

CHURCH OF THE TRANSFIGURATION (Little Church around the Corner), 11-13 East 29th Street, Manhattan.

Landmark Site: Borough of Manhattan Tax Map Block 859, Lot 12 in part, consisting of the land under the chancel.

HISTORY OF THE LANDMARK SITE

The Church of the Transfiguration was designated a New York City Landmark on May 25, 1969 with its Landmark Site being designated as Manhattan Tax Map Block 859, Lot 9. Subsequent research revealed that the chancel of the church extends over the lot line onto Manhattan Tax Map Block 859, Lot 12, thus leaving the chancel undesignated. The expanded site, Manhattan Tax Map Block 859, Lot 12 in part, consisting of the land underneath the chancel will complete the designation of the church building.

On September 30, 2003, The Landmarks Preservation Commission held a public hearing on the proposed amendment of the Landmark Site to expand the site of the Church of the Transfiguration (Little Church around the Corner), 11-13 East 29th Street, Manhattan, to include Borough of Manhattan Tax Map Block 859, Lot 12 in part, consisting of the land under the chancel. The hearing had been duly advertised in accordance with the provisions of law. There were no speakers for or against the amendment.
