds.
b) Demonstrate that the facility will be appropriately equipped to provide services for male or female youth.

5. Demonstrate the vendor's organizational capability to:
a) Provide the indicated number of beds at each proposed facility. (If the vendor is a current provider, also demonstrate the capability to provide the indicated number of beds in addition to those already provided.)
b) Ensure that each proposed facility will be fully operational by required date in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYS OCFS), 9 N.Y.C.R.R. Section 180 et seq.

6. Demonstrate the quantity and quality of the vendor's successful relevant experience.

7. Attach for each proposed facility three-year annual line item operating budget. Include staffing details. Proposed start up costs should be included in addition to the proposed three-year annual line item operating budget.

All expressions of interest received in the manner set forth will be reviewed to determine if they are responsive to the material requirements of this solicitation. Expressions of interest determined to be non-responsive will not be further considered. Expressions of interest determined to be responsive will be considered in terms of the following factors:

- Appropriateness of each proposed facility.
- Demonstrated site control of each proposed facility.
- Demonstrated level of organizational capability to provide the proposed number of beds and to ensure that each proposed facility if fully operational by the applicable requisite date.
- Demonstrated quantity and quality of successful relevant experience.
- Annual budget amount and cost effectiveness of the budget.

The Department will enter into negotiations with the vendor(s) determined to be the best qualified at the time of evaluation, based on consideration of the above-cited factors. A contract will be awarded to the responsible vendor(s) whose offer(s) is/are determined to be the most advantageous to the City, taking into consideration the price and the other factors set forth in this solicitation. In the case that a vendor is eligible for award of more than one program facility, the Department reserves the right, based upon the vendor's demonstrated organizational capability and the best interest of the City, respectively, to determine how many and for which program facility(ies) the vendor will be awarded a contract.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

MONITOR FILL IMPORTATION, METHANE GAS MONITORING AND SETTLEMENT MONITORING – Negotiated Acquisition – Other (Describe below in Other Legally Mandated Information) - PIN# 84607C000C07 – DUE 03-26-07 AT 4:00 P.M. – In accordance with Section 3-04 (b)(2)(i)(D) of the Procurement Policy Board Rules, Department of Parks and Recreation intends to enter into a Negotiated Acquisition with Gannet Fleming Engineers PC. Parks is a co-permitee with Ferry Point Partners ("FPP") on the DEC part 360 permit. This permit requires the vendor to monitor fill importation, methane gas and settlement at the Ferry Point Park site. Reports are to be submitted in accordance with the DEC permit. Before we can terminate the concession license with FPP, DPR needs to have the ability to seamlessly meet the requirements of the DEC permit, which is best achieved by contracting with Gannet Fleming Engineers PC, the vendor currently providing services as a subcontractor under the FPP contract. DPR has determined that competitively soliciting for these services is not practicable because any delay in performing and continuing the required monitoring and testing at the site will place the City at risk for substantial fines from DEC and could also potentially impact the surrounding communities. Also, the above vendor has already been approved by the NYS DEC to perform services under the 360 Permit, which would be a substantial delay if another vendor were brought in to perform services. Any firm which believes it can also provide this category of service and would like to be considered, is invited to contact the NYC Parks and Recreation.

STATUTORY AUTHORITY

This amendment to the New York City Health Code ("Health Code") is promulgated pursuant to Sections 556, 558 and 1043 of the New York City Charter ("Charter"). Section 556 of the Charter grants the New York City Department of Health and Mental Hygiene ("Department") jurisdiction to regulate matters affecting health in the City of New York. Specifically, Section 556(c)(2) of the Charter authorizes the Department to supervise the reporting and control of communicable and chronic diseases. Section 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 of the Charter grants rule-making powers to the Department.

STATEMENT OF BASIS AND PURPOSE

The New York City Department of Health and Mental Hygiene (Department) is proposing to amend Section 11.03 (a) of the New York City Health Code (Health Code) to remove "urethritis, non-gonococcal" (commonly referred to as "NGU") from the list of reportable diseases/conditions because there is no longer a public health value in having this reported to the Department.

NGU was made a reportable disease/condition with the intent that it serve as a surrogate measure of *Chlamydia trachomatis* infection in the male population. At the time NGU was made reportable, there were very limited diagnostic tests for *Chlamydia trachomatis*, and men were not routinely tested or screened for that infection. There are now highly sensitive and specific tests for *Chlamydia trachomatis* which may be performed on male urethral and urine specimens, and males are being tested and screened for this infection with increasing frequency, and reported to the Department. For this reason, reports of NGU are no longer likely to represent *Chlamydia trachomatis* infection, and in any event, monitoring reports of laboratory-confirmed *Chlamydia trachomatis* infection is the best means of measuring the burden of that disease in the population. Therefore, the Department proposes amending §11.03 of the Health Code by removing NGU from the list of reportable diseases/conditions.

STATEMENT PURSUANT TO SECTION 1042-REGULATORY AGENDA

This proposal was not included in the fiscal year 2007 Department Regulatory Agenda as this action is the result of recent analysis.

The proposal is as follows:

Note - Matter in brackets [ ] is to be deleted.
Matter underlined is new.

RESOLVED, that subdivision (a) of Section 11.03 of Article 11 of the New York City Health Code, as set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on June 15, 2006, be and the same hereby is amended, to be printed together with explanatory notes, by deleting the entry for "Urethritis, non-gonococcal", as follows:

§11.03. Diseases and conditions reportable.

(a) Cases and carriers affected with any of the following diseases and conditions, and persons who at the time of their death were apparently so affected, shall be reported to the Department:

***
Tularemia
Typhoid fever
[Urethritis, non-gonococcal]
Vaccinia disease, defined as:

(1) Persons with vaccinia infection due to contact transmission; and,

(2) Persons with the following complications from vaccination: eczema vaccinatum, erythema multiforme major or Stevens-Johnson syndrome, fetal vaccinia, generalized vaccinia, inadvertent inoculation, myocarditis or pericarditis, ocular vaccinia, post-vaccinial encephalitis or encephalomyelitis, progressive vaccinia, pyogenic infection of the vaccination site, and any other serious adverse events (i.e., those resulting in hospitalization, permanent disability, life-threatening illness or death).

***

Notes: The Department is proposing to remove "urethritis, non-gonococcal" from the list of reportable diseases/conditions because there is no longer a public health value in having this reported to the Department.

STATUTORY AUTHORITY

These amendments to the New York City Health Code ("Health Code") are proposed pursuant to Sections 556, 558

and 1043 of the New York City Charter ("Charter") and applicable state and federal law. Section 556 of the Charter grants the New York City Department of Health and Mental Hygiene ("Department") jurisdiction to regulate matters affecting health in New York City (NYC). Specifically, Section 556 (c)(11) of the Charter authorizes the Department to regulate all aspects of ionizing radiation within the five boroughs of New York City. Sections 558 (b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 of the Charter grants rule-making powers to the Department. The New York State (NYS) Sanitary Code (10 NYCRR §16.1(b)(3)) delegates radiation licensure regulation to those localities that have a population of more than 2,000,000, provided that said requirements are consistent with NYS Sanitary Code requirements. Section 274 of the Federal Atomic Energy Act of 1954 (the Act) (codified at 42 USC §2021) authorizes "Agreement States" to regulate byproduct material, source material and special nuclear material in quantities not sufficient to form a critical mass. New York State is an "Agreement State" within the meaning of the Act, and the New York City Department of Health and Mental Hygiene is a component of and a party to the relevant Agreement.

STATEMENT OF BASIS AND PURPOSE

The Office of Radiological Health (ORH) licenses and inspects radioactive materials facilities for compliance with Article 175 of the New York City Health Code for the protection of the health and safety of patients, radiation program employees and the general public. There are about 375 licensed sites in New York City possessing radioactive material for medical, academic and research purposes. ORH inspects these facilities at frequencies of once every one, two or three years depending on the type of usage.

New York State is an "Agreement State", which means that the State and the United States Nuclear Regulatory Commission (NRC) have entered into an agreement under the Atomic Energy Act, which delegates authority to NYS to regulate radioactive material at non-reactor sites within its jurisdiction. The New York State Agreement is comprised of three regulatory programs - New York State Department of Health (DOH), New York State Department of Environmental Conservation (DEC), and the New York City Department of Health and Mental Hygiene (DOHMH). Formerly, the radiation protection division of the New York State Department of Labor (DOL) was a fourth agency, which regulated commercial and industrial sources of radiation. This division of DOL has recently been subsumed under DOH. Under this Agreement State structure, the New York City Department of Health and Mental Hygiene, through ORH, regulates radioactive material for medical, academic and research purposes within the five boroughs of New York City.

Each Agreement State program (there are currently 33) is required to maintain compatibility with NRC regulatory program requirements. To assure compatibility with applicable federal regulations on radioactive materials, the NYC Health Code requires amendment.

PROPOSED CHANGES TO HEALTH CODE

In May 2006, the NRC reviewed portions of Article 175 submitted to it by ORH. This NRC review resulted in 8 (eight) comments, which were transmitted to DOHMH by letter dated June 12, 2006. Based on these NRC comments, the following eight amendments to Article 175 are proposed to address NRC's compatibility concerns:

- **Radiation Protection Requirements: Amended Definitions and Criteria**
  1. Amend the §175.02(a) definition "Member of the Public".
  2. Amend the §175.02(a) definition "Occupational Dose".

- **Recognition of Agreement State Licenses in Areas Under Exclusive Federal Jurisdiction Within An Agreement State**
  3. Amend §175.101(m) to indicate that non-NRC licensees are to provide 3 days advance notice to NRC of activity in areas under exclusive federal jurisdiction within NYC.

- **Radiological Criteria for License Termination**
  4. Amend §175.02(a) definition "BackgroundRadiation".
  5. Amend §175.02(a) by adding the definition "Critical Group".
  6. Amend §175.02(a) by adding the definition "Decommission".
  7. Amend §175.02(a) by adding the definition "Distinguishable from background".
  8. Amend §175.02(a) by adding the definition "Residual radioactivity".

1. Amend the §175.02(a) definition of "Member of the Public" to include the reference to 'occupational dose' as contained in the NRC's definition of 10 CFR §20.1003.

The definition of "Member of the Public", located at §175.02(a)(132), would be changed by inserting the following underlined text and deleting the [bracketed text] as indicated below in italics:

"Member of the public" means any individual, except [an] when that individual [who is performing assigned duties for the licensee or registrant involving exposure to sources of radiation] is receiving an occupational dose.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH needs to include the phrase "occupational dose" to 175.02(132) [sic] to meet the Compatibility Category A designation assigned to this definition in Section 10 CFR 20.1003." The amended definition is now identical to the NRC definition of "Member of the Public".

2. Amend the §175.02(a) definition of "Occupational Dose" to differentiate between licensed and unlicensed sources of radiation consistent with NRC's definition.

The definition of "Occupational Dose", located at §175.02(a)(141), would be changed by inserting the following underlined text and deleting the [bracketed text] as indicated below in italics:

"Occupational dose" means the dose received by an individual in the course of employment in which the individual's assigned duties involve exposure to [sources of] radiation[,] or to radioactive material from licensed and unlicensed sources of radiation, whether in the possession of the licensee, registrant, or other person. Occupational dose does not include doses received[:] from background radiation, from any medical administration the individual has received, from exposure to individuals administered radioactive material and released under §175.103(c)(9) [as a patient from medical practices], from voluntary participation in medical research programs, or as a member of the public.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH needs to revise the definition of "occupational dose" to include both licensed and unlicensed sources of radiation add the phrase to 175.02(141) [sic] to meet the Compatibility Category A designation assigned to this definition in Section 10 CFR 20.1003." The amended definition is now essentially identical to the NRC definition of "Occupational Dose".

3. Amendment of §175.101(m) concerns reciprocity approval by NRC. NRC is requiring three-day advance notice to it for approval prior to any initial activity by any Agreement State licensee/non-NRC licensee in areas under exclusive federal jurisdiction within NYC.

§175.101(m)(2) would be changed by inserting the underlined text as indicated below in italics:

The holder of a license issued by the New York State Department of Labor, the New York State Department of Health, the New York City Department of Health and Mental Hygiene or an Agreement State must obtain reciprocity approval from the U.S. Nuclear Regulatory Commission to conduct licensed activity in areas of exclusive federal jurisdiction within New York City. At least three days before engaging in each activity for the first time in a calendar year, the licensee will provide the U.S. Nuclear Regulatory Commission with advanced notice of its proposed activity in areas under exclusive federal jurisdiction within New York City, as indicated in 10 CFR § 150.20, or its successor regulation.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH needs to include a reference to advance notification in 175.101(m) to meet Compatibility Category C designation assigned to Section 10 CFR 150.20." The amended provision now captures the essential objectives of the NRC requirement.

4. Amend the §175.02(a) definition of "Background radiation" to include the phrase "or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under control of the licensee" compared to NRC's definition.

The definition of "Background radiation", located at §175.02(a)(20), would be changed by inserting the following underlined text and deleting the [bracketed text] as indicated below in italics:

"Background radiation" means radiation from cosmic sources; naturally occurring radioactive material[s], including radon[,] (except as a decay product of source or special nuclear material[,]); and [including] global fallout as it exists in the environment from the testing of nuclear explosive devices or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under the control of the licensee. "Background radiation" does not include radiation from any regulated sources of radiation.

This amendment is proposed to satisfy the NRC Comment: "NYCDH needs to add the phrase "or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under control of the licensee" to 175.01(20) (sic) to meet the Compatibility Category A designation assigned to this definition in Section 10 CFR 20.1003." The amended definition is now essentially identical to the NRC definition of "Background radiation".

5. Amend §175.02(a) by adding the definition "Critical Group" from 10 CFR §20.1003. The definition "Critical Group" as shown in the underlined text below, would be inserted in §175.02(a) in alphanumeric order, and all subsequent subdivisions would be re-numbered accordingly.

"Critical Group" means the group of individuals reasonably expected to receive the greatest exposure to residual radioactivity for any applicable set of circumstances.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH omitted a definition for "critical group" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category B designation assigned to this portion of Section 10 CFR 20.1003." The proposed definition is identical to the NRC definition of "Critical Group".

6. Amend §175.02(a) by adding the definition "Decommission" from 10 CFR §20.1003. The definition "Decommission" as shown in the underlined text below, would be inserted in §175.02(a) in alphanumeric order and all subsequent subdivisions would be re-numbered accordingly.

"Decommission" means to remove a facility or site safely from service and reduce residual radioactivity to a level that permits -
(i) Release of the property for unrestricted use and termination of the license; or
(ii) Release of the property under restricted conditions and termination of the license.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH omitted a definition for "decommission" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category designations assigned to these portions 10 CFR 20.1003, 30.4, 40.4 and 70.4." The proposed definition is identical to the NRC definition of "Decommission".

7. Amend §175.02(a) by adding the definition "Distinguishable from background" from 10 CFR §20.1003. The definition "Distinguishable from background" as shown in the underlined text below, would be inserted in §175.02(a) in alphanumeric order and all subsequent subdivisions would be re-numbered accordingly.

"Distinguishable from background" means that the detectable concentration of a radionuclide is statistically different from the background concentration of that radionuclide in the vicinity of the site or, in the case of structures, in similar materials using adequate measurement technology, survey, and statistical techniques.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH omitted a definition for "distinguishable from background" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category B designation assigned to this portion of Section 10 CFR 20.1003." The proposed definition is identical to the NRC definition of "Distinguishable from background".

8. Amend §175.02(a) by adding the definition "Residual radioactivity" from 10 CFR §20.1003. The definition "Residual radioactivity" as shown in the underlined text below, would be inserted in §175.02(a) in alphanumeric order and all subsequent subdivisions would be re-numbered accordingly.

"Residual radioactivity" means radioactivity in structures, materials, soils, groundwater, and other media at a site resulting from activities under the licensee's control. This includes radioactivity from all licensed and unlicensed sources used by the licensee, but excludes background radiation. It also includes radioactive materials remaining at the site as a result of routine or accidental releases of radioactive material at the site and previous burials at the site, even if those burials were made in accordance with the provisions of 10 CFR Part 20.

This amendment is proposed to satisfy the following NRC Comment: "NYCDH omitted a definition for "residual radioactivity" compared to NRC's regulations. NYCDH needs to add the definition to 175.02 to meet the Compatibility Category B designation assigned to this portion of Section 10 CFR 20.1003." The proposed definition is identical to the NRC definition of "Residual radioactivity".

STATEMENT PURSUANT TO SECTION 1042-REGULATORY AGENDA

This proposal was not included in the fiscal year 2007 Department Regulatory Agenda as this action is in response to a recent request by the NRC.

The proposal is as follows:

Note - Matter in brackets [ ] is to be deleted.
Matter underlined is new.

RESOLVED, that subdivision (a) of Section 175.02 of Article 175 of the New York City Health Code, as set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on September 26, 2006, be and the same hereby is amended, to be printed together with explanatory notes, by adding new paragraphs (54), (58), (70) and (195), by renumbering all paragraphs following new paragraph (54), and by amending paragraph (20) and paragraphs (135) and (144) (as renumbered), to read as follows:

§175.02 Definitions

(a) As used in this Code, the following definitions shall apply:

***

(20) "Background radiation" means radiation from cosmic sources; naturally occurring radioactive material[s], including radon[,] (except as a decay product of source or special nuclear material[,]); and [including] global fallout as it exists in the environment from the testing of nuclear explosive devices or from past nuclear accidents such as Chernobyl that contribute to background radiation and are not under the control of the licensee. "Background radiation" does not include radiation from any regulated sources of radiation.

(54) "Critical Group" means the group of individuals reasonably expected to receive the greatest exposure to residual radioactivity for any applicable set of circumstances.

(58) "Decommission" means to remove a facility or site safely from service and reduce residual radioactivity to a level that permits -
(i) Release of the property for unrestricted use and termination of the license; or
(ii) Release of the property under restricted conditions and termination of the license.

(70) "Distinguishable from background" means that the detectable concentration of a radionuclide is statistically different from the background concentration of that radionuclide in the vicinity of the site or, in the case of structures, in similar materials using adequate measurement technology, survey, and statistical techniques.

[(132)] (135) "Member of the public" means any individual, except [an] when that individual [who is performing assigned duties for the licensee or registrant involving exposure to sources of radiation] is receiving an occupational dose.

[(141)] (144) "Occupational dose" means the dose received by an individual in the course of employment in which the individual's assigned duties involve exposure to [sources of] radiation[,] or to radioactive material from licensed and unlicensed sources of radiation, whether in the possession of the licensee, registrant, or other person. Occupational dose does not include doses received [:] from background radiation, from any medical administration the individual has received, from exposure to individuals administered radioactive material and released under §175.103(c)(9) [as a patient from medical practices], from voluntary participation in medical research programs, or as a member of the public.

(195) "Residual radioactivity" means radioactivity in structures, materials, soils, groundwater, and other media at a site resulting from activities under the licensee's control. This includes radioactivity from all licensed and unlicensed sources used by the licensee, but excludes background radiation. It also includes radioactive materials remaining at the site as a result of routine or accidental releases of radioactive material at the site and previous burials at the site, even if those burials were made in accordance with the provisions of 10 CFR Part 20.

***

Notes: A number of definitions in §175.02(a) in Article 175 of the NYC Health Code are being proposed for inclusion and/or amendment in order to assure compatibility with applicable federal NRC regulations on radioactive materials and licenses.

RESOLVED, that paragraph (2) of subdivision (m) of Section 175.101 of Article 175 of the New York City Health Code, as set forth in Title 24 of the Rules of the City of New York, as last amended by resolution on March 10th, 2005, be and the same hereby is amended, to be printed together with explanatory notes, to read as follows:

§175.101. General requirements for radioactive materials licenses

***

(2) The holder of a license issued by the New York State Department of Labor, the New York State Department of Health, the New York City Department of Health and Mental Hygiene or an Agreement State must obtain reciprocity approval from the U.S. Nuclear Regulatory Commission to conduct licensed activity in areas of exclusive federal jurisdiction within New York City. At least three days before engaging in each activity for the first time in a calendar year, the licensee will provide the U.S. Nuclear Regulatory Commission with advanced notice of its proposed activity in areas under exclusive federal jurisdiction within New York City.

***

Notes: The proposed amendment of §175.101(m) concerns reciprocity approval by NRC. NRC is requiring that the Department amend the NYC Health Code to include a 3-day advance notice requirement to NRC for prior approval to any initial activity by any Agreement State licensee/non-NRC licensee in areas under exclusive federal jurisdiction within NYC, as per 10 CFR §150.20.

NOTICE OF INTENTION TO REPEAL AND REENACT ARTICLE 47 OF THE NEW YORK CITY HEALTH CODE

In compliance with §1043(b) of the New York City Charter (the "Charter") and pursuant to the authority granted to the Board of Health by §558 of said Charter, notice is hereby given of the proposed repeal and reenactment of Article 47 of the New York City Health Code (the "Health Code").

NOTICE IS HEREBY GIVEN THAT THE DEPARTMENT OF HEALTH AND MENTAL HYGIENE WILL HOLD A PUBLIC HEARING ON THE PROPOSAL FROM 10:00 A.M. TO 12:00 NOON ON THURSDAY, APRIL 19, 2007 IN THE THIRD FLOOR BOARDROOM (ROOM 330) AT 125 WORTH STREET, NEW YORK, NEW YORK 10013.

PERSONS INTERESTED IN PRE-REGISTERING TO SPEAK SHOULD NOTIFY, IN WRITING, RENA BRYANT, SECRETARY TO THE BOARD OF HEALTH, 125 WORTH STREET CN-31, NEW YORK, NEW YORK; (212) 788-5010 BY 5:00 P.M. WEDNESDAY, APRIL 18, 2007. PLEASE INCLUDE A TELEPHONE NUMBER WHERE, IF NECESSARY, YOU MAY BE REACHED DURING NORMAL BUSINESS HOURS. SPEAKERS WILL BE LIMITED TO FIVE (5) MINUTES.

PERSONS WHO REQUEST THAT A SIGN LANGUAGE INTERPRETER OR OTHER FORM OF REASONABLE ACCOMMODATION FOR A DISABILITY BE PROVIDED AT THE HEARING ARE ASKED TO NOTIFY RENA BRYANT, SECRETARY TO THE BOARD OF HEALTH, 125 WORTH STREET CN-31, NEW YORK, NEW YORK 10013; (212) 788-5010 BY APRIL 6, 2007.

REGISTRATION WILL BE ACCEPTED AT THE DOOR UNTIL 12:00 P.M. HOWEVER, PREFERENCE WILL BE GIVEN TO THOSE WHO PREREGISTER.

WRITTEN COMMENTS REGARDING THE PROPOSAL ADDRESSED TO THE ATTENTION OF THE BOARD OF HEALTH MUST BE SUBMITTED TO RENA BRYANT, SECRETARY TO THE BOARD OF HEALTH, BY MAILING TO 125 WORTH STREET CN-31, NEW YORK, NEW YORK 10013, BY FAX TO (212) 788-4315, OR BY E-MAIL TO RESOLUTIONCOMMENTS@HEALTH.NYC.GOV ON OR BEFORE 5:00 P.M., THURSDAY, APRIL 19, 2007.

WRITTEN COMMENTS RECEIVED BY THE SECRETARY TO THE BOARD OF HEALTH AND A TRANSCRIPT OF THE PUBLIC HEARING WILL BE AVAILABLE FOR PUBLIC INSPECTION WITHIN A REASONABLE TIME AFTER RECEIPT, BETWEEN THE HOURS OF 9:00 A.M. AND 5:00 P.M. AT THE OFFICE OF THE SECRETARY. THE DEPARTMENT'S GENERAL POLICY IS TO MAKE WRITTEN COMMENTS AVAILABLE FOR PUBLIC VIEWING ON THE INTERNET. ALL COMMENTS RECEIVED, INCLUDING ANY PERSONAL INFORMATION PROVIDED, WILL BE POSTED WITHOUT CHANGE TO http://www.nyc.gov/html/doh/html/comment/comment.shtml

STATUTORY AUTHORITY

These amendments to the Health Code are promulgated pursuant to §§558 and 1043 of the Charter. Sections 558(b) and (c) of the Charter empower the Board of Health to amend the Health Code and to include in the Health Code all matters to which the Department's authority extends. Section 1043 grants the Department rule-making authority.

STATEMENT OF BASIS AND PURPOSE

The New York City Department of Health and Mental Hygiene (the Department or DOHMH) is required by law to protect and promote the health of all New Yorkers. The Bureau of Day Care, in the Department's Division of Environmental Health, enforces Article 47 ("Day Care Services") of the Health Code, which regulates public and private group day care services operating within New York City.

Background

DOHMH proposes that the Board of Health repeal and reenact Article 47, updating its provisions, and harmonizing them with comparable provisions of the New York Social Service Law (SSL) and the regulations of the State Office for Children and Family Services applicable to child day care in other parts of the State.

Daycare programs are essential for many working families. Beyond providing child development, education, recreation and a safe and structured environment for children while their parents work, they contribute to the emotional and social growth of children by building a sense of community, fostering intergenerational relationships, and providing first hand experiences in areas of learning. Children develop skills that strengthen character and promote friendships.

There are currently 2,084 group day care services in New York City holding DOHMH permits, 40 LYFE ("Living for the Young Family through Education") programs operated by the New York City Department of Education (DOE) in schools (offering infant toddler care for children of DOE students) and 1,065 private and/or religious organizations known to DOHMH which provide day care services. Currently, neither DOE nor religious schools are required to hold a permit to operate a day care service if the service is part of an elementary school. DOE kindergartens are also exempt from any permit requirements. Although most other Article 47 requirements are applicable to "NPR" day care services (for "no permit required") operated by religious schools, unless complaints are received, they are rarely inspected, and it is not known whether they actually comply with applicable Article 47 requirements. Most DOE child care and educational services are already highly regulated, and will remain largely exempt from these provisions. The Department regards other "NPR" exemptions as not in the best interests of the children attending such child care services or educational programs. Accordingly, all non-DOE child services for children under six years of age will now be required to hold a DOHMH permit, as will infant/toddler (LYFE) programs in DOE schools.

There has been no substantive revision of Article 47 since 1988, and professional standards and expectations, as well as the regulatory environment for day care have changed considerably since that time. In 1997, the State assumed regulation (through registration and licensing) of all residential based group family and family day care homes for smaller groups of children under six years of age, including those in this city, and for all school age child care programs, generally after school programs for children ages five through 12. At the same time, the State Office of Family and Children's Services was designated to adopt rules for various kinds of day care programs statewide. These rules do not apply to Article 47 group day care facilities in New York City, but have served as a model, wherever practicable, for many provisions of the reenacted Article 47.

Article 47 Changes

§47.01 Definitions. Most of the terms used in this Article are newly defined. The term "child care service" replaces the term "day care service" and will apply to any program, day or night, that provides child care services for three or more children under six years of age for five or more hours per week, and that operates for more than 30 days during any 12-month period. Neither the term nor this Article will be applicable to pre-kindergarten or kindergarten classes located within a public elementary school operated by the City Department of Education (DOE), since public school programs are already extensively regulated under State law, DOE's Chancellor's regulations and provisions of the Health Code applicable to schools. DOE's LYFE infant/toddler programs, which are not otherwise regulated, would be the only DOE-based child care programs which would need a DOHMH permit. The "NPR" child care services providing care or instruction to approximately 20,000 children under six years of age in free-standing programs or schools operated by religious organizations will now be required to obtain child care service permits. The permitting requirement will enable the Department to identify and inspect all such programs and schools, and to determine whether teaching and other staff at such schools who have unsupervised contact with children have undergone child abuse registry and criminal justice screening. Such programs will also be required to comply with all other provisions of the Code intended to safeguard the health and safety of the very youngest children in attendance.

§§47.03, 47.05, 47.07 and 47.09 Permit requirements. As noted above, Article 47 no longer exempts from the permit requirement any child care service which otherwise comes within the revised definition. Prospective permittees will be required to attend pre-permit orientation where DOHMH staff will outline Article 47 requirements and answer questions. All permits will now be for two years. Permits will only be issued if all pre-permitting staff child abuse registry and criminal justice screening requirements are complied with, and the written health and safety plan required by §47.11 has been submitted and approved by DOHMH.

§47.11 Written safety plan. This is a new requirement The written health and safety plan will aid in maintaining the health, safety and security of children and staff members. The written safety plan is intended to serve as the standard operating policies and procedures for the safe operation of a child care service. The plan will cover how the requirements of Article 47 are to be implemented with respect to medical supervision and health of children, medication administration, facility operation, maintenance, fire safety, specific activity safety, staff training, parent/child orientation, and proper supervision. An initial plan will be reviewed and approved for all new permit applicants and updated as necessary upon permit renewal or if there are substantial changes in program operation.

§§47.13, 47.15, 47.17 Teaching staff qualifications. These provisions have been updated and are consistent with current New York State Department of Education requirements for early childhood certified teachers, as well as OCFS regulations. Additionally, a new §47.37 adds on the job training requirements for teaching and other staff, which are also consistent with State requirements, and makes the educational director responsible for implementation.

§§47.19 and 47.21 Criminal justice and child abuse screening and corrective action plans. The current requirements have been expanded and set forth in greater detail, and are consistent with those imposed on State regulated child care programs by OCFS. Corrective action plans will be required if staff are reported as having confirmed or pending criminal histories or child abuse complaints, and the permittee elects to maintain the staff person at the child care service.

§47.23 Supervision; staff to child ratios and group size. These provisions have been reformatted in charts for simplification and easy reference. All staff/child ratio requirements remain the same except for infant/toddler programs where staff ratios have been changed from one teacher for four children to one teacher for three children.

§§47.25, 47.27, 47.29, 47.31, 47.33 Health of children and staff. These provisions have been updated as necessary to reflect current pediatric recommendations for well child care, and other Health Code requirements for control of communicable diseases, tuberculosis testing, and to incorporate regulations for administration of medication to children that are consistent with those of the OCFS (see, 18 NYCRR Part 18-1 and Part 18-2). There is also a new provision that requires that medical information maintained in the child care service be confidential. The provisions are otherwise in most respects substantively the same as those in the current Article 47.

§47.35 Personal hygiene practices. This section consolidates various existing provisions.

§47.37 Training. Current §47.19 (d) requires training in establishing a health plan, recognizing and controlling infectious diseases and child abuse prevention. The new provision is modeled on training required for OCFS licensed programs elsewhere in the State, makes the educational director responsible for training, specifies a number of new training requirements and authorizes the DOHMH to approve or certify certain kinds of trainers.

§47.39 Space allowance. This section consolidates similar current provisions in §47.29.

§47.41 Indoor physical facilities. Restricts infant/toddler programs to the first (ground) floor and one below ground level floor to facilitate evacuation of the youngest children in emergencies. Older pre-school child care services will be restricted to the third or lower floors for the same reason. Window guards will be required for all windows because the Department believes that there is no "safe" distance to the ground for any child with access to an open window.

§47.43 Plumbing. This section consolidates provisions in current §47.39, makes child:toilet ratios applicable to children over 24 months of age; and requires toilet facilities for children under 3 years of age to be adjacent to classrooms, and as close as practicable to classrooms for older children.

§47.45 Ventilation and lighting. This section is derived from current §47.29 (f) and (g), with additional requirements for control of specific defined indoor air quality nuisances.

§47.47 Outdoor play areas. This section is derived from current §47.35, and clarifies safety criteria for resilient

surfaces under play equipment, and adds restrictions on use of rooftop play areas in non-fireproof buildings.

§47.49 General sanitation and maintenance. This section is derived from current §47.31 and adds requirements for use of environmentally sensitive cleaning products in accordance with Education Law §409-i.

§47.51 Rodents, insects and other pests prohibited; pesticide application notice. Current provisions in §47.31 have been amended and a requirement for notification of parents when pesticides are applied has been added, in accordance with Social Services Law § 390(c).

§47.53 Pet animals. Amended to be consistent with Article 161 of this Code.

§47.55 Equipment and furnishings. New section including provisions from current §§47.31, 47.33 and 47.39, adding a prohibition on use of stackable cribs.

§47.57 Safety; general requirements. Includes provisions from current §§ 47.29 and 47.41; adds requirements addressing concerns on heat advisory days; explicitly prohibits co-location of new child care services in buildings that contain environmental hazards such as dry cleaners, gas stations and power plants; prohibits swimming as part of a child care service program and requires barriers to water access.

§47.59 Fire safety. Includes provisions from current §§47.41 and 47.46.

§47.61 Food and food safety. Includes provisions from current §47.37; requires the person in charge of food operations to hold a food protection certificate issued pursuant to §81.15 of this Code.

§47.63 Lead-based paint restricted. Renumbers current §47.44; adds restrictions on lead in soil in outdoor areas of a child care facility used by children.

§47.65 Transportation. Renumbers current §47.43; adds requirements for child restraints in vehicles transporting children.

§47.67 Child development policies, program, rest periods and clothing. Renumbers current §47.33; updates requirements for appropriate use of surveillance technology.

§47.69 Night care. Renumbers current §47.46; adds requirements for maintaining information about child's bedtime routines; limits time in night care to 12 hours.

§47.71 Physical activity and limits on television viewing. Renumbers and combines current §§47.35 and 47.36; otherwise unchanged.

§47.73 Required postings. Renumbers §47.03; adds notice about obtaining copies of inspection reports by calling the City's 311 telephone information number.

§47.75 Modification of provisions. Renumbers §47.47 without substantive change.

§47.77 Closing and enforcement. Renumbers and clarifies current § 47.49; adds provisions that operating a child care service without a permit shall be deemed an imminent health hazard and shall result in the closing of the service; authorizes the Department to close a service for imminent health hazards; allows Department discretion to allow continued operation with additional requirements of child care services with imminent health hazards to promote maximum degree of child safety; and authorizes Department to padlock facilities that have been ordered closed but that continue to operate in violation of a Commissioner's order. Imminent health hazard is defined in new §47.01 as any condition, such as lack of adequate supervision, that could be expected to be result in illness, physical injury or death of a child or children in care. Observation of such conditions would result in immediate closure of a child care program. Such a provision will harmonize Article 47 with more modern provisions of OCFS regulations for State-regulated child care programs, and reflect the policies and concerns underlying related child health and safety regulations, such as those governing day camps in Subpart 7.2 of the New York State Sanitary Code and Article 48 of the Health Code.

§47.79 Construction and severability. Applies the provisions in Health Code §3.33 specifically to this Article.

§47.01 Definitions.
(a) *Abuse* shall mean any act or failure to act, performed intentionally, knowingly or recklessly, which causes or is likely to cause harm to a child, including, but not limited to:

(1) inappropriate use of a physical restraint, isolation, medication or other means that harms or is likely to harm a child; and

(2) an unlawful act, a threat or menacing conduct directed toward a child that results and/or might be expected to result in fear or emotional or mental distress to a child.

(b) *Assistant teacher* shall mean a person who is part of the teaching staff, works under the supervision of an educational director, group teacher or infant/toddler teacher, and whose assignment to a group of children may be considered in calculating compliance with required staff to child ratios.

(c) *Child care service.*

(1) Child care service means any program providing child care for five (5) or more hours per week, for more than 30 days in a 12-month period, to three (3) or more children under six (6) years of age.

(2) Child care service shall not mean:

(A) Any State-regulated informal child care program, a group family or family day care home, or school age child care program, or a foster care program;

(B) A kindergarten or pre-kindergarten class operated as part of and located within a public elementary school by the New York City Department of Education; except that Department of Education school-based programs providing care to children 24 months and younger shall be deemed child care services subject to this Code. Child care service shall also not mean a kindergarten class that is part of an elementary school operated by a religious organization and that is located within the physical facility occupied by such elementary school.

(C) "Mommy and me" or equivalent programs where each child is accompanied by a parent or another adult escorting the child, who is not employed by the child care program; or

(D) Children's camps operating seasonally at any time between June and September that are required to have a permit pursuant to Article 48 of this Code; or

(E) Adult physical fitness, spa or other recreational facilities, or retail establishments, or other businesses providing supervision for children of patrons or employees of the facility, establishment or business while parents are on the premises, unless children are registered or enrolled and individual children are spending more than eight hours/week in care.

(F) Churches or religious organizations where congregants' children are supervised by employees or members of the congregation while parents attend services.

(d) *Corrective action plan* shall mean a written safety assessment required to be prepared pursuant to §47.21 of this Article, that shall be submitted to and approved by the Department when a permittee hires, plans to hire, or plans to utilize the services of, certain persons, or in such circumstances as are specified in this Article, or as may otherwise be required by the Department to show that a particular person at, or the continuing operation of, a child care service shall not pose a danger to children.

(e) *Educational director* shall mean a person whose responsibilities shall include, but not be limited to, coordination and development of an age appropriate curriculum and program, teaching and other staff training, supervision of teachers and maintenance of health records of staff and children.

(f) *Facility* shall mean interiors and exteriors of buildings, structures and areas of premises under the control of a child care permittee where child care services are provided and that are subject to the permit.

(g) *Group size* shall mean the maximum number of children that may be cared for as a unit. Group size shall be used to determine the minimum staff/child ratio based upon the age of the children in the group.

(h) *Group teacher* shall mean a person who, under the supervision of an educational director, is responsible for planning and supervising age appropriate activities for a given group of children.
