AGENCY RULES

TRANSPORTATION

■ NOTICE

Notice of Adoption of rules relating to pedestrian traffic managers.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Transportation by subdivision (b) of Section 2903 of the New York City Charter and in accordance with the requirements of Section 1043 of the New York City Charter, that the Department of Transportation hereby adopts the amendments to Sections 2-01 and 2-05 of Chapter 2 of Title 34 of the Official Compilation of the Rules of the City of New York, the Highway Rules, by adding a new definition to section 2-01 and a new subdivision (m) to section 2-05. This rule was first published on August 7, 2012, and a public hearing was held on September 7, 2012. This rule shall take effect 30 days from the date hereof.

New material is indicated by underlining; deleted material is in brackets [].

STATEMENT OF BASIS AND PURPOSE

The Commissioner of the New York City Department of Transportation (DOT) is authorized to promulgate rules regarding highway operations in the City pursuant to Section

2903(b) of the New York City Charter.

The purpose of the adopted rule is to provide pedestrian and cyclist safety around large construction projects.

The adopted rule will achieve this goal by:

- giving the Department of Transportation Commissioner discretion to require the use of pedestrian traffic managers at selected construction sites.
- providing experience and certification criteria for pedestrian traffic managers.

Background

DOT permittees already provide staff to control vehicular traffic around large construction projects. However, with the increase in bicycle ridership and pedestrian volume throughout the city, it is important that permittees also place trained pedestrian traffic managers, who will focus on bicycle and pedestrian safety, in and around major construction projects. Permittees have recently deployed pedestrian traffic managers successfully at large construction sites, such as the World Trade Center site and the reconstruction of Peck Slip in Lower Manhattan.

New text is underlined, and deleted material is in [brackets].

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this office, unless otherwise specified or unless the context clearly indicates otherwise.

§1. Section 2-01 of Title 34 of the Rules of the City of New York is amended by adding a new definition, in alphabetical order, to read as follows:

Pedestrian Traffic Manager. The term “pedestrian traffic manager” means a person authorized by the Commissioner to direct bicycle and pedestrian traffic pursuant to these rules.

§2. Section 2-05 of Title 34 of the Rules of the City of New York is amended by adding a new subdivision (m), to read as follows:

(m) Pedestrian Traffic Managers

- (1) Permittees must deploy pedestrian traffic managers when required by the department for any of the construction activities set forth in this section 2-05. Such requirement shall be set forth in a permit stipulation and may be required where:
 - (i) the permitted construction activity is located within a high pedestrian volume area, which significantly impacts pedestrian circulation; and/or
 - (ii) conflicts between pedestrians, bicycles and/or vehicles occur as a result of the construction activity.
- (2) When deployed and during their employment and active service, all pedestrian traffic managers must have either:
 - (i) a minimum of five years of law enforcement experience, or
 - (ii) a minimum of five years of certified flagger experience and pedestrian traffic manager training.
- (3) Law enforcement experience may include but not be limited to New York City Police Department, New York City Department of Corrections, New York/ New Jersey Port Authority Police, New York State Police, military police, or other comparable municipal law enforcement agencies. Flagger certification must be from an accredited organization.

NOTICE OF PUBLIC SCOPING**Office of the Deputy Mayor for Economic Development****Draft Scope of Work for a Supplemental Generic Environmental Impact Statement (EIS)****The Phased Redevelopment of Governors Island
North Island Re-Tenancing and
Park and Public Space Master Plan**

NOTICE IS HEREBY GIVEN THAT a public scoping meeting will be held at 6:00 P.M. on Tuesday, January 8th, 2013, at the New York City Department of City Planning's Spector Hall, 22 Reade Street, New York, New York, 10007. The purpose of the scoping meeting is to provide the public with the opportunity to comment on the Draft Scope of Work proposed to be used to develop a Supplemental Generic Environmental Impact Statement (EIS) for The Phased Redevelopment of Governors Island—North Island Re-Tenancing and Park and Public Space Master Plan. Written comments on the Draft Scope of Work may be submitted to the Mayor's Office of Environmental Coordination until 5:00 P.M. Friday, January 18, 2013.

Directing that an Environmental Impact Statement be prepared, a Positive Declaration and Draft Scope of Work were issued by the Office of the Deputy Mayor for Economic Development on December 5, 2012, and are available for review from the contact person listed below and on the website of the Mayor's Office of Environmental Coordination (www.nyc.gov/oc).

Governors Island Corporation, doing business as The Trust for Governors Island (The Trust), is a not-for-profit corporation and instrumentality of the City of New York. The Trust holds title to 150 acres of the 172-acre island (the Island); the remaining 22 acres is owned by the National Park Service and is a National Monument. Governors Island is located in New York Harbor, approximately 800 yards south of Manhattan and 400 yards west of Brooklyn. The Island comprises the North Island (the area north of the former Division Road) and the South Island (the area south of the former Division Road). The entire island is zoned R3-2.

Access to the Island is provided by ferries that are operated by The Trust from slips at the Battery Maritime Building (BMB) in Lower Manhattan, which is the major access point for ferries traveling to the Island. Additional ferry service from Pier 6 in Brooklyn and Pier 11 in Manhattan is provided by The Trust and the East River Ferry, respectively, when the Island is open to the public.

Governors Island is currently occupied by several active uses, including a New York City public high school, artists' studios, administrative offices, and a temporary entertainment facility. From May to September, the Island is also open to the public on weekends and holiday Mondays and hosts various arts, cultural, and recreational programs, including food festivals, concerts, and performances.

Construction is underway on Phase I of the Phased Redevelopment which was previously analyzed in the Final Generic Environmental Impact Statement for the Phased Redevelopment of Governors Island issued by the Office of the Deputy Mayor for Economic Development on December 20, 2011 (the 2011 FGEIS).

The Draft Scope of Work for the preparation of a Supplemental Generic Environmental Impact Statement (SGEIS) considers the current plans for North Island retenanting and completion of the Park and Public Space Master Plan by 2022. The current proposal consists of the following:

- Creation of the Special Governors Island District on the North Island, a new zoning district that would generally allow commercial uses compatible with the use of the Island as a recreational, cultural, and educational resource in the existing R3-2 district subject to review by Manhattan Community Board 1 and certification by the Chair of the City Planning Commission.
- The reuse and retenanting of approximately 1.2 million square feet (sf) of space on the North Island, in addition to the approximately 176,000 sf that has already been retenanting. As part of the retenanting, it is expected that two non-historic building additions may be demolished and potentially replaced with new structures of the same floor area. In addition, a new structure would be constructed on the open area north of Building 110, immediately west of Soissons Landing ("the Soissons Concession Site").
- The full development of the Park and Public Space Master Plan for the entire Island.
- Ferry service seven days per week to support the uses in the retenanting buildings and the expanded Park and Public Space.

It is currently anticipated that the proposed project would seek the following approvals:

- Zoning map and text amendments to create and map the Special Governors Island District over the North Island. (the "rezoning area").
- Review of project actions within the Governors Island Historic District per the guidelines of the *Governors Island Historic District Preservation and Design Manual*.
- Approval of capital funding. The source has yet to be identified.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
