On March 7, 2025, the staff of the Landmarks Preservation Commission received an application to legalize the removal of three (3) stained-glass transom windows at the second floor bowed bay that occurred without LPC permit(s) at the subject premises. Subsequently on May 20, 2025, the staff received a request from applicant Asma N. Siddiq of Commercial Capital USA, Inc., to withdraw the application. Therefore, the application is being withdrawn by the staff of the Commission.

PLEASE NOTE: Notice of Violation 25-0479, issued for the “removal of stained-glass windows without permit(s)” [at the 2nd floor of the bowed bay] remains in effect. Failure to resolve this matter may result in the issuance of a summons originating from the Office of Administrative Trials and Hearings in accordance with Title 63 of the Rules of the City of New York, Sections 2-04 and 11-02. A second summons requires a court appearance and a civil fine may be imposed.

Please see Title 63 of the Rules of the City of New York for complete text of any cited Rule section(s):
