- (c) Drawings have been submitted to the Chairperson, documenting the size, format, and location of the required #sign# pursuant to Section 63-26. Such drawings shall include detailed information about dimensions of the #sign#, lettering, color, and materials;
- (d) A signed lease or written commitment from the prospective operator of #FRESH food store# has been provided in a form acceptable to the City, for occupancy of such space, and its operation as a #FRESH food store# space; and
- (e) A legal commitment, in the form of a declaration of restrictions has been executed, in a form acceptable to the Chairperson, binding upon the owner and its successor and assigns, and providing for continued occupancy of all #floor area# or #cellar# space as a #FRESH food store use# that shall commence within a reasonable period following the issuance of Temporary Certificate of Occupancy for the #FRESH food store#, as set forth in the declaration of restrictions.

Such declaration of restrictions shall include provisions providing that there shall be no violation of the legal commitment for continued occupancy of the #floor area# or #cellar space# for use as a #FRESH food store# : (a) during any six (6) month period from the date such #floor area# or #cellar space# is vacated by the operator, provided that owner timely notifies the Department of City Planning of such vacancy in accordance with the requirements of the restrictive declaration; and (b) during any event of force majeure, as determined by the Chairperson.

The filing and recordation of the declaration of restrictions in the Borough Office of the Register of the City of New York, and receipt of a certified copy of such declaration, shall be a precondition to the issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# under this Chapter.

In granting the certification, the Chairperson of the City Planning Commission may specify that changes in design or #use# consistent with the definition of the #FRESH food store# in Section 63-01 would not warrant further certification pursuant to this Section.

**63-31
Requirements for Certificate of Occupancy**

No certificate of occupancy shall be issued for any portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (b) of Section 63-30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. No final certificate of occupancy shall be issued for any such portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (b) of Section 63-30 until the #FRESH food store# space has been completed in accordance with the drawings submitted pursuant to paragraph (a) of Section 63-30 and a final certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions shall be noted on any temporary or final certificate of occupancy for the #building#.

**63-40
Certification for change of #use# of a #FRESH Food Store#**

A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying districts upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable zoning district regulations.

**63-50
Authorization for Bulk and Parking modifications**

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts, when a change of #use# of a #FRESH food store# for which a certification has been issued pursuant to Section 63-30 is requested, provided that such #use# is permitted by the underlying districts.

In order to grant such authorization, the Commission shall find that:

- (a) due to the prevalent market conditions at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store use# will bring a reasonable return;
- (b) the applicant, the operator or a prior operator of such #FRESH food store# has not created, or contributed to, such unfavorable market conditions;
- (c) the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the City Planning Commission that such efforts have been unsuccessful;

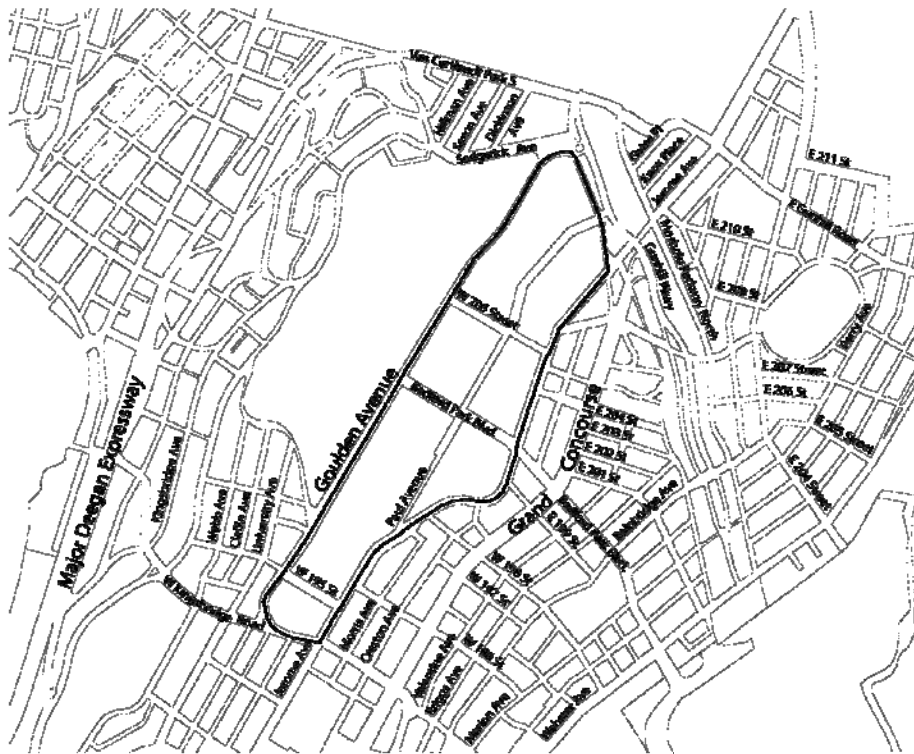

- (d) any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses# including #uses# within the building; and
- (e) any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

In issuing authorizations under this Section, the Commission may impose conditions and safeguards, to minimize adverse impacts on the character of the surrounding area.
