NOTICE

On Wednesday, August 13, 2008, at 9:00 a.m., in Tishman Auditorium of Vanderbilt Hall on the New York University School of Law campus located at 40 Washington Square South in Manhattan, a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning zoning map and text amendments and the disposition of a City property within East Village/Lower East Side neighborhood of Manhattan Community District 3. The proposed actions would preserve the low- to mid-rise character of the East Village and Lower East Side neighborhoods while concentrating new development towards specific corridors that are more suited for new residential construction with incentives for affordable housing:

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 07DCP078M.

The "Special Southern Hunters Point District" established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- (a) to encourage well-designed new development that complements the built character of the Hunters Point neighborhood;
- (b) to maintain and reestablish physical and visual public access to and along the waterfront;
- (c) to broaden the regional choice of residences by introducing new affordable housing;
- (d) to achieve a harmonious visual and functional relationship with the adjacent neighborhood;
- (e) to create a lively and attractive built environment that will provide daily amenities and services for the use and enjoyment of area residents, workers and visitors;
- (f) to take maximum advantage of the beauty of the East River waterfront and provide an open space network comprised of public parks, public open space and public access areas;
- (g) to provide flexibility of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms; and
- (h) to promote the most desirable use of land and building development in accordance with the district plan for Southern Hunters Point and thus conserve the value of land and buildings and thereby protect the City's tax revenues.

125-01

General Provisions

In harmony with the general purpose and intent of this Resolution and the general purposes of the #Special Southern Hunters Point District#, the regulations of the #Special Southern Hunters Point District# shall apply to all #developments#, #enlargements#, alterations and changes of #use# within the #Special Southern Hunters Point District#, except as otherwise provided in this Chapter. The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

125-02

District Plan and Maps

The regulations of this Chapter are designed to implement the #Special Southern Hunters Point District# Plan.

The District Plan includes the following nine maps:

Map 1	Special Southern Hunters Point District Plan, Subdistricts and Parcels
Map 2	Special Ground Floor Use Regulations
Map 3	Maximum Base Heights and Street Wall Location
Map 4	Tower Areas
Map 5	Mandatory Sidewalk Widening and Publicly Accessible Open Area
Map 6	Publicly Accessible Private Street and Open Area in Newtown Creek Subdistrict
Map 7	Newtown Creek Waterfront Access Plan
Map 8	Permitted Curb Cut Locations

125-03
Subdistricts

In order to carry out the purposes and provisions of this Chapter, the #Special Southern Hunters Point District# is divided into two subdistricts: the East River Subdistrict and the Newtown Creek Subdistrict. The East River Subdistrict is further subdivided into parcels A through G. The location and boundaries of the subdistricts and parcels are shown on Map 1 (Special Southern Hunters Point District Plan, Subdistricts and Parcels) in Appendix A.

125-04
Applicability of District Regulations

125-041
Modification of use and bulk regulations for zoning lots bounding parks

Where the #lot line# of a #zoning lot# coincides with the boundary of a #public park#, such #lot line# shall be considered to be a #street line# for the purposes of applying all #use# and #bulk# regulations of this Resolution.

125-042

Modification of Article VI, Chapter 2

The provisions of Sections 62-41 (Requirements for Waterfront Public Access) and 62-60 (DESIGN STANDARDS FOR THE WATERFRONT AREA) are modified as set forth in Section 125-45 (Newtown Creek Waterfront Access Plan).

125-10

USE REGULATIONS

125-11

Ground Floor Use Along Designated Streets

Map 2 (Special Ground Floor Use Regulations) in Appendix A of this Chapter specifies locations where the special ground floor #use# regulations of this Section apply. Such regulations shall apply along the entire #street# frontage of the #building#, as indicated on Map 2.

#Uses# located on the ground floor level or within five feet of #curb level#, and within 30 feet of the #street wall# shall be limited to #commercial# or #community facility uses# permitted by the underlying district. A building's #street# frontage shall be allocated exclusively to such #uses#, except for lobby space. In no event shall the length of #street# frontage occupied by lobby space exceed, in total, 40 feet or 25 percent of the building's total #street# frontage, whichever is less, except that the length of lobby frontage need not be less than 20 feet.

125-12

Transparency Requirements

The provisions of this Section shall apply to any #street wall# of a #building# containing ground floor #commercial# or #community facility uses#, excluding #schools#. Each such ground floor #street wall# shall be glazed with transparent materials which may include show windows, glazed transoms or glazed portions of doors. Such glazed area shall occupy at least 50 percent of the area of each such ground floor #street wall# measured to a height of 10 feet above the level of the adjoining sidewalk or public access area.

125-13

Location of Uses in Mixed Buildings

The provisions of Section 32-422 (Location of floors occupied by non-residential uses) are modified to permit #residential uses# on the same #story# as a non-#residential use# provided no access exists between such #uses# at any level containing #residences# and provided any non-#residential uses# are not located directly over any #residential uses#. However, such non-#residential uses# may be located over a #residential use# by

authorization of the City Planning Commission upon a finding that sufficient separation of residential uses from non-residential uses exists within the building.

125-14
Security Gates

All security gates that are swung, drawn or lowered to secure commercial or community facility premises shall, when closed, permit visibility of at least 75 percent of the area covered by such gate when viewed from the street or any publicly accessible area, except that this provision shall not apply to entrances or exits to parking garages.

25-20
FLOOR AREA REGULATIONS

125-21
East River Subdistrict

In the East River Subdistrict, the maximum residential floor area ratio shall be as set forth in the table below, and no floor area bonuses shall apply.

Parcel	Maximum Floor Area
Parcel A	12.0
Parcel B	10.0
Parcel C	10.5
Parcel D	12.0
Parcel E	12.0
Parcel F	10.0
Parcel G	12.0

125-22
Newtown Creek Subdistrict

In the Newtown Creek Subdistrict, the maximum floor area ratio shall be 2.75, and may be increased only as set forth in this Section.

- (a) Floor area bonus for public amenities

For developments located within the Newtown Creek Subdistrict that provide a publicly accessible private street and open area, the floor area ratio may be increased from 2.75 to a maximum permitted floor area ratio of 3.75, provided that the Chair of the City Planning Commission has certified that such publicly

accessible private street and open area comply with the design standards of Section 125-43 (Private Street Requirements) and paragraph (b) of Section 125-44 (Publicly Accessible Open Area Requirements).

- (b) Floor area increase for Inclusionary Housing
- (1) Within the #Special Southern Hunters Point District#, the Newtown Creek Subdistrict shall be an #Inclusionary Housing designated area#, pursuant to Section 12-10 (DEFINITIONS), for the purpose of making the Inclusionary Housing Program regulations of Section 23-90, inclusive, and this Section, applicable within the Special District.
 - (2) In the Newtown Creek Subdistrict, for #developments# that provide a publicly accessible private street and open area that comply with the provisions of paragraph (a) of this Section, the #floor area ratio# for any #zoning lot# with #buildings# containing #residences# may be increased from 3.75 to a maximum #floor area ratio# of 5.0 through the provision of #lower income housing#, pursuant to the provisions relating to #Inclusionary Housing designated areas# in Section 23-90 (INCLUSIONARY HOUSING), except that the height and setback regulations of paragraph (b) of Section 23-942 shall not apply. In lieu thereof, the special height and setback regulations of Section 125-30 (HEIGHT AND SETBACK REGULATIONS), inclusive, of this Chapter shall apply.

125-30 HEIGHT AND SETBACK REGULATIONS

The underlying height and setback regulations shall not apply, except as set forth in this Section. In lieu thereof, the height and setback regulations of this Section, 125-30, inclusive, shall apply. All heights shall be measured from the #base plane#.

125-31 Rooftop Regulations

- (a) Permitted obstructions

The provisions of Section 33-42 (Permitted Obstructions) shall apply to all #buildings# within the #Special Southern Hunters Point District#, except that elevator or stair bulkheads, roof water tanks, cooling towers or other mechanical equipment (including enclosures), may penetrate a maximum height limit provided that either the product, in square feet, of the #aggregate width of street walls# of such obstructions facing each #street# frontage, times their average height, in feet, shall not exceed a figure equal to eight times the width, in feet, of the #street wall# of the #building# facing such frontage or, the #lot coverage# of all such obstructions does not exceed 20 percent of the #lot coverage# of the

#building#, and the height of all such obstructions does not exceed 40 feet. In addition, dormers may penetrate a maximum base height in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts).

(b) Screening requirements for mechanical equipment

For all #developments# and #enlargements#, all mechanical equipment located on any roof of a #building# or other structure# shall be fully enclosed, except that openings in such enclosure shall be permitted only to the extent necessary for ventilation and exhaust.

125-32

Balconies

Balconies shall not be permitted below the applicable maximum base height set forth in Section 125-33. Above the applicable maximum base height, balconies are permitted provided that at least 50 percent of the perimeter of the balcony is bounded by building walls, exclusive of parapet walls.

125-33

Required Street Walls

For the purposes of applying the height and setback regulations of this Section, the boundaries of sidewalk widenings required pursuant to Section 125-41, the boundaries of publicly accessible private streets and open areas required pursuant to Sections 125-43 and 125-44, and #lot lines# of any #public park# that abut #zoning lots# shall be considered to be #street lines#.

(a) Street wall location

Map 3 (Maximum Street Wall Heights) in Appendix A specifies locations where #street walls# are required to be provided in accordance with the provisions of this Section. Such #street walls# shall be located as specified on Map 3.

(b) Maximum base heights and recesses

Required street walls shall extend up to at least a minimum base height of 40 feet or the height of the #building#, whichever is less. The maximum base height of such #street walls# shall be as indicated on Map 3. Where #street walls# are required to be located on the #street line#, recesses, not to exceed three feet in depth, shall be permitted on the ground floor where required to provide access to the #building#, and recesses, not to exceed five feet in depth, shall be permitted on the ground floor where required to provide access to utilities. Above a height of 12 feet above adjoining grade, up to 30 percent of the #aggregate width of street walls# may be recessed beyond the #street line#.

(c) Required setbacks and maximum building heights

Setbacks are required for all portions of #buildings# that exceed the applicable maximum base height, except #schools#. All required setbacks shall be provided at a height not lower than 40 feet. A setback with a depth of at least 10 feet shall be provided from any #street wall# fronting on a #wide street#, and a setback with a depth of at least 15 feet shall be provided from any #street wall# fronting on a #narrow street#, except that the depth of such setbacks may include the depth of any permitted recesses in the #street wall#. For the purposes of this paragraph, (c), the following shall be considered #wide streets#:

- (1) Second Street between 54th Avenue and Borden Avenue;
- (2) 55th Avenue between Center Boulevard and Second Street;
- (3) any publicly accessible private street and open area constructed pursuant to Section 125-43 or paragraph (b) of Section 125-44, as applicable; and
- (4) Center Boulevard between 50th Avenue and 57th Avenue

Above the applicable maximum base height, the maximum building height shall be 125 feet, except where towers are permitted pursuant to Section 125-34.

125-34
Towers

Any portion of a #building# that exceeds a height of 125 feet shall comply with the following provisions:

(a) Tower location and maximum tower height

All towers shall be located entirely within a Tower Area as designated on Map 4. The maximum height of such towers shall be as indicated for the specified location on Map 4. Where tower heights are limited to 310 feet and 360 feet, such heights may be exceeded by a penthouse portion of a #building#, provided any #story# of a #building# within such penthouse portion does not exceed 85 percent of the gross area of the highest #story# of the same #building# entirely below a height of 310 feet or 360 feet, as applicable, and the maximum height of such penthouse portion does not exceed 40 feet.

(b) Orientation and maximum tower size

The outermost walls of each #story# located entirely above a height of 125 feet shall be inscribed within a rectangle. The maximum length of any side of such rectangle that is parallel or within 45 degrees of being parallel to Second Street or Center Boulevard, whichever is closest, shall be 95 feet. The maximum length

of any other side of such rectangle shall be 170 feet. Each #story# of a tower located entirely above a height of 125 feet shall not exceed a gross area of 11,000 square feet.

However, on Parcel G in the East River Subdistrict, the maximum length of the side of such rectangle that is parallel or within 45 degrees of being parallel to Second Street shall not exceed 170 feet.

(e) Tower and base integration

Notwithstanding the setback provisions of paragraph (c) of Section 125-33, up to 50 percent of the #street wall# width of a tower may rise sheer from grade without setback.

125-35

Authorization for Height and Setback Modifications

Within the #Special Southern Hunters Point District#, for any #development# or #enlargement#, the City Planning Commission may modify the regulations set forth in Section 125-30, inclusive, provided the Commission finds that such modifications:

- (a) will result in a better distribution of #bulk# on the #zoning lot# and will not adversely affect access to light and air for surrounding public access areas, #streets# and properties;
- (b) are consistent with the goals of the Special District to provide flexibility of architectural design and encourage more attractive building forms; and
- (c) will result in a #development# or #enlargement# that enhances the streetscape and is compatible with #development# in the surrounding area.

The Commission may prescribe additional conditions and safeguards to minimize adverse effects of the #development# or #enlargement# on the character of the surrounding area.

125-40

DISTRICT PLAN ELEMENTS

125-41

Sidewalk Widening

Map 5 (Mandatory Sidewalk Widening and Publicly Accessible Open Area) in Appendix A of this Chapter specifies locations of mandatory sidewalk widening. The depth of such sidewalk widening shall be as indicated on Map 5 and shall be measured perpendicular to the #street line# unless otherwise indicated. All sidewalk widening shall be improved to

Department of Transportation standards for sidewalks, shall be at the same level as the adjoining public sidewalk, and shall be accessible to the public at all times.

125-42

Street Tree Plantings

All #developments#, #enlargements# that increase the #floor area# on a #zoning lot# by 20 percent or more, or conversions of a non-#residential building# to a #residential use# shall provide one #street# tree, pre-existing or newly planted, for every 25 feet of #street# frontage of the #zoning lot#. Fractions equal to or greater than one-half resulting from this calculation shall be considered to be one tree. Such trees shall be planted at approximately equal intervals along the entire length of the curb of the #street#, except where the Department of Parks and Recreation determines such tree planting would be infeasible. The species and caliper of all #street# trees shall be determined by the Department of Parks and Recreation and all such trees shall be planted by the owner of the #development#, #enlargement# or converted #building# in accordance with the #street# tree planting standards of the Department of Parks and Recreation.

125-43

Private Street Requirements

In the Newtown Creek Subdistrict, where a private street is provided pursuant to paragraph (a) of Section 125-22, such private street shall be constructed to minimum Department of Transportation standards for public #streets#, including lighting, curbs and curb drops. Such private street shall consist of a paved road bed with a minimum width of 34 feet from curb to curb with 13-foot wide sidewalks on each side along its entire length. Such private street shall be located as shown on Map 6.

125-44

Publicly Accessible Open Area Requirements

- (a) In the East River Subdistrict, on Parcel G, where a publicly accessible private open area is required as shown on Map 5 (Mandatory Sidewalk Widening and Publicly Accessible Open Area), no excavation or building permit shall be issued for any #development# on such parcel until the Chairperson of the City Planning Commission certifies to the Department of Buildings that a site plan for such open area has been submitted for such area that is consistent with the Department of Parks and Recreation design standards used for the development of the adjacent #public park#. A certification under this paragraph shall be granted on condition that an acceptable restrictive declaration is executed and filed, binding the owners, successors and assigns to develop such publicly accessible private open area in accordance with the approved site plan and to maintain such open area in accordance with maintenance standards acceptable to the Department of Parks and Recreation.

In the event that Parcel G is not owned by the City, then, prior to design and development of the publicly accessible open area, the owner of Parcel G may make a request directed to the Office of the Mayor to transfer to the City its fee simple absolute interest, free and clear of any encumbrances in the such open area. The City may accept the transfer request, provided that development of the open area is made in accordance with guidelines established by the Chairperson of the City Planning Commission and the Commissioner of Parks and Recreation, and transfer is made pursuant to such instruments as are necessary for implementation. In the event of a transfer, the #bulk# and parking computations for the #zoning lot# shall include the transferred property and such transfer shall not be deemed a #non-compliance#.

- (b) In the Newtown Creek Subdistrict, where a publicly accessible private open area is provided pursuant to paragraph (a) of Section 125-22, no excavation or building permit shall be issued for any #development# on such parcel until the Chairperson of the City Planning Commission certifies to the Department of Buildings that a site plan for such open area has been submitted for such area that is consistent with the Department of Parks and Recreation design standards used for the used for the development of the #public park# located on 55th Avenue between Center Boulevard and Second Street. A certification under this paragraph shall be granted on condition that an acceptable restrictive declaration is executed and filed , binding the owners, successors and assigns to develop such publicly accessible private open area in accordance with the approved site plan and to maintain such open area in accordance with maintenance standards acceptable to the Department of Parks and Recreation. .

125-45

Newtown Creek Waterfront Access Plan

Map 7 shows the boundaries of the area comprising the Newtown Creek Waterfront Access Plan and the location of certain features mandated or permitted by the Plan. The plan area consists of Block 11, Lot 1, as established on (effective date of amendment).

- (a) Modification of #use# requirements

All Use Group 6 and 9 #uses# listed in Section 62-212 (Waterfront-enhancing uses) shall be a permitted #use# in #Residence Districts# within the Newtown Creek Waterfront Access Plan, provided that:

- (1) such #use# is limited to not more than 10,000 square feet of #floor area# per establishment;
- (2) the total amount of #floor area# used for such #uses# does not exceed two percent of the total amount of #floor area# permitted on the #zoning lot#; and

- (3) such #uses# are located below the level of the first #story# ceiling of a #building#.

Additionally, docks for water taxis and docks or mooring facilities for non-commercial pleasure boats (Use Group 6) shall be a permitted #use# within the Newtown Creek Waterfront Access Plan.

- (b) Modifications of design standards

The provisions of Sections 62-41 (Requirements for Waterfront Public Access) and 62-60 (DESIGN STANDARDS FOR THE WATERFRONT AREA) are modified at the following designated locations which are shown on Map 7:

- (1) #Shore public walkway#

The requirements for Prototype I described in paragraph (b)(1) of Section 62-831 (Waterfront Access Plan BK-1: Greenpoint-Williamsburg) shall apply to all new #development#.

- (2) #Upland connection#

A single #upland connection# shall be provided through Block 11, Lot 1 abutting the prolongation of 5th Street and extending from the shore public walkway northerly to 54th Avenue.

- (3) #Supplemental public access area#

#Supplemental public access areas# shall be provided pursuant to Section 62-415, paragraph (a), and shall be located as indicated on Map 7.

125-46

Phased Implementation of Publicly Accessible Areas

In the Newtown Creek Subdistrict, the Chairperson shall allow for the phased implementation of all required publicly accessible areas upon certification to the Commissioner of Buildings that a plan has been submitted that provides for an amount of public access area proportionate to the amount of #floor area# being #developed# in each phase. For any #development# located within 100 feet of a #shoreline#, the initial phase shall provide, at a minimum, the required #shore public walkway# and any adjacent #supplemental public access areas# located between such #development# and such #shore public walkway#. For any #development# that fronts upon 54th Avenue, the initial phase shall provide, at a minimum, the required publicly accessible private street.

125-50

PARKING REGULATIONS

The regulations governing permitted and required #accessory# off-street parking spaces of Article I, Chapter 3 (Comprehensive Off-Street Parking Regulations in Community Districts 1, 2, 3, 4, 5, 6, 7 and 8 in the Borough of Manhattan and a Portion of Community Districts 1 and 2 in the Borough of Queens) and Article II, Chapter 5; Article III, Chapter 6; and Article IV, Chapter 4 (Accessory Off-Street Parking and Loading Regulations) shall apply except as set forth in this Section.

125-51

General Regulations

For the purposes of Section 125-50 (PARKING REGULATIONS), inclusive, the #floor area# of a #building# shall not include floor space used for #accessory# off-street parking spaces provided in any #story# located not more than 33 feet above #curb level#.

No #public parking garages# or #public parking lots# shall be permitted.

125-52

Location of off-street parking spaces

(a) Enclosure of spaces

All off-street parking spaces shall be located within facilities that, except for entrances and exits, are entirely below the level of any #street# or publicly accessible open area upon which such facility or portion thereof fronts, or shall be located, at every level above-grade, behind commercial, community facility or #residential floor area# so that no portion of such parking facility is visible from adjoining #streets# or publicly accessible open areas. Such #floor area# shall have a minimum depth of 30 feet.

(b) Rooftop landscaping

Any roof area of a parking garage not otherwise covered by a #building# and larger than 400 square feet shall be landscaped. Up to five percent of such roof area may be used for mechanical equipment, provided that such mechanical equipment is screened from view by a fence which is at least 75 percent opaque or by at least three feet of dense planting. Up to 25 percent of such roof area may be accessible solely from an adjacent #dwelling unit# and the remaining roof area shall be accessible for the recreational use of the occupants of the building in which it is located. Hard surfaced areas shall not cover more than 60 percent of such roof area. #Schools# shall be exempt from the provisions of this paragraph, (b).

125-53

Maximum Size of Permitted Accessory Group Parking Facilities

In the East River Subdistrict, Section 13-134 (Multiple use development) shall apply except that the maximum number of spaces within an #accessory# parking facility for a multiple #use development# shall be 780. Section 13-141 (Location of accessory off-street parking spaces) shall not apply.

In the Newtown Creek Subdistrict, Section 13-134 shall apply except that the maximum number of spaces within an #accessory# parking facility for a multiple #use development# shall not exceed 40 percent of the number of #dwelling units# within the #development#.

125-54

Off-site Facilities in the East River Subdistrict

In the East River Subdistrict, all #accessory# off-street parking spaces may be provided within parking facilities on #zoning lots# other than the same #zoning lot# as the #uses# to which they are #accessory#, provided such parking facilities are located within the #Special Southern Hunters Point District#, and the number of parking spaces within such facility shall not exceed the combined maximum number of spaces permitted on each off-site #zoning lot# using such facility, less the number of any spaces provided on such #zoning lots#.

125-55

Chapter 4
Special Willets Point District**

**124-00
GENERAL PURPOSES**

The “Special Willets Point District” established in this Resolution is designed to promote and protect public health, safety and general welfare. These general goals include, among others, the following specific purposes:

- (a) to transform Willets Point into a diverse and sustainable community that enhances connections to its surroundings through a unique combination of uses;
- (b) to create a retail and entertainment destination that catalyzes future growth and strengthens Flushing’s role as a nexus of economic, social and cultural activity;
- (c) to encourage a mix of uses that compliment sporting venues within Flushing Meadows – Corona Park;
- (d) to maximize utilization of mass transit, reducing the automobile dependency of the redevelopment;
- (e) to create a livable community combining housing, retail and other uses throughout the district;
- (f) to create a walkable, urban streetscape environment with publicly accessible parks and open spaces for pedestrians;
- (g) to build upon the diversity of Queens as well as the proximity of regional transportation facilities, including the Van Wyck and Whitestone expressways, LaGuardia and JFK Airports and the Long Island Railroad;
- (h) to encourage the pedestrian orientation of ground floor uses;
- (i) to provide flexibility of architectural design within limits established to assure adequate access of light and air to the street, and thus to encourage more attractive and economic building forms; and
- (j) to promote the most desirable use of land and building development in accordance with the District Plan and Urban Renewal Plan for Willets Point and thus improve the value of land and buildings and thereby improve the City’s tax revenues.

**124-01
General Provisions**

The provisions of this Chapter shall apply to all #developments#, #enlargements#, #extensions#, alterations and changes of #use# within the #Special Willets Point District#. The regulations of all other Chapters of this Resolution are applicable, except as superseded, supplemented or modified by the provisions of this Chapter. In the event of a conflict between the provisions of this Chapter and other regulations of this Resolution, the provisions of this Chapter shall control.

District Plan and Maps

District Maps are located within Appendix A of this Chapter and are hereby incorporated and made part of this Resolution. They are incorporated for the purpose of specifying locations where special regulations and requirements set forth in the text of this Chapter apply.

The District Plan includes the following five maps:

Map 1 -	Special Willets Point District
Map 2 -	Mandatory Intersections
Map 3 -	Location Requirements for Convention Center, Cinema and Office Tower
Map 4 -	Height Limits
Map 5 -	Sheer Tower Wall Locations

124-04

Applicability of District Regulations

124-041

Applicability of Chapter 1 of Article I

Within the #Special Willets Point District#, Section 11-15 (Environmental Requirements) shall apply, except that prior to issuing a building permit for any #development#, or for an #enlargement#, #extension# or a change of #use#, on a tax lot or #zoning lot# that has an (E) designation for hazardous material contamination, noise or air quality, the Department of Buildings shall be furnished with a report from the Department of Environmental Protection (DEP) of the City of New York stating:

- (a) in the case of an (E) designation for hazardous material contamination, that environmental requirements related to the (E) designation have been met for that lot; or
- (b) in the case of an (E) designation for noise or air quality, that the plans and

drawings for such #development# or #enlargement# will result in compliance with the environmental requirements related to the (E) designation.

124-042

Applicability of Chapter 3 of Article VII

The following special permits by the Board of Standards and Appeals shall not be applicable:

Section 73-16 (Public Transit, Railroad or Electric Utility Substations) shall not apply to electrical utility substations. In lieu thereof, such #uses# shall be allowed within the #Special Willets Point District# upon authorization of the City Planning Commission pursuant to Section 124-16 (Authorization for Electrical Utility Substations)

124-043

Applicability of Chapter 4 of Article VII

The following special permits by the City Planning Commission shall not be applicable:

Section 74-61 (Public Transit, Railroad or Electric Utility Substations) shall not apply to electrical utility substations. In lieu thereof, such #uses# shall be allowed within the #Special Willets Point District# upon authorization of the City Planning Commission pursuant to Section 124-16 (Authorization for Electrical Utility Substations)

124-05

Certification for Large Developments

The requirements of this Section shall apply to #zoning lots# of at least 200,000 square feet of #lot area# containing:

- (a) #developments# resulting in at least 100,000 square feet of #floor area#, and
- (b) #enlargements# resulting in at least 100,000 square feet of #floor area# on such #zoning lots#.

No building permit shall be issued until the Chairperson of the City Planning Commission certifies to the Department of Buildings that such #developments# or #enlargements# comply with the provisions of this Section.

A set of drawings of sufficient scope and detail shall be submitted showing that:

- (1) all #streets# and private streets within or abutting the proposed #development# or #enlargement# comply with the provisions of Section 124-41 (Standards for Streets and Blocks), inclusive;

- (2) all #streets# and private streets within or abutting the proposed #development# or #enlargement# are constructed to grades acceptable to the Commissioner of Buildings and the Commissioner of Transportation;
- (3) all publicly accessible open areas within or abutting the proposed #development# or #enlargement# comply with the provisions of Section 124-50 (PUBLICLY ACCESSIBLE OPEN SPACE REQUIREMENTS), inclusive, and
- (4) for any portion of the #Special Willets Point District# not within the proposed #development# or #enlargement# and for which a certification pursuant to this Section has not been obtained, plans shall be submitted showing that the #development# or #enlargement# that is the subject of this certification will not preclude such portions of the #Special Willets Point District# from complying with the provisions of Section 124-41 and 124-50 under future certifications pursuant to this Section.

The Chairperson may allow for phased #development# upon certification to the Commissioner of Buildings that a plan has been submitted that provides for the completion of any private streets and publicly accessible open spaces that are integral to the #development# of a #building# or #buildings# within each phase

All required private streets and publicly accessible open areas, once certified in accordance with the provisions of this Section, shall be duly recorded in the form of a signed declaration of restrictions, including a maintenance and operation agreement, indexed against the property, binding the owners, successors and assigns to provide such private streets and publicly accessible open areas and public access thereto in accordance with the plans certified by the Chairperson of the City Planning Commission. Such declaration or maintenance and operation agreement shall require that a bond be posted that would ensure that the private streets and public access areas are maintained in accordance with the declaration or maintenance and operation agreement and are closed only at authorized times. The filing of such declaration in the Borough Office of the Register of the City of New York shall be a precondition for the issuance of a building permit.

In addition, the private streets and publicly accessible open areas integral to the #development# or #enlargement# of a #building# or #buildings# shall be recorded on the certificate of occupancy for such #building# or #buildings# by the Department of Buildings and shall be a condition of issuance of such certificate of occupancy.

124-10 USE REGULATIONS

The #use# regulations of the underlying district are modified as set forth in this Section, inclusive.

**124-11
Regulation of Residential Uses**

**124-111
Location of residential use within buildings**

The provisions of Section 32-422 (Location of floors occupied by non-residential uses) are modified to permit #residential uses# on the same #story# as a non-#residential use# provided no access exists between such #uses# at any level containing #residences# and provided any non-#residential uses# are not located directly over any #residential uses#. However, such non-#residential uses# may be located over a #residential use# by authorization of the City Planning Commission upon a finding that sufficient separation of #residential uses# from non-#residential uses# exists within the #building#.

**124-112
Residential entrances on residential streets**

Each ground floor #dwelling unit# on a #residential street# shall be directly accessible from such #residential street#. No more than one entrance to a #residential street# shall be required for any one ground floor #dwelling unit#.

**124-12
Regulation of Commercial Uses**

- (a) Within Area A, #uses# permitted in the underlying district shall be permitted.
- (b) Within Area B, #commercial# and special permit #uses# shall be limited to those #uses# permitted in a C1-4 District, provided that #commercial uses# shall be located no more than 100 feet from a #connector street#, 34th Avenue, Willets Point Boulevard or Area A. However, Physical Culture or Health Establishments shall be permitted within Area B pursuant to Section 73-36, provided that such use shall be located no more than 100 feet from a #connector street#, 34th Avenue, Willets Point Boulevard or Area A.
- (c) Within Area B, #uses# permitted in the underlying district shall be permitted within an area south of Willets Point Boulevard and contiguous with Area A, provided that such area shall be limited to 115,000 square feet in land area. Such area shall be the same area to which Section 124-15(h) applies.

**124-13
Uses Permitted As-of-Right (not requiring Special Permit)**

The following uses shall be permitted as-of-right and shall not require a special permit from the City Planning Commission or the Board of Standards and Appeals:

Trade Expositions with a capacity in excess of 2,500 persons (pursuant to Sections 124-181 and 124-41(b)) provided that the facility has an area of no more than 400,000 square feet

Group Parking facilities exceeding 225 spaces, provided such facilities comply with the regulations set forth in Section 124-60 (OFF-STREET PARKING REGULATIONS), inclusive.

The following uses shall be permitted as-of-right in #buildings# with frontage on 126th Street and shall not require a special permit from the City Planning Commission or the Board of Standards and Appeals:

Eating and Drinking Establishments with a capacity of more than 200 persons (Use Group 12) shall be permitted as-of-right within 100 feet of a #Residence District# boundary

Physical Culture or Health Establishments

Indoor Interactive Entertainment Facilities

Amusement Arcades

124-14 Retail Continuity

The following regulations shall apply within Area A to all portions of #buildings# with frontage on 126th Street, the #primary retail street#, the #secondary retail streets# and #connector streets#.

(a) Ground floor #uses#

#Uses# located on the ground floor level or within five feet of #base flood elevation# shall be limited to #commercial uses# permitted by the underlying district, but not including #uses# listed in Use Groups 6B, 6E, 8C, 8D, 9B, 10B or 12D. A building's frontage shall be allocated exclusively to such #uses#, except for lobby space or entryways, parking where permitted pursuant to Section 124-60, inclusive, and vehicular access where permitted pursuant to Section 124-64 (Curb Cut restrictions). Such #uses# shall have a minimum depth of 50 feet measured from any #street wall# facing 126th Street, the #primary retail street# and #connector streets#.

In no event shall the length of such frontage occupied by lobby space or entryways exceed, in total, 40 feet or 25 percent of the #building's# frontage, whichever is less, except that the width of a lobby need not be less than 20 feet.

(b) Maximum length of establishments facing 126th Street and the #primary retail street#

The length of ground floor frontage occupied by any establishment shall not exceed 110 feet along 126th Street and 65 feet along the #primary retail street#. Such maximum lengths shall apply within 50 feet of any #streetwall# facing 126th Street and the #primary retail street#. However, the provisions of this paragraph (b) shall not apply within 300 feet of Northern Boulevard.

- (c) Access to each establishment

Access to each ground floor establishment shall be provided directly from a #street#.

- (d) Transparency

For any new #development# or #enlargement#, each ground floor #streetwall# shall be glazed with materials which may include show windows, glazed transoms or glazed portions of doors. Such glazed area shall occupy at least 70 percent of the area of each such ground floor #streetwall#, measured to a height of 10 feet above the level of the adjoining sidewalk or public access area. Not less than 50 percent of such glazed area shall be glazed with transparent materials and up to 20 percent of such area may be glazed with translucent materials.

However, in locations where such ground floor #streetwall# above the level of the adjoining sidewalk or public access area is below #base flood elevation#, the required glazed area shall occupy an area measured from #base flood elevation# to a height 10 feet above #base flood elevation#.

124-15

Modification of Sign Regulations

The height of all #signs# shall be measured from #base flood elevation#. The underlying #sign# regulations shall apply, except as set forth in this Section.

- (a) Within Area B, the #sign# regulations of a C1 District shall apply, except pursuant to subsection (h) below.
- (b) Within Area A, the #sign# regulations of a C4 District shall apply, except for #streetwalls# facing Roosevelt Avenue, Northern Boulevard and 126th Street.
- (c) Within Area A, for #streetwalls# facing Roosevelt Avenue or Northern Boulevard, the #sign# regulations of a C4 District shall apply, except that #signs# shall be limited to 85 feet in height.
- (d) For #streetwalls# facing 126th Street to a height of 35 feet, the #sign# regulations of a C4 District shall apply, provided that the maximum projection of any #sign#

from the exterior wall of a #building# shall be 4 feet, and the transparency requirements of paragraph (d) of Section 124-14 are met.

- (e) For #streetwalls# facing 126th Street above 35 feet in height, all #signs#, including #advertising signs#, #illuminated signs# and #flashing signs# shall be permitted without limitation on #surface area#, provided that:
 - (1) no such #signs# are higher than 85 feet;
 - (2) the maximum projection of any #sign# from the exterior wall of a #building# shall be 4 feet, except that projections not exceeding 6 feet are permitted, provided that such projections beyond four feet shall comprise not more than 20 percent of the #surface area# of such all #signs# on the establishment;
 - (3) the screening requirements for structured parking, if provided, of Section 124-62 are met;
- (f) Within 150 feet of the neighborhood park required pursuant to Section 124-50(b), #flashing signs# whose message is visible from such park shall not be permitted.
- (g) The provisions of Section 32-67 (Special Provisions Applying Along District Boundaries) shall not apply in the #Special Willets Point District#.
- (h) Within the area wherein Section 124-12 (c) applies, subsection (b) above applies.

**124-16
Authorization for Electrical Utility Substations**

Electrical utility substations shall be allowed in the #Special Willets Point District# in order to serve the needs of the District, and the regulations thereof shall be modified as necessary to accommodate the operational needs of the substation, upon authorization of the City Planning Commission which shall be issued upon finding, with respect to a proposed site, that:

- (a) to the extent reasonably permitted by the operational needs of the substation, the architectural and landscaping treatment of such #use# will blend harmoniously with the abutting area; and
- (b) if the site proposed for such #use# is within Area A, that there are difficulties in locating such #use# within Area B.

The City Planning Commission may, consistent with cost-effective operations and capital planning, and the operational needs of the substation, prescribe appropriate conditions and safeguards on matters necessary to effectuate the provisions of paragraph (a) of this Section which are not regulated by other applicable codes, laws, rules or regulations. The

applicant shall provide the Department of City Planning with a general description of such codes, laws, rules or regulations and a certification that the proposed substations shall comply therewith.

124-17

Special Permit for Cogeneration Power Plant

The City Planning Commission may permit a power plant not to exceed 25,000 square feet in #floor area#, provided that:

- (a) the power plant is designed to maximize cogeneration potential to the greatest extent feasible; and
- (b) the power plant is designed primarily to serve the Willets Point District; and

In addition, the Commissioner shall refer such application to the Department of Environmental Protection for a report.

The Commission may prescribe appropriate conditions or safeguards to minimize adverse effects on the character of the surrounding area including safety devices and the concealment of such use with building enclosures, landscaping, buffer zones, or other methods.

124-18

Location and Other Requirements for Specific Uses

124-181

Convention center

A trade exposition center, hereinafter referred to as a convention center, is permitted in the #Special Willets Point District# only in accordance with this Section and Section and 124-412(b). A convention center may only be located in either of two areas within the #Special Willets Point District#, as depicted on Map 3 and as further described herein:

- (a) Entirely within 1,800 feet of the intersection of Roosevelt Avenue and 126th Street; or
- (b) Entirely within 650 feet of Northern Boulevard.

Furthermore, a convention center may not be located within 200 feet of 126th Street, and any portion of a convention center located between 200 feet and 450 feet of 126th Street shall be limited to no more than 50,000 square feet of #floor area#.

Section 124-14 (Retail Continuity) shall not be applicable to a convention center. In lieu thereof, the transparency requirements of this Section shall apply to the #streetwall# of the

convention center facing a #connector street#. Such #streetwall# shall be glazed with materials which may include show windows, glazed transoms or glazed portions of doors. Such glazed area shall occupy at least 50 percent of the area of such #streetwall#, measured to a height of 15 feet above the level of the adjoining sidewalk or public access area. Not less than 40 percent of such area shall be glazed with transparent materials.

The main entrance(s) of such convention center shall be on a #connector street#.

124-182

Location of theaters

Theaters comprising over 10,000 square feet in #floor area# shall be located entirely within 600 feet of the intersection of Roosevelt Avenue and 126th Street.

124-183

Location of office uses in towers

Use Group 6B office #uses# located on any #story# entirely above 120 feet in height shall be located entirely within 600 feet of the intersection of Roosevelt Avenue and 126th Street.

124-20

BULK REGULATIONS

In the #Special Willets Point District#, bulk regulations shall be as set forth in this Section, inclusive.

124-21

Floor Area Regulations

#Zoning lots# containing less than 200,000 square feet of #lot area# shall not exceed a #floor area ratio# of 2.0.

#Zoning lots# containing at least 200,000 square feet of #lot area# shall have a maximum #floor area ratio# as follows:

- (a) Except as set forth in paragraph (3) below:
 - (1) Within Area A north of 34th Avenue, the maximum #commercial floor area ratio# shall be 2.0 and the maximum total #floor area ratio# shall be 3.4.
 - (2) Within Area A south of 34th Avenue, the maximum #commercial floor area ratio# shall be 2.0 and the maximum total #floor area ratio# shall be 5.0.

- (3) #Zoning lots# within Area A of at least 28 acres of #lot area# shall have a maximum #commercial floor area ratio# of 2.0 and a maximum total #floor area ratio# of 4.6.
- (b) Except as set forth in paragraph (4) below:
- (1) Within Area B north of 34th Avenue, the #floor area ratio# shall not exceed 2.0.
 - (2) Within Area B south of 34th Avenue and north of Willets Point Boulevard, the maximum #commercial floor area ratio# shall be 2.0 and the maximum total #floor area ratio# shall be 3.0.
 - (3) Within Area B south of Willets Point Boulevard, the maximum #commercial floor area ratio# shall be 2.0 and the maximum total #floor area ratio# shall be 4.0.
 - (4) #Zoning lots# within Area B of at least 33 acres of #lot area# shall have a maximum #commercial floor area ratio# of 2.0 and a maximum total #floor area ratio# of 2.25.

**124-22
Height and Setback Regulations**

The height and setback regulations of this Section shall apply throughout the #Special Willets Point District#, except that #developments# or #enlargements# that result in less than 100,000 square feet of #floor area# on #zoning lots# of less than 200,000 square feet shall be limited to the height and setback regulations of an R6B district. The height of all #buildings or other structures# shall be measured from the level of the adjoining sidewalk or other publicly accessible open area. For the purposes of this Section, 34th Avenue and Willets Point Boulevard shall be considered to be #connector streets# and 127th Street shall be considered to be a #residential street#.

- (a) Street Wall Location and Base Heights
 - (1) Except along 126th Street, Northern Boulevard and #residential streets#, at least 70 percent of the #aggregate width of street walls# shall be located within eight feet of the #street line# or public access area and shall extend without setback to at least a minimum base height of 60 feet or the height of the building, whichever is less. The maximum height of a #building or other structure# before setback shall be 85 feet. However, the minimum base height of a convention center shall be 40 feet or the height of the #building#, whichever is less.
 - (2) Along 126th Street, at least 80 percent of the #aggregate width of street walls# shall be located within 60 feet of the #street line# of 126th Street and shall extend to at least a minimum base height of 60 feet, or the

height of the #building#, whichever is less. The maximum height of a #building or other structure# before setback shall be 85 feet.

- (3) Along 126th Street, for #buildings# directly opposite Citifield Stadium, the provisions of subparagraph (2) above shall apply except that an additional lower setback shall be permitted where eating and drinking establishments with outdoor seating on terraces overlooking 126th Street are provided or where Physical Culture or Health Establishments utilize the outdoor area on the second #story#. Such terraces shall be located on the roof level of the ground floor level of the #building#, at a height not lower than 20 feet or higher than 30 feet above the level of the sidewalk fronting the 126th #streetwall# of the #building#, and shall have a minimum depth of 15 feet.
- (4) Along #residential streets#, at least 70 percent of the #aggregate width of street walls# shall be located within eight feet of the #street line# or public access area and shall extend without setback to at least a minimum base height of 40 feet or the height of the building, whichever is less, The maximum height of a #building or other structure# before setback shall be 85 feet. Where #streetwalls# facing #residential streets# contain ground floor #dwelling units#, such #streetwalls# shall be set back at least four feet from the #street line#. The #building# may project into the required setback area provided that:
 - (i) any such projection does not exceed 20 feet in width;
 - (ii) any such projection does not exceed 25 feet in height;
 - (iii) the aggregate width of all such projections at the level of any #story# shall not exceed 50 percent of the width of the #street wall# of the #building#; and
 - (iv) all such projections are at least 10 feet apart.
- (5) Along Northern Boulevard, no portion of a #streetwall# shall be located closer to Northern Boulevard than eight feet. At least 70 percent of the #aggregate width of street walls# shall be located between eight and 15 feet of the Northern Boulevard #street line# and shall extend without setback to at least a minimum base height of 60 feet or the height of the building, whichever is less, The maximum height of a #building or other structure# before setback shall be 85 feet.
- (6) Wherever an open area is provided between the #streetwall# of a #building# and the #streetline#, such area shall be planted, except at entrances to and exits from the #building#, and except where non-#residential uses# are provided at the ground floor level of the #building#.

(b) Required setbacks and maximum building height

Except as provided in paragraph (c)(6) of this Section 124-22, setbacks are required for all portions of #buildings# that exceed a height of 85 feet. Such setbacks shall be provided at a height not lower than 60 feet. The depth of the required setback shall be at least 10 feet measured from any required #streetwall# fronting on a #wide street#, and at least 15 feet from any required #streetwall# fronting on a #narrow street#. Where portions of #buildings# that exceed a height of 85 feet are not located above a required #streetwall#, such portions shall be set back at least ten feet from a #wide street line# and at least 15 feet from a #narrow street line#. However, dormers may penetrate a height of 85 feet in accordance with the provisions of paragraph (c) of Section 23-621 (Permitted obstructions in certain districts). Within the area shown on Map 4 as limited to 218 feet above mean sea level, no portion of a #building# shall exceed a height of 120 feet except in accordance with the tower provisions of paragraph (c) below.

(c) Towers

Within the area shown on Map 4 as limited to 218 feet above mean sea level, any #story# of a #building# containing #residences# located above a height of 120 feet shall comply with the provisions of this paragraph (c). Such portions of a #building# are hereinafter referred to as "towers."

(1) Maximum tower size

Each #residential story# of a tower located entirely above a height of 120 feet shall not exceed a gross area of 11,000 square feet.

(2) Maximum tower length

The maximum length of any #residential story# located entirely above a height of 120 feet shall not exceed 170 feet. Such length shall be measured by inscribing within a rectangle the outermost walls of the tower at the level of each #story# entirely above a height of 120 feet. No side of such rectangle shall exceed a length of 170 feet.

(3) Orientation

The length of any #residential story# located entirely above a height of 120 feet shall be at least 1.5 times its width and oriented so that the long side of the such tower faces within 15 degrees of south. Such length shall be measured by inscribing within a rectangle the outermost walls of the tower at the level of each #story# entirely above a height of 120 feet. The length of such rectangle shall be at least 1.5 times its width. The orientation provisions of this paragraph (3) need not apply if

at least 75 percent of all towers in the #Special Willets Point District# for which building permits have been issued comply with such provisions.

(4) Uppermost #story#

The uppermost #story# that contains #floor area# within a tower must provide a setback so that such #story# covers not more than 85 percent and not less than 50 percent of the gross area of the #story# immediately below.

(5) Distance between towers

The minimum distance between all towers shall be 60 feet.

(6) Sheer tower walls

The setback provisions of paragraph (b) of this Section shall not apply to any tower or portion thereof located within the sheer tower location areas shown on Map 5.

(d) Maximum total height

The maximum height of any #building or other structure# shall be as depicted on Map 4 (Height Limits). The height limits established in Map 4 include reference points for two #airport referenced imaginary surfaces# that are continuous planes, and one area with a maximum height limitation of 218 feet. The coordinates of the points are as follows:

Point 1	73°50'36.8"W	40°45'45.6"N
Point 2	73°50'42.9"W	40°45'38.1"N
Point 3	73°50'26.6"W	40°45'39.3"N
Point 4	73°50'33.6"W	40°45'30.7"N

The height limits hereby established supersede the height limits described in Article VI, Chapter 1. Application may be made to the Board of Standards and Appeals pursuant to Section 73-66 (Height Regulations around Airports) for a permit to construct a #building or other structure# in excess of what is permitted pursuant to this subparagraph (c), provided that such application is also referred to the Port Authority of New York and New Jersey.

**124-40
MANDATORY IMPROVEMENTS**

**124-41
Standards for Streets and Blocks**

#Developments# or #enlargements# that result in a total of at least 100,000 square feet of #floor area# on #zoning lots# of at least 200,000 square feet, shall front upon #streets# that comply with the requirements of this Section 124-41, inclusive.

124-411

Maximum length of blocks

The maximum length of a #block# shall be 450 feet except as provided below:

- (a) where a #block# includes a convention center, such length shall be unlimited;
- (b) where a #block# bounds the intersection of 126th Street and Northern Boulevard, such length shall be limited to 675 feet;
- (c) where a #block# bounds the intersection of 126th Street and Roosevelt Avenue, such length shall be limited to 575 feet;
- (d) #Blocks# or portions of #blocks# east of a line 500 feet east of and parallel to 126th Street and west of a line 1,500 feet east of and parallel to 126th Street shall have a maximum distance between intersections on a #connector street# of 218 feet, except where a #block# includes a convention center or the minimum 2-acre park required pursuant to Section 124-50.

124-412

New streets

The provisions of this Section shall apply to all private streets constructed after (effective date of amendment):

- (a) Primary Retail Street.

One #primary retail street# shall be provided parallel to, or generally parallel to, 126th Street, and comply with the following requirements:

- (1) the western boundary of such #street# shall be not less than 220 feet and not more than 320 feet from 126th Street;
- (2) such #street# shall intersect two #retail streets# and two #connector streets#;
- (3) the width of such #street# shall be 70 feet, comprised of:
 - (i) two 15 foot wide sidewalks on the outer edge of the #street#,
 - (ii) two nine foot wide strips adjacent to the inner edge of the sidewalks that can be used as either parking lanes or a

landscaped amenity that may include seating and walkways;
and

- (iii) two travel lanes in the center totaling 22 feet in width.

(b) Connector Streets

Two #connector streets# shall be provided as follows:

- (1) One #connector street# shall intersect 126th Street opposite 34th Avenue within the area shown on Map 2;
- (2) One #connector street# shall intersect 126th Street opposite the south side of Citifield Stadium within the area shown on Map 2;
- (3) Both #connector streets# shall intersect with the #primary retail street# and with each other at a point east of the #primary retail street#.
- (4) The width of each #connector street# shall be at least 75 feet and no more than 86 feet, comprised of:
 - (i) two 15 foot wide sidewalks, one on each outer edge;
 - (ii) two nine foot wide strips adjacent to the inner edge of the sidewalks that can be used as either parking lanes or a landscaped amenity that may include seating and walkways; and
 - (iii) at least two travel lanes and not more than three travel lanes totaling at least 22 feet and not more than 33 feet in width, and one bike lane at least 5 feet wide.
 - (iv) However, where portions of such #street# accommodates a change of grade, the sidewalk area shall be permitted to be divided into two areas, one 10 feet wide adjacent to the #building# and one 5 feet wide adjacent to and at the level of the travel lanes and/or parking areas, and street trees shall not be required until such time that the travel lanes are raised to the level of the 10-foot wide sidewalk.
- (5) Where a convention center fronts upon a #connector street#, the requirements set forth in this paragraph (b) shall be modified to eliminate the nine foot wide strip and, in lieu thereof, require a 12 foot wide drop-off lane that, in the aggregate, shall not exceed 300 feet.

(c) Retail Street.

A minimum of two and maximum of three #retail streets# shall be provided as follows:

- (1) One #retail street# shall intersect 126th Street opposite the entrance to Citifield stadium, within the area shown on Map 2;
- (2) One #retail street# shall intersect 126th Street opposite the north side of Citifield Stadium within the area shown on Map 2;
- (3) Two #retail streets# shall intersect with the #primary retail street#;
- (4) The width of each #retail street# shall be no more than / at least 68 feet wide, comprised of:
 - (i) Two 13 foot wide sidewalks, one on each outer edge;
 - (ii) Two ten foot wide strips adjacent to the inner edge of the sidewalks that can be used as a landscaped pedestrian amenity that may include seating and walkways; and
 - (iii) two travel lanes totaling at least 22 feet in width.

(d) Eastern Perimeter Street

One #eastern perimeter street# shall be provided as follows:

- (1) the eastern boundary of such #street# shall be within 20 feet of the eastern boundary of the #Special Willets Point District#, extending between Roosevelt Avenue and a #connector street#;
- (2) the width of such #street# shall be at least 62 feet and no more than 75 feet, comprised of:
 - (i) a 13 foot wide sidewalk along its western boundary and a sidewalk at least five feet wide along its eastern boundary;
 - (ii) two eight foot wide strips adjacent to the inner edge of the sidewalks that can be used as either a parking lane or as a landscaped pedestrian amenity that may include seating and walkways; and
 - (iii) at least two and no more than three travel lanes totaling at least 20 feet and not more than 33 feet in width.

(e) Residential Street.

All #streets# other than those listed in paragraphs (a) through (d) above that have ground floor #residential uses# fronting on such #street# shall be considered

#residential streets#, except where such #residential uses# are opposite a block containing no #residential uses# on any floor fronting such #street#. #Residential streets# shall be provided as follows:

- (1) A #residential street# shall be 62 feet wide, comprised of:
 - (i) Two 13 foot wide sidewalks, one on each outer edge;
 - (ii) two eight foot wide strips adjacent to the inner edge of the sidewalks that can be used as either a parking lane or as a landscaped pedestrian amenity that may include seating and walkways; and
 - (iii) two travel lanes totaling between 20 and 22 feet in width.
 - (iv) However, where portions of such #street# accommodates a change of grade, the sidewalk area shall be permitted to be divided into two areas, one 8 feet wide adjacent to the #building# and one 5 feet wide adjacent to and at the level of the travel lanes and/or parking areas, and street trees shall not be required until such time that the travel lanes is raised to the level of the 8-foot wide sidewalk.
 - (v) However, where a sidewalk is directly adjacent to publicly accessible open space, such sidewalk may be reduced to 10 feet in width.
- (f) Service Street.

All newly constructed #streets# other than those listed in paragraphs (a) through (e) above shall be improved as a #service street#, and shall be provided as follows:

- (1) A #service street# shall be 62 feet wide, comprised of:
 - (i) Two 13 foot wide sidewalks, one on each outer edge;
 - (ii) two eight foot wide strips adjacent to the inner edge of the sidewalks that can be used as either a parking lane or as a landscaped pedestrian amenity that may include seating and walkways; and
 - (iii) two travel lanes totaling between 20 and 22 feet in width.
 - (iv) However, where portions of such #street# accommodates a change of grade, the sidewalk area shall be permitted to be divided into two areas, one 8 feet wide adjacent to the #building# and one 5 feet wide adjacent to and at the level of

the travel lanes and/or parking areas, and street trees shall not be required until such time that the travel lanes is raised to the level of the 8-foot wide sidewalk.

124-42

Street Tree Planting

All new #developments# or #enlargements# shall provide and maintain trees of not less than three-inch caliper at the time of planting in the sidewalk adjacent to the #building# on the side of the sidewalk closest to the travel lane. All such trees shall be provided for the entire length of the frontage of the building, for every 25 feet of such frontage. Species shall be selected, installed and maintained in accordance with specifications established by the Department of Parks and Recreation. However, street trees need not be provided where such trees may interfere with truck movements in the loading area for a convention center.

124-43

Mandatory Sidewalk Widening

All #developments# or #enlargements# on 34th Avenue shall provide a sidewalk widening of no less than 13 feet in width. Such sidewalk widenings may be utilized to satisfy the requirements of Section 124-42 (Street Tree Planting). No obstructions shall be permitted from the lowest level to the sky except for those permitted pursuant to Section 37-073(f)(3). When one end of the sidewalk widening abuts an existing building, the special design treatment specified in Section 37-073(f)(5) shall be required.

124-44

Roof Design Requirements

Any roof of a facility containing off-street parking spaces, not otherwise covered by a #building#, which is larger than 400 square feet shall be landscaped. Up to five percent of such roof area may be used for mechanical equipment, provided that such mechanical equipment is fully enclosed, except that openings in such enclosure shall be permitted only to the extent necessary for ventilation and exhaust, and that it is screened from view by a fence which is at least 75 percent opaque or by at least three feet of dense planting. Up to 25 percent of such roof area may be accessible solely from an adjacent #dwelling unit# and the remaining roof area shall be accessible for the recreational use of the occupants of the building in which it is located. Hard surfaced areas shall not cover more than 60 percent of such roof area.

124-50

PUBLICLY ACCESSIBLE OPEN SPACE REQUIREMENTS

Publicly accessible open spaces shall be provided as specified in this Section, inclusive. In the event of a conflict between the provisions of this Section, inclusive, and any underlying regulation, the provisions of this Section shall govern.

124-51**Amount of Publicly Accessible Open Space**

Publicly accessible open space within the #Special Willets Point District# shall total not less than eight acres. Such required amounts shall be open to the sky and shall not include any sidewalks required pursuant to this Section.

- (a) Within Area A, for #developments# or #enlargements# that result in a total of at least 100,000 square feet of #floor area# on #zoning lots# of at least 200,000 square feet, 30 square feet of publicly accessible open space shall be provided for each 1,000 square feet of #floor area#.
- (b) Within Area B, for #developments# or #enlargements# that result in a total of at least 100,000 square feet of #floor area# on #zoning lots# of at least 200,000 square feet, 50 square feet of publicly accessible open space shall be provided for each 1,000 square feet of #floor area#.

Such publicly accessible open space may be transferred from the #zoning lot# containing the #development# or #enlargement# to any other #zoning lot# in the #Special Willets Point District# provided that such publicly accessible open space meets the standards of Section 124-52, inclusive.

124-52**Types and Standards of Publicly Accessible Open Space**

The following types and standards of publicly accessible open space shall apply:

- (a) Park

At least one park not less than two acres in area shall be provided. Such park shall be bounded on all sides by #streets# or a #school#, and at least one of the #streets# bounding the park shall be a #connector street#. No portion of such park shall be closer than 200 feet from the boundaries of the #Special Willets Point District#. Up to five percent of the area of such outdoor park may be covered by a #building or other structure#.

- (b) 126th Street

The provisions of this paragraph (b) shall apply along the western boundary of #blocks# bounding 126th Street:

- (1) A sidewalk with a minimum width of 15 feet shall be located adjacent to the curb, and have an elevation not higher than the one foot above the level of the road bed.

- (2) A pedestrian amenity area at least 20 feet wide and no more than 35 feet wide shall be located between such sidewalk and the #streetwall# of any #building# fronting upon 126th Street. Pedestrian circulation space at least 5 feet wide shall be provided within such area within 1.5 feet of the #ground floor elevation# of such #streetwalls# to allow pedestrian movement in a direction parallel with the #street# and connecting with sidewalks of #streets# intersecting 126th Street;
- (3) On each such #block# there shall be a minimum of two ramps connecting the sidewalk along 126th Street and the pedestrian circulation space. In addition, stairways shall be provided linking the sidewalk and pedestrian circulation space so that each establishment on the #block# with entrances facing 126th Street is readily accessible by such stairs or ramps;
- (4) All publicly accessible open spaces shall comply with the provisions of Sections 37-725 (Steps), 37-726 (Permitted obstructions), 37-728 (Standards of accessibility for persons with disabilities), 37-73 (Kiosks and Open Air Cafes) and 37-74 (Amenities) except for the following modifications:
 - (i) Section 37-73 shall be modified so that only certification pursuant to Section 124-05 is required. Subsections (c) and (d) of Section 37-73 shall not apply, and filing of plans for cafes in the Borough Office of the City Register shall not be required.
 - (ii) Section 37-73 (b) shall be modified to permit open air cafes to be at a different elevation from adjoining public access areas and from adjoining sidewalks.
 - (iii) For publicly accessible open space on the western boundary of #blocks# facing Citifield Stadium, Section 37-73 (b) shall be modified to limit the aggregate area of open air cafes to no more than 50 percent of the public access area, and to allow open air cafes to occupy up to 75 percent of #street# frontage.
 - (iv) Section 37-741 shall be modified so that the sentence that reads “A minimum of one linear foot of the required seating for every two linear feet of #street# frontage must be located within 15 feet of the #street line#,” shall not apply.
 - (v) For public access areas on the western boundary of #blocks# facing Citifield Stadium, Section 37-741 shall be modified so that seating for open air cafes may meeting the seating requirement, in the category of movable seating, provided that 25 percent of the linear seating capacity is provided through other seating types.

- (vi) For publicly accessible open space on the western boundary of #blocks# not facing Citifield Stadium, Section 37-742 shall be modified to require planters, planting beds and accessible lawns at a rate of 200 square feet for every 1,000 square feet of publicly accessible open space.
- (vii) Section 37-747 shall not apply; in lieu thereof, paragraph (i) of this Section 124-54 (Hours of Access) shall apply.

(c) Roosevelt Avenue

Along the south side of #blocks# bounding Roosevelt Avenue, the following provisions shall apply:

- (1) A bike lane with a minimum width of 5 feet shall be located no more than 16 feet from the curb line;
- (2) A pedestrian amenity area at least 20 feet and not more than 45 feet in width shall be provided between the bike lane and the #street wall# of a #building#;
- (3) Within the pedestrian amenity area, there shall be a sidewalk with a minimum width of 13 feet generally parallel to Roosevelt Avenue linking the sidewalk along 126th Street to either a sidewalk along the #eastern perimeter street#, if built, or the sidewalk leading to the Roosevelt Avenue Bridge.
- (4) A minimum of 50 percent of the pedestrian amenity area shall be planted.

(d) Block at Roosevelt and 126th Street

In the event that a utility easement is retained on the #block# bounded by Roosevelt Avenue and 126th Street, improvements shall be provided as follows:

- (1) An entry plaza of at least 7,000 square feet shall be provided adjacent to the intersection of 126th Street and Roosevelt Avenue, as follows:
 - (i) the plaza shall include no less than 60 feet and no more than 80 feet of frontage along 126th Street;
 - (ii) each #use# or establishment with frontage on the plaza shall include at least one entrance to such plaza;
 - (iii) at least two amenities shall be provided from among those listed in Section 37-748, except that a kiosk that provides information instead of food service shall also be permitted;

- (iv) the area of such plaza does not overlap with the requirements of paragraph (c) (Roosevelt Avenue) above.
- (2) A central plaza of at least 20,000 square feet shall be provided as follows:
- (i) the plaza shall have at least 100 feet of frontage on a #connector street#;
 - (ii) the prolongation of the centerline of the primary retail street shall intersect with such plaza;
 - (iii) such plaza shall meet the pedestrian amenity standards of subsection (b) (4) (126th Street) above.
- (3) A pedestrian corridor area shall be provided linking the entry plaza required pursuant to paragraph (d)(1) above and the central plaza required pursuant to paragraph (d)(2) above, as follows:
- (i) such corridor shall be at least 60 feet in width and include within such width a 40 foot utility easement;
 - (ii) such corridor shall be at least 150 feet in length;
 - (iii) each #use# or establishment with frontage on such corridor shall include at least one entrance to such corridor;
 - (iv) each side of such corridor area shall be planted with street trees of not less than three-inch caliper at the time of planting for the entire length of such corridor, at a rate of one tree for every 25 feet of the length of each side of such corridor.
- (e) Northern Boulevard
- Along the north side of #blocks# bounding Northern Boulevard, the following provisions shall apply:
- (1) A sidewalk with a minimum width of 13 feet shall be located adjacent to the curb and have an elevation not higher than one foot above the road bed of Northern Boulevard;
 - (2) An open area at least 8 feet wide and no more than 15 feet wide shall be located between the sidewalk and the #street wall# of a #building#, except that such area need not be provided where such areas may interfere with truck movements in the loading area for a convention center located on any such #block#;

(3) A minimum of 70 percent of such open area shall be planted.

However, the requirements of this paragraph (e) shall not apply if a convention center is located on such #block#.

(f) Eastern Perimeter Street

Along the #eastern perimeter street# between the required sidewalk and the eastern boundary of the #Special Willets Point District#, an open area with a minimum depth of 8 feet and a maximum depth of 15 feet shall be provided. At least 70 percent of such open area shall be planted.

(g) Convention Center

If a convention center is provided, a pedestrian amenity area shall be required between the #street line# and the #street wall# of the convention center. The pedestrian amenity area shall have a depth of at least 10 and not more than 22 feet and meet the standards of paragraph (b)(4) (126th Street) above.

(h) Standards for Additional Areas

If the amount of public access areas required pursuant to paragraphs (a) through (g) above does not total eight acres, the difference shall be provided in the form of one or more public access areas located anywhere not closer than 100 feet to the boundary of the #Special Willets Point District#.

(i) Hours of Access

All publicly accessible open space shall be accessible to the public from sunrise to one hour after sunset. Entry plaques for public access areas over one-half acre in size shall be provided as described in Section 37-751(a).

**124-60
OFF-STREET PARKING REGULATIONS**

**124-61
Required and Permitted Parking**

Off-street parking shall be provided for all required parking spaces and loading as specified by the underlying district, except as modified by the special regulations of this Section.

**124-62
Use and Location of Parking Facilities**

The provisions of this Section shall apply to all off-street parking spaces within the #Special Willets Point District#.

Floor space used for parking shall be exempt from the definition of #floor area#.

Parking facilities with over 225 parking spaces shall provide adequate reservoir space at the vehicular entrances to accommodate either ten automobiles or five percent of the total parking spaces provided in such facility, whichever amount is greater, but in no event shall such reservoir space be required for more than 50 automobiles.

- (a) All off-street parking spaces shall be located within facilities that, except for entrances and exits, meet the following standards:
- (1) Are located entirely below the level of any #street# or publicly accessible open area upon which such facility, or portion thereof, fronts; or
 - (2) Are located in a #cellar# no more than four feet above grade within Area B provided that the #street wall# is set back at least four feet from the #street line# except for projections permitted pursuant to Section 124-22(a)(4) and planted areas are provided pursuant to Section 124-22(a)(5) and further provided that 50 percent of such #streetwall# with adjacent parking spaces consists of opaque materials; or
 - (3) Are located, at every level above-grade, behind #commercial#, #community facility# or #residential# #floor area# at least 25 feet from any #streetwall# or public access area, or
 - (4) Are located above-grade and adjacent to a #streetwall# or public access area provided that any non-horizontal parking deck structures are not visible from the exterior of the #building# in elevation view and opaque materials are located in the exterior #building# wall between the bottom of the floor of each parking deck and no less than three feet above such deck and a total of at least 50 percent of such #streetwall# with adjacent parking spaces consists of opaque materials. A parking structure so screened shall be permitted only in the following locations:
 - (i) Except for within #blocks# that bound the intersection of 126th Street and Northern Boulevard or 126th Street and Roosevelt Avenue, a parking facility may be located adjacent to a #streetwall# facing 126th Street above a height of 35 feet and limited to a height of 85 feet, provided that no less than 60 percent and no more than 70 percent of the surface area of the portion of such #streetwall# with adjacent parking spaces consists of one or more of the following: #signs#, graphic or sculptural art, or living plant material; and provided that at least 25 feet of #commercial#, #community facility# or

#residential floor area# separates such parking spaces from any other adjacent #street#;

- (ii) A parking facility may be located adjacent to a #streetwall# limited to a height of 85 feet on a #block# that bounds the intersection of 126th Street and Northern Boulevard provided that such #streetwall# is on Northern Boulevard and is more than 100 feet from 126th Street; and provided that no less than 60 percent and no more than 70 percent of the surface area of the portion of such #streetwall# with adjacent parking spaces consists of one or more of the following: #signs#, graphic or sculptural art, or living plant material; and provided that at least 25 feet of #commercial#, #community facility# or #residential floor area# separates such parking spaces from any other adjacent #street#;
 - (iii) A parking facility not on a #block# that bounds the intersection of 126th Street and Northern Boulevard may be located adjacent to a #streetwall# limited to a height of 40 feet facing Northern Boulevard provided that such #streetwall# with adjacent parking spaces is on Northern Boulevard and is more than 100 feet from 126th Street; and provided that at least 25 feet of #commercial#, #community facility# or #residential floor area# separates such parking spaces from any other adjacent #street#;
 - (iv) A parking facility may be located adjacent to a #streetwall# on a #block# that bounds the intersection of 126th Street and Roosevelt Avenue provided that such #streetwall# with adjacent parking spaces is more than 100 feet from 126th Street, Roosevelt Avenue and any #connector street#;
 - (v) A parking facility may be located adjacent to a #streetwall# limited to a height of 40 feet facing the eastern boundary of the #Special Willets Point District#, within 200 feet of such eastern boundary, so that such parking facility is not visible from a #connector street#. and provided that at least 25 feet of #commercial#, #community facility# or #residential floor area# separates such parking spaces from any other adjacent #street#.
- (5) A parking facility with parking spaces adjacent to an exterior #building# wall that is not a #streetwall# shall provide screening of such exterior wall so that any non-horizontal parking deck structures are not visible from the exterior of the #building# in elevation view and opaque materials are located in the exterior #building# wall between the bottom of the floor of each parking deck and no less than three feet above such deck and a total of at least 50 percent of such exterior

#building# wall with adjacent parking spaces consists of opaque materials.

- (6) No parking spaces shall be open to the sky, and a parking facility shall have a roof that meets the requirements of Section 124-44.
- (b) All #accessory# off-street parking spaces may be made available for public use. However, any such space shall be made available to the occupant of a #residence# to which it is #accessory# within 30 days after written request therefore is made to the landlord. Furthermore, if #accessory# and public parking spaces are provided on the same block, all such spaces shall be located within the same parking facility.
- (c) All #accessory# off-street parking spaces may be provided within parking facilities in #buildings# other than the same #building# as the #uses# to which they are #accessory#, provided that:
 - (1) the off-street parking space within such facility is counted only once in meeting the parking requirements for a specific #building#; and
 - (2) such parking facilities are located within the #Special Willets Point District#; or
 - (3) such parking facilities are located within distances specified by Sections 36-421 and 36-43, as applicable.

124-63

Loading Restrictions

Loading areas shall not be permitted within 75 feet of 126th Street or within 50 feet of the Primary Retail Street. Loading areas for a convention center use shall not be permitted within 100 feet of a Connector Street.

124-64

Curb Cut Restrictions

Along 126th Street, the #primary retail street#, the #connector streets#, across from public open space of 2 acres in size or greater, and within 50 feet of the intersection of any #streets#, no driveway curb cuts for parking facilities or loading berths shall be permitted, except for a convention center or a #transient hotel# with 50,000 at least square feet of #floor area#, and except that the City Planning Commission may authorize curb cuts, provided the Commission finds that such curb cuts are needed, do not unduly inhibit surface traffic or pedestrian flow and do not impair the essential character of the surrounding area.

Where permitted, the maximum aggregate width of curb cuts on any frontage shall be limited to 24 feet for #residential streets# and 60 feet for all other #streets#, except that the

maximum shall be 100 feet for #blocks# that bound the intersection of 126th Street and Northern Boulevard or 126th Street and Roosevelt Avenue and for #blocks# that contain a #transient hotel# #transient hotel# with 50,000 at least square feet of #floor area#. For a convention center, the maximum aggregate width of curb cuts on any frontage shall be limited to 100 feet, except that curb cuts shall be unlimited directly adjacent to the loading area of the convention center. All curb cuts shall be achieved without any reduction to the grade of the sidewalk over which they pass.

**124-65
Indoor Bicycle Parking**

Within the #Special Willets Point District#, a designated area for #accessory# bicycle parking shall be provided for all #developments# or #enlargements#. Such designated area shall be enclosed, accessible and secure, and excluded from the definition of #floor area#. #Accessory# facilities, such as lockers, showers and circulation space shall also be excluded from the definition of #floor area#.

- (a) For #residential buildings# with ten or more #dwelling units#, one bicycle parking space shall be provided for every two #dwelling units#, up to a maximum of 200 bicycle parking spaces.
- (b) For #developments# or #enlargements# with at least 10,000 square feet of Use Group 6B office #use#, one bicycle parking shall be provided for every 5,000 square feet of such Office #use#, up to a maximum of 200 bicycle parking spaces.
- (c) For #developments# or #enlargements# with at least 10,000 square feet of Use Group 6A or 6C retail #use#, one bicycle parking space shall be provided for every 10,000 square feet of such #use#, up to a maximum of 100 bicycle parking spaces.

**124-70
SPECIAL PERMIT TO MODIFY USE OR BULK REGULATIONS**

For any #development#, #enlargement#, alteration or change of #use# within the #Special Willets Point District#, the City Planning Commission may permit modification of the #use# or #bulk# regulations, except #floor area ratio# provisions, provided the Commission shall find that such:

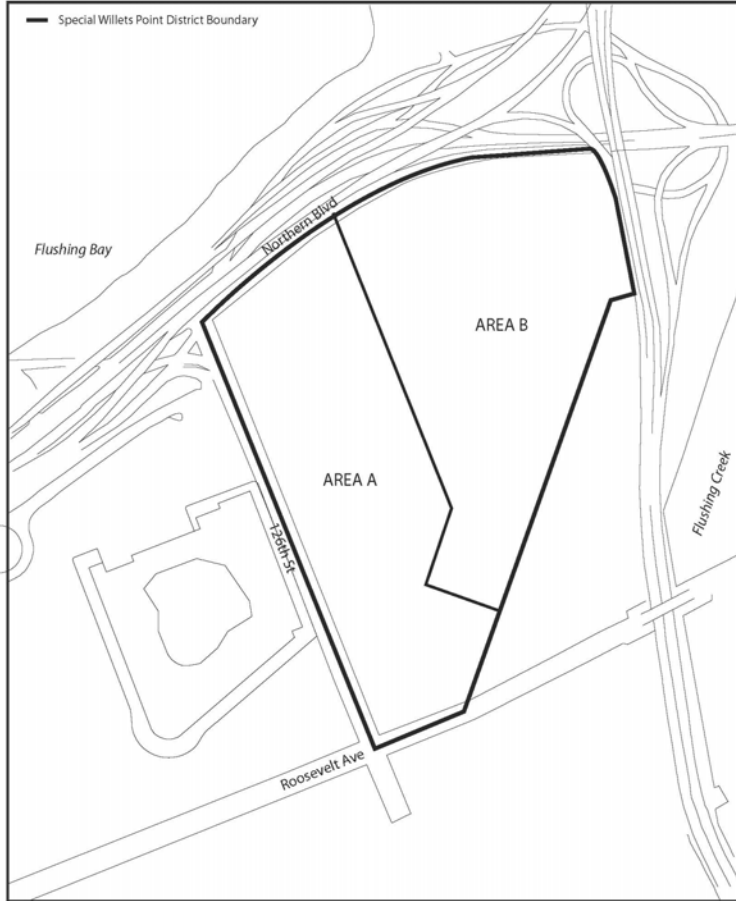

- (a) modification will aid in achieving the general purposes and intent of the Special District;
- (b) #use# modification will encourage a lively pedestrian environment along the street, or is necessary for, and the only practicable way to achieve the programmatic requirements of the #development#;

- (c) #bulk# modifications will enhance the distribution of #bulk# within the District;
- (d) #bulk# modifications will permit adequate access of light and air to surrounding streets; and
- (e) #development# or #enlargement# will relate harmoniously to the character of the surrounding area.

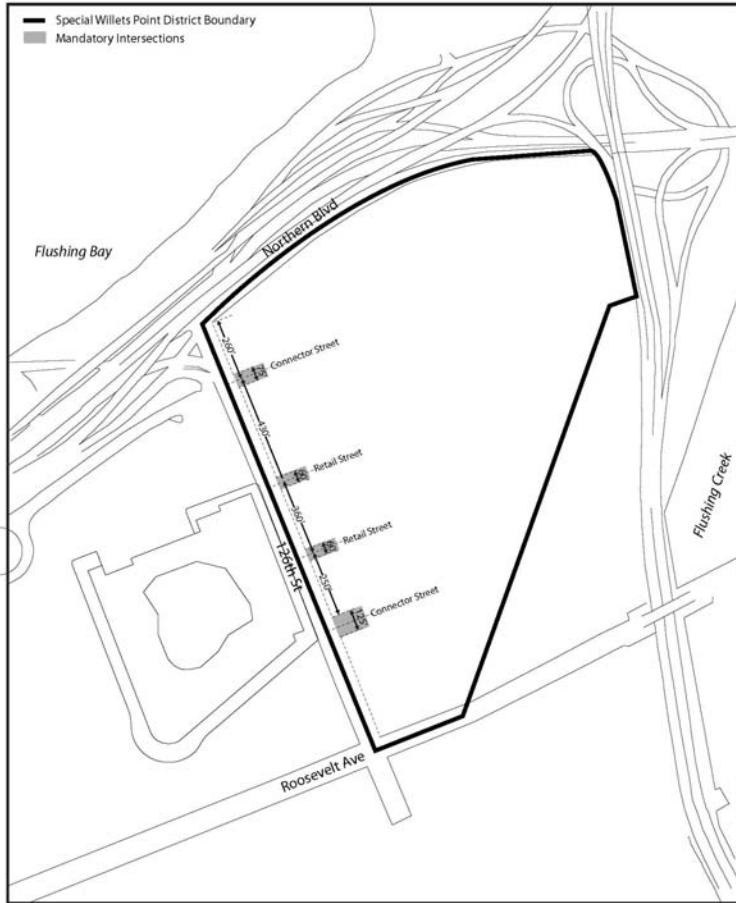

The Commission may prescribe appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.
