The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

- Administration for Children’s Services (ACS)
 - Department for the Aging (DFTA)
 - Department of Corrections (DOC)
 - Department of Health and Mental Hygiene (DOHMH)
 - Department of Homeless Services (DHS)
 - Department of Probation (DOP)
 - Department of Small Business Services (SBS)
 - Department of Youth and Community Development (DYCD)
 - Housing and Preservation Department (HPD)

ASBESTOS SAMPLING AND TESTING SERVICES – Request for Proposals – PIN# 5719-0 – DUE 11-18-13 AT 4:00 P.M. – This program is designed to help NYC residents directly affected by Hurricane Sandy to achieve permanent, sustainable housing solutions. The Consultant will play an essential role in ensuring that the program accurately assesses the size in relation to the scope of the overall project as per Asbestos Rule and Regulations, Title 15, Chapter 1 of the Rules of the City of New York. This solicitation is issued by NYCEDC in support of the Mayor's Office of Housing Recovery Operations (HRO). Programmatic oversight will be provided by HRO. While NYCEDC will hold the contracts for this work, HRO will primarily oversee the contract services and provide direction and feedback to the selected Contractor. In response to housing needs incurred as a result of Hurricane Sandy, the City of New York (the City) applied for assistance through the Department of Housing and Urban Development (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) program.

As part of this program, the City requests the services of a New York State Department of Labor (NYS DOL) licensed Asbestos Handling Firm to perform asbestos investigation and testing services on registered properties. The firm will be required to provide qualified individuals to accompany either HRO's Pre-Construction Consultant(s) or the Architectural Scoping Consultant(s) on scheduled appointments to perform sampling as necessary per Title 15, Chapter 1 of the Rules of the City of New York. All scheduling of appointments will be done by the Pre-Construction Services Consultant(s) and posted in an accessible location for the Asbestos Inspection firm. The City anticipates conducting asbestos inspections on approximately 15,000 discrete properties during the course of this program.

NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those encompassed in the RFP, and the proposed fee.

Companies who have been certified with the New York City Department of Small Business Services as Minority and Women Owned Business Enterprises ("M/WBE") are strongly encouraged to apply. To learn more about M/WBE certification and NYCEDC's M/WBE program, please visit <http://www.nycedc.com/opportunitymwbe>.
