Pursuant to Section 25-306 of the Administrative Code of the City of New York, the Landmarks Preservation Commission hereby approves certain alterations to the subject premises as proposed in your application completed on August 03, 2021.

The approved work consists of interior alterations only at the cellar, first and second floors; as shown on drawings T-001, G-001, G-002, DM-001, DM-002, DM-003, DM-101, and DM-102, dated July 27, 2021, prepared by Kenneth A. Gruskin, R.A.; and drawings DM-100, DM-101, DM-400, DM-401, DM-500 through DM-504, dated July 28, 2021, prepared by Thomas J. Turrisi, P.E.; and submitted as components of the application.

The Commission has reviewed the application and these drawings and finds that the work will have no effect on significant protected features of the building.

This permit is issued on the basis of the building and site conditions described in the application and disclosed during the review process. By accepting this permit, the applicant agrees to notify the Commission if the actual building or site conditions vary or if original or historic building fabric is discovered. The Commission reserves the right to amend or revoke this permit, upon written notice to the applicant, in the event that the actual building or site conditions are materially different from those described in the

application or disclosed during the review process.

The approved documents, and Department of Buildings filing drawings where applicable, are marked as approved by the Commission, with the date of the approval indicated. The work is limited to what is contained in the approved documents and referenced in the approval. Other work or amendments to this filing must be reviewed and approved separately. The applicant is hereby put on notice that performing or maintaining any work not explicitly authorized by this permit may make the applicant liable for criminal and/or civil penalties, including imprisonment and fine. This letter constitutes the permit; a copy must be prominently displayed at the site while work is in progress. Please direct inquiries to Brian Blazak.
