The staff of the Landmarks Preservation Commission received an application for a proposal to install new storefront infill, new signage, and flagpoles at the subject premises on October 20, 2016. The application was presented at the Public Hearing and Public Meeting of December 13, 2016 and no action was taken by the Commission at that time. Subsequently, the staff received a written request from Carrie Bobo, R.A., of Selldorf Architects, to withdraw the application. Therefore, the application is being withdrawn. If you wish to pursue this or a related proposal, it will be necessary to file a new application, along with supporting documentation.

Thank you for your cooperation.
