The Landmarks Preservation Commission received an application on August 4, 2020, for the construction of a new building and alterations to the facade of the existing building at the subject premises. The application has remained incomplete for over 90 days. Because the materials requested by staff that are necessary for the Commission to make a determination have not been submitted, your application is being withdrawn. If you wish to pursue this or a related proposal, it will be necessary to file a new application, along with supporting documentation.

Thank you for your cooperation.
