### Summary

A spatial representation of the New York City Zoning Resolution's regulations for location of Sidewalk Cafes. The Zoning Resolution regulates where sidewalk cafes are permitted in Article I, Chapter 4.

### Description

A sidewalk cafe is a portion of an eating or drinking establishment that is located on a public sidewalk. This Line feature class is intended to be a spatial representation of the Sidewalk Cafe regulations in the New York City Zoning Resolution, Article 1, Chapter 4. Lines are attributed to indicate the types of Sidewalk Cafes that are permitted: All Cafes (includes Enclosed, Unenclosed, and Small); Unenclosed Only (includes Small); Small Only; or Not Permitted (for locations where the zoning would normally permit, but some other regulation prohibits.) Lines are coincident with the Department Of Finance Tax Block edges. This dataset is maintained to reflect changes to mapped zoning districts or zoning text amendments as they are adopted by the City Council.

## MEASURE DESCRIPTION

The data were developed using DCP's Tax Block Base Map Files, DOITT's NYCMAP planimetric street centerlines and 2006 orthophotos as reference sources. Measurements and dimensions for location of zoning features were obtained from DCP zoning maps. The estimated horizontal accuracy is +/- 20 feet.
